# HOMECOMING

Lest we forget our Bonfire, and the gay time had by all.

## LET'S GO TO THE BONFIRE . . .

Where there is a parade there is the army.

## AND THE PARADE . . .

The A.K.A. chose, as their lovely lady to represent them, Miss Martha Yerby.

Santa came kind of early this year.

Sigma's pride and joy, the ever popular Miss Euradell Brussard.

We never expected a fire, but nevertheless we were there.

The Que's First Lady, Miss Dorothy Walker.

No Homecoming Game would be complete without a reigning Queen, which we have here in the form of our own Miss Tuskegee, Miss Barbara Flowers, and her two lovely attendants, Miss Shirley Baltimore and Miss Geraldine Smith.

"Bring on the Diamond," Miss Kappa, Josephine Merritt and Miss Scroller, Thomasine Pinkard.

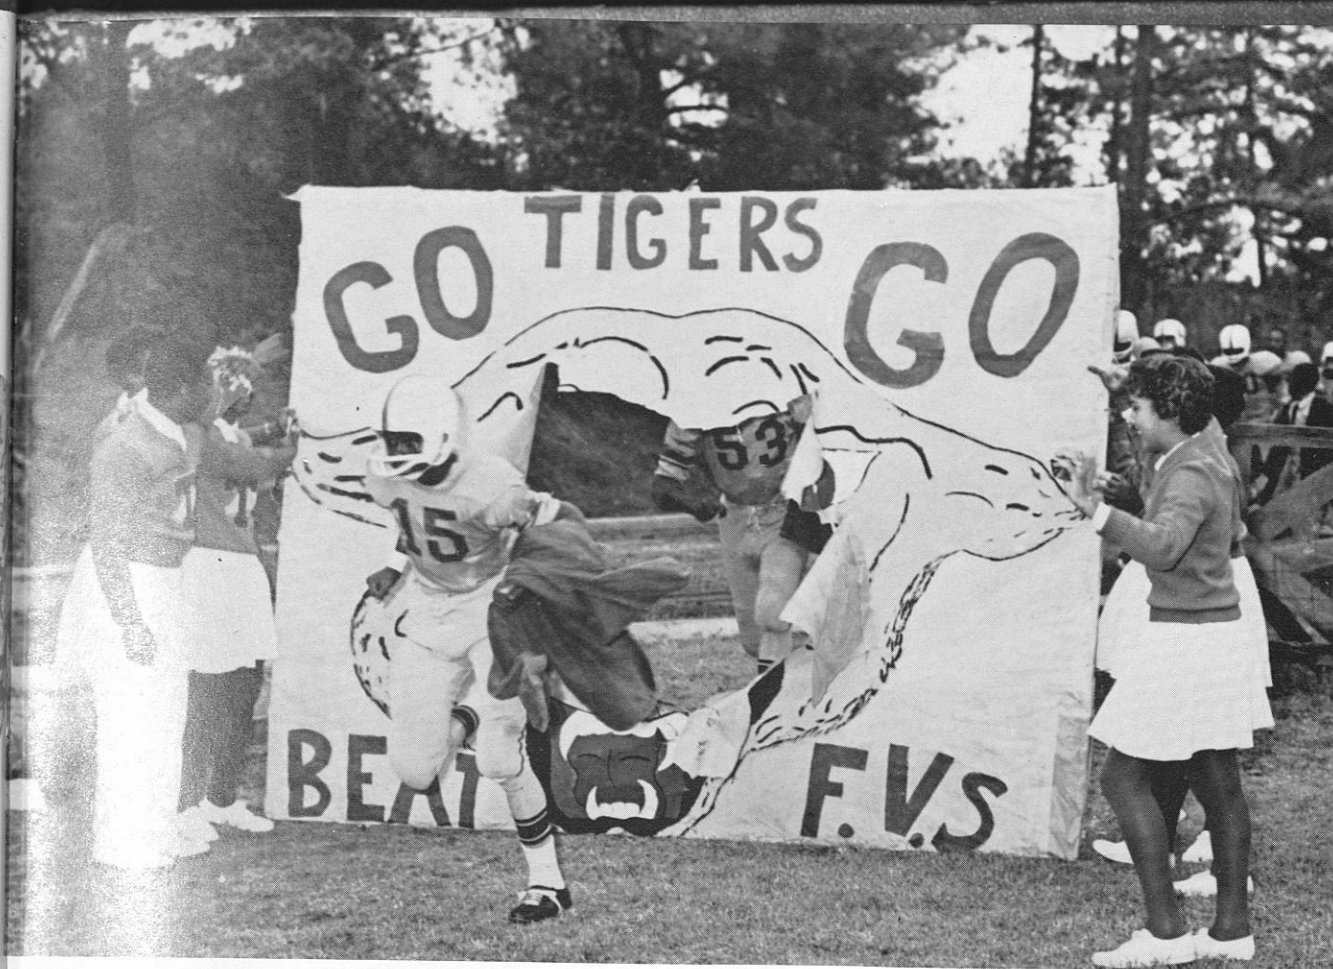

Some people say we need Air Power, too!

And let us not forget, The Alpha's first prize winning float.

The School of Agriculture is also represented in the form of the Misses Peggy Campbell, Emma Rose Williams, Jacquelyn Gamble.

THE GOLDEN TIGERS on their way to victory, where we held the mighty Fort Valley State College to a 6-6 tie.

## AND WE MUST SEE THE GAME.

## Alabama State, Tuskegee Institute Will Clash In Dixie Classic Today

\*\*\*\*\*  
 Jackets-Hornets Duel Expected To Pack Cramton Bowl

They said it couldn't be done, they said Alabama State had lost only one game, and this was their last. The Tuskegee Golden Tigers still went in to bring us victory.

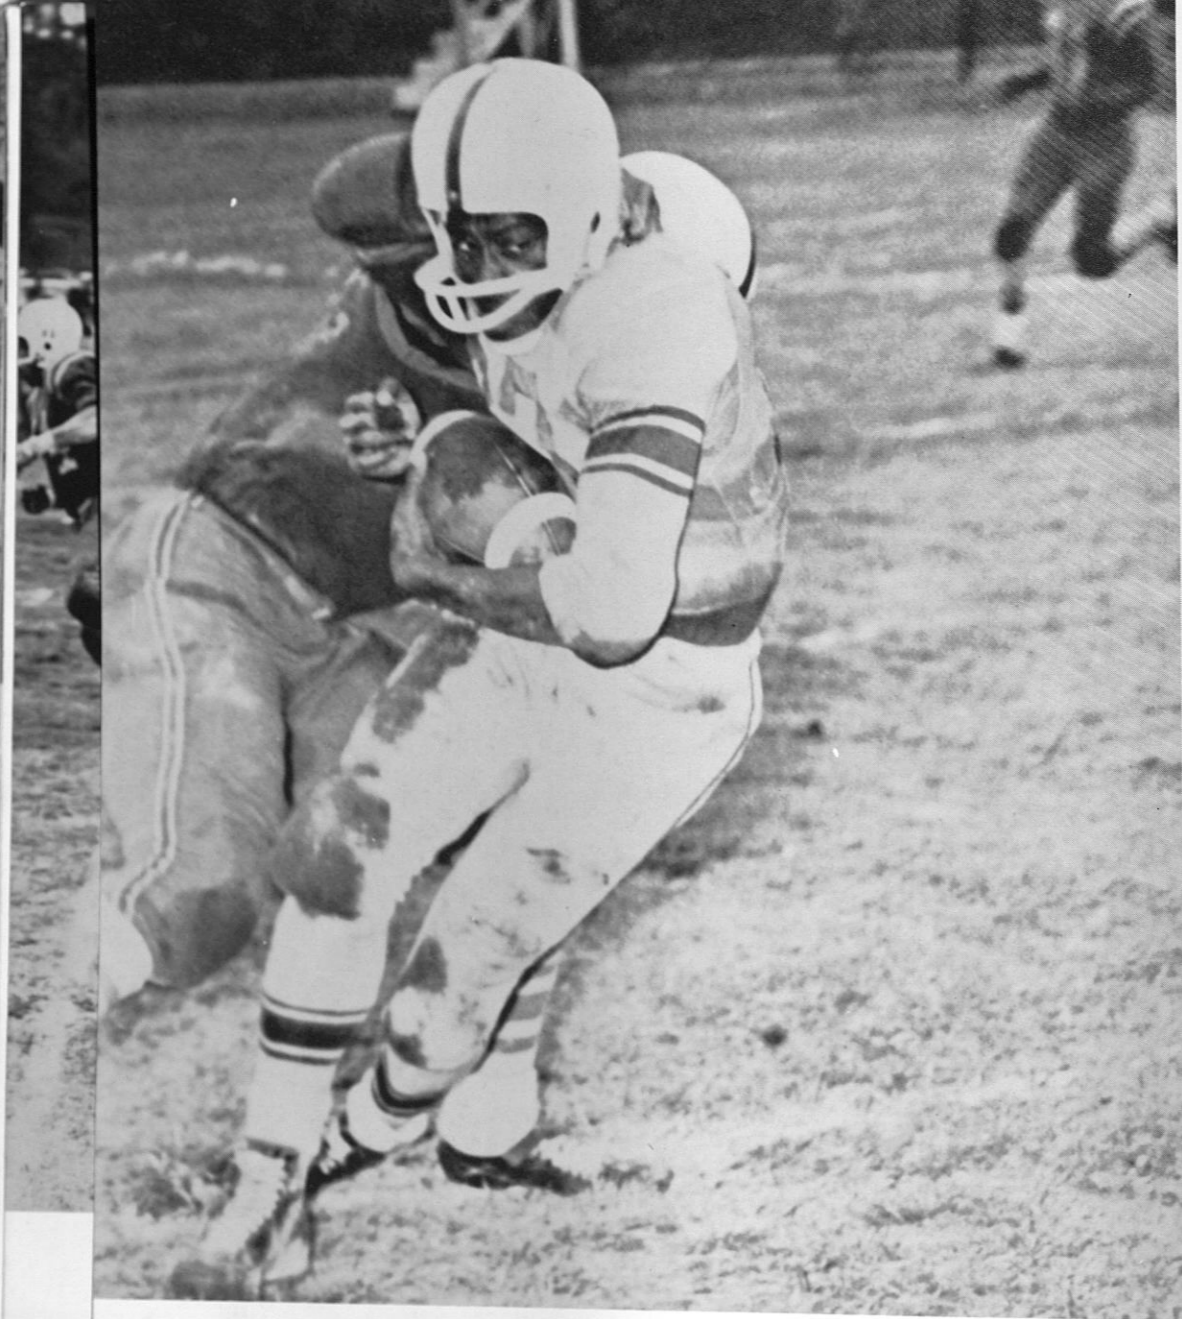

Halfback Albert Lowery (25) of Alabama State leaps into the air to intercept Willie Williams pass in the first quarter of the game at the bowl. The pass was intended for Frank Jones (28). Curtis Horton (1), Tuskegee halfback and State fullback Frank Hawkins (45) are in the picture. Tuskegee outscored Alabama State 24-20, before 15,000 fans.

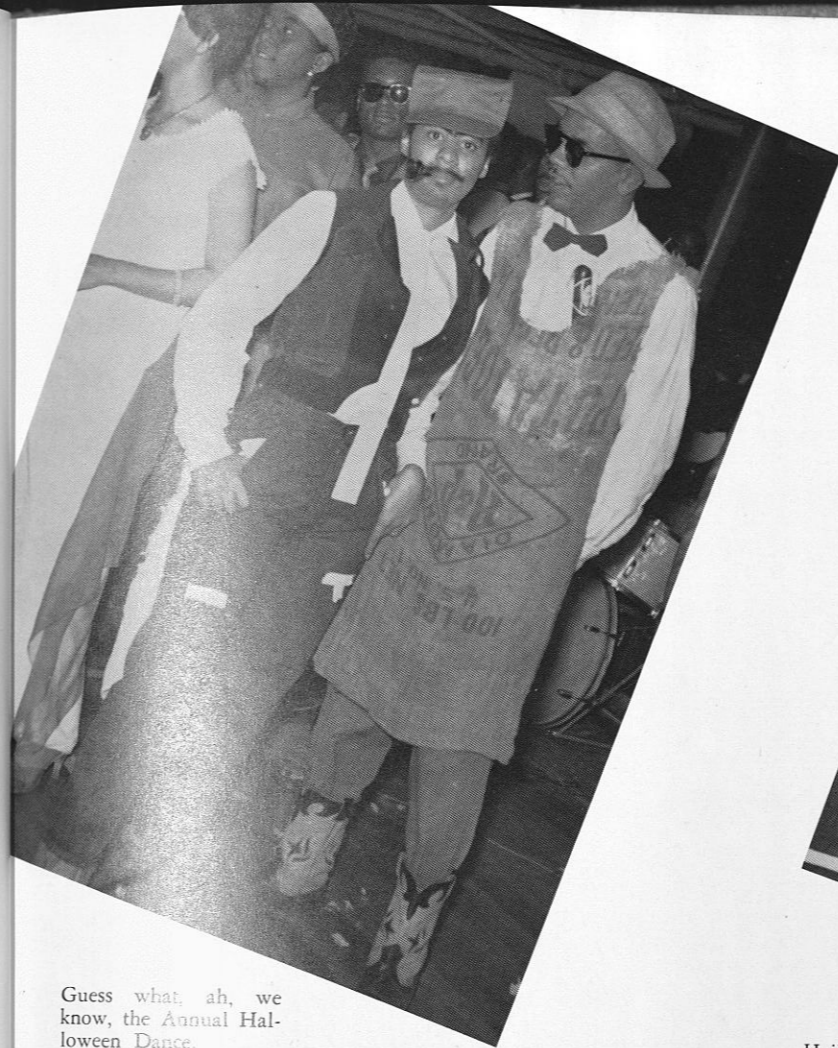

Tuskegee won the toss and elected to receive. Quarterback Willie Williams then threw 37 yards to left end Freddy Holland on a third down pass play, but two plays later Hornets halfback, Parks Mitchell, intercepted a Willie Williams pass and the 'Bama boys took over on their own 27 yard line. The Hornets were ineffective in three plays and punted out to the 38. From here the Golden Tigers went over for first blood with McGehee carrying the ball. The PAT attempt was no good 'Skegee led 6-0. The Hornets attempting to pass were set back 17 yards in three plays by the charging Golden Tigers line and had to punt. In the second quarter Tuskegee punted from deep in their territory to midfield and the Hornets started goalward. The State eleven got Tuskegee with their backs to the wall in 13 running plays. Hawkins from the two yard line went over for a score to even things up, 6-6.

On the next play which was in the next quarter, White passing to the left flat, threw short and right into the waiting arms of George Drake who went untouched for 45 yards to score. The score was 12-6. An intercepted pass four plays after the Golden Tigers kicked to State, proved fatal to the Hornets again. Floyd Jones ran 52 yards to score on a pass from Willie Williams. The conversion was no good, and the score was 18-12. Later Williams found Marshall open and hit the rangy halfback with a perfect strike for the final score. The score was now 24-12. The Hornets in the last quarter with less than a minute to play scored and made the conversion and the final score was 24-20.

## DEDICATION

In the dignity of the noblest sense, he has instructed us, and led us by his example. Always ready to understand, to sympathize, to laugh, he has given freely of his time, his talents, and himself.

A gift of spirit on his part which, in countless ways, builds the morale of students and aids them in the quest for learning and good citizenship has meant throughout the years of a greater Tuskegee Institute.

With the respect and gratitude that are so rightfully his, we dedicate this 1959 Tuskeana to Dr. S. H. Smith.

DR. HORACE GREELEY DWIGGINS

# IN MEMORIAM

Dr. Dwiggins died September 30, 1958, at their home in Tuskegee Institute. Dr. Dwiggins was born March 17, 1909, in Kansas City, Kansas, the second child of Horace G. and Willa Dwiggins.

He grew up in Kansas City and was graduated from Sumner High School there in 1926.

He was graduated from Lincoln University in Pennsylvania in 1930. While a student there he became a member of Alpha Phi Alpha Fraternity. In 1934 he was graduated from Meharry Medical College and shortly thereafter became a Diplomat of the National Board of Medical Examiners.

Dr. Dwiggins served as intern at the Kansas City General Hospital No. 2 from 1934-35, as resident surgeon at Wheatley

Provident Hospital, Kansas City, from 1935-37 and received staff appointment in general surgery at the Veteran's Administration Hospital, Tuskegee, Alabama, in 1938. His graduate work in Ophthalmology began in 1941 at the Veteran's Administration Graduate School, Bronx, New York, and an internship at Billings Hospital in Chicago in 1942.

From 1947-48 Dr. Dwiggins was a resident in Ophthalmology at Provident Hospital, Chicago, Ill. During the same period he was a fellow in Ophthalmology at the University of Illinois. Dr. Dwiggins served as Lieutenant Colonel in the U. S. Army Medical Corps from 1942-46 and on active duty from 1944-46.

At the time of his passing Dr. Dwiggins was the Chief Ophthalmologist at the Veteran's Administration Hospital, Tuskegee, heading the department of accredited Resident Training Program. Dr. Dwiggins also served as consultant at the John A. Andrew Memorial Hospital, the Alabama State Department of Rehabilitation and the Alabama Sight Conservation Association. The Alabama Sight Conservation work is sponsored by the Lions Club of the State. Dr. Dwiggins was also a member of the American Medical Association, the National Medical Association, the Alabama State Medical Association, a Diplomat of the National Board of Medical Examiners, Diplomate of the American Board of Ophthalmology, Fellow of the American Academy of Ophthalmology and Otolaryngology, and a Fellow of the American College of Surgeons. Dr. Dwiggins was a 33rd Degree Mason, a member of Alpha Phi Alpha Fraternity, and a member of the Greenwood Missionary Baptist Church.

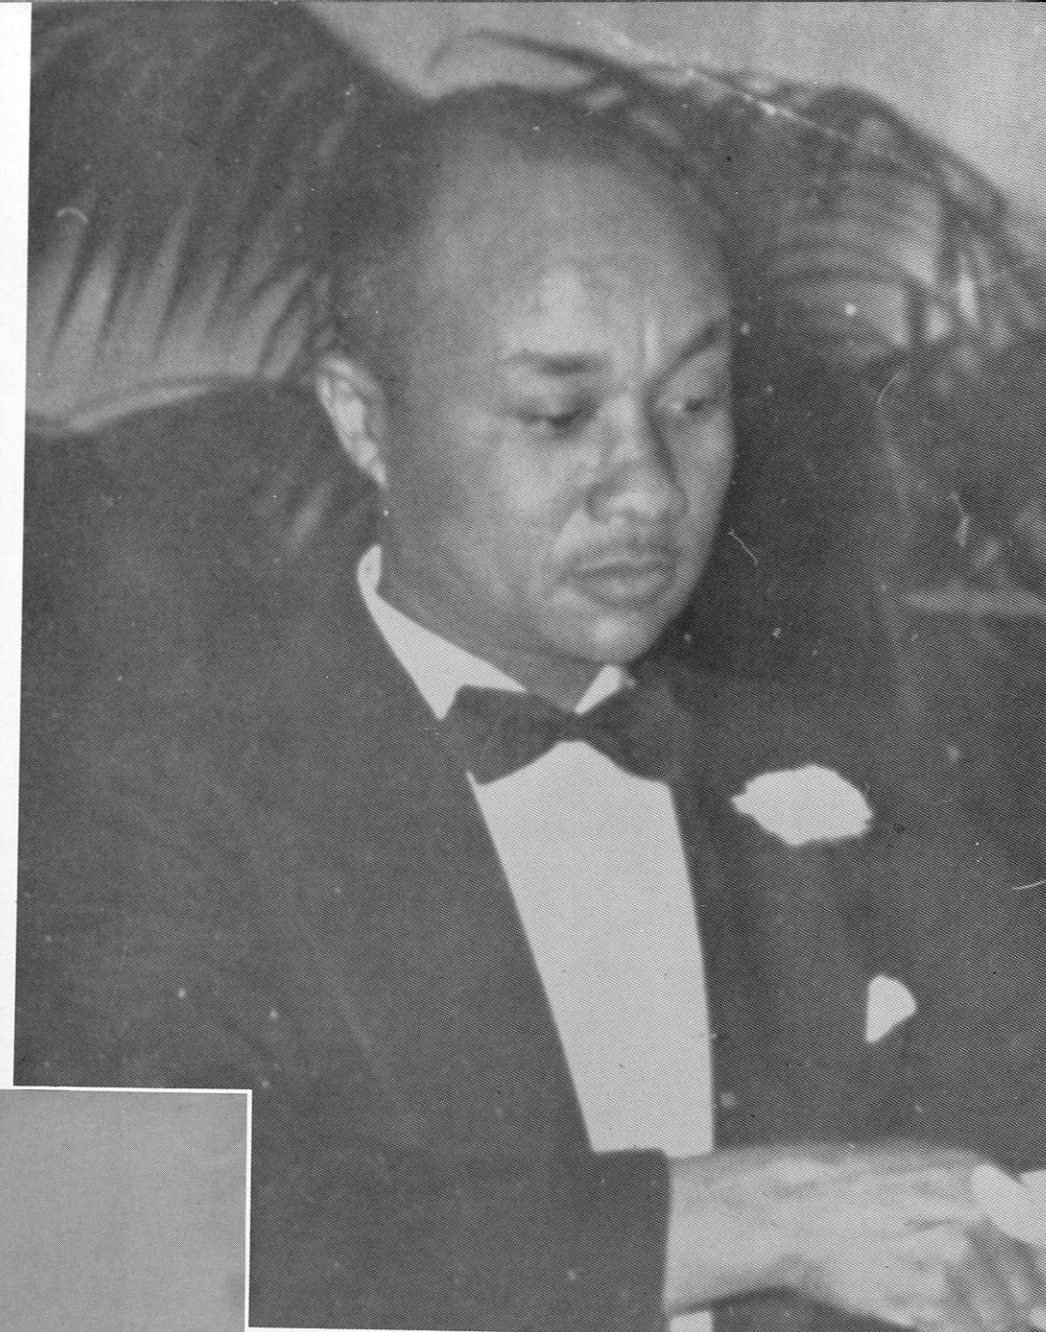

Dr. Dwiggins was a former member of the Tuskegee Institute Faculty, and was on the Staff at the John A. Andrew Memorial Hospital where he served as consultant to the Student Health Clinic.

"WE BELIEVE IN THE LIFE OF SERVICE"  
—"We shall prosper in proportion as we learn to glorify and dignify labor and to put brains and skill into the common occupations of life."

These lines, taken from The Tuskegee Creed and the quotation from the Founder's famous Atlanta Exposition Address, tell in a most expressive manner the guiding principle upon which the late Mr. Royal B. Dunham based his life. His contributions to Tuskegee Institute and the community are represented not only in brick and mortar but in a dedication to skill and craftsmanship which he passed on to those with whom he worked.

He was twice graduated from Tuskegee Institute, having received both a high school diploma and a Bachelor of Science degree.

Following his graduation from college in 1936, Mr. Dunham taught for four years at Staley High School in Americus, Georgia. He returned

MR. ROYAL B. DUNHAM

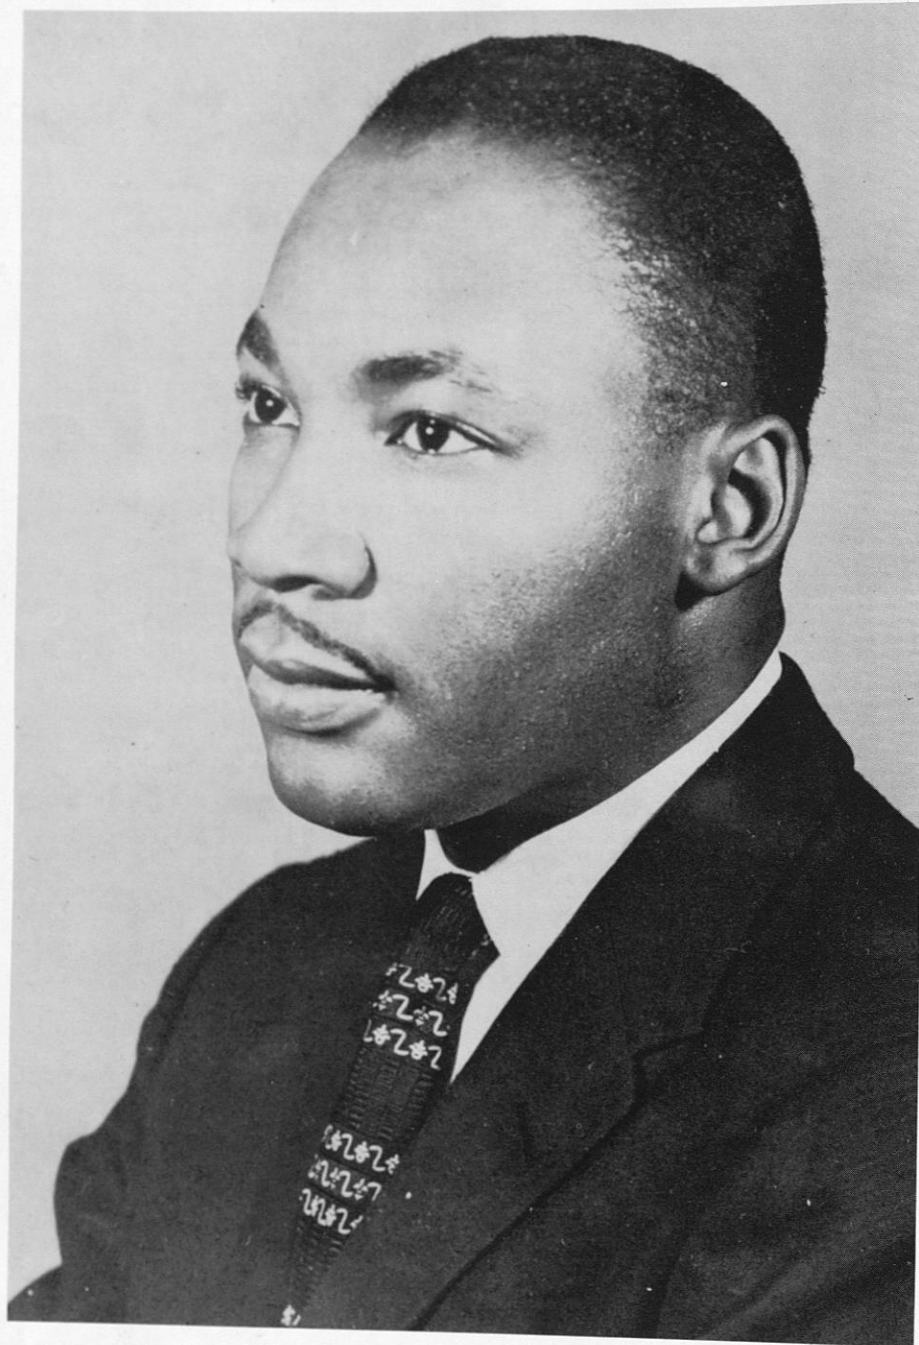

# IN MEMORIAM

to Tuskegee in 1940 to head the Brickmasonry Division. In 1943 he was assigned to the task of building the facilities at Moton Field, Primary Air Training Center. He remained as instructor in Maintenance and Construction until 1946.

Upon returning to Tuskegee Institute's Masonry Division he was appointed Superintendent of Construction and has served in that capacity with great distinction. Some of the construction completed under his direction are: The Arts and Crafts Unit at the Children's House, the Roberts Circle Faculty Housing Unit, The School of Veterinary Medicine, The Residence Hall, The Carver Foundation Laboratory Building, Benjamin Russell Nursery School and the four new dormitories now under construction.

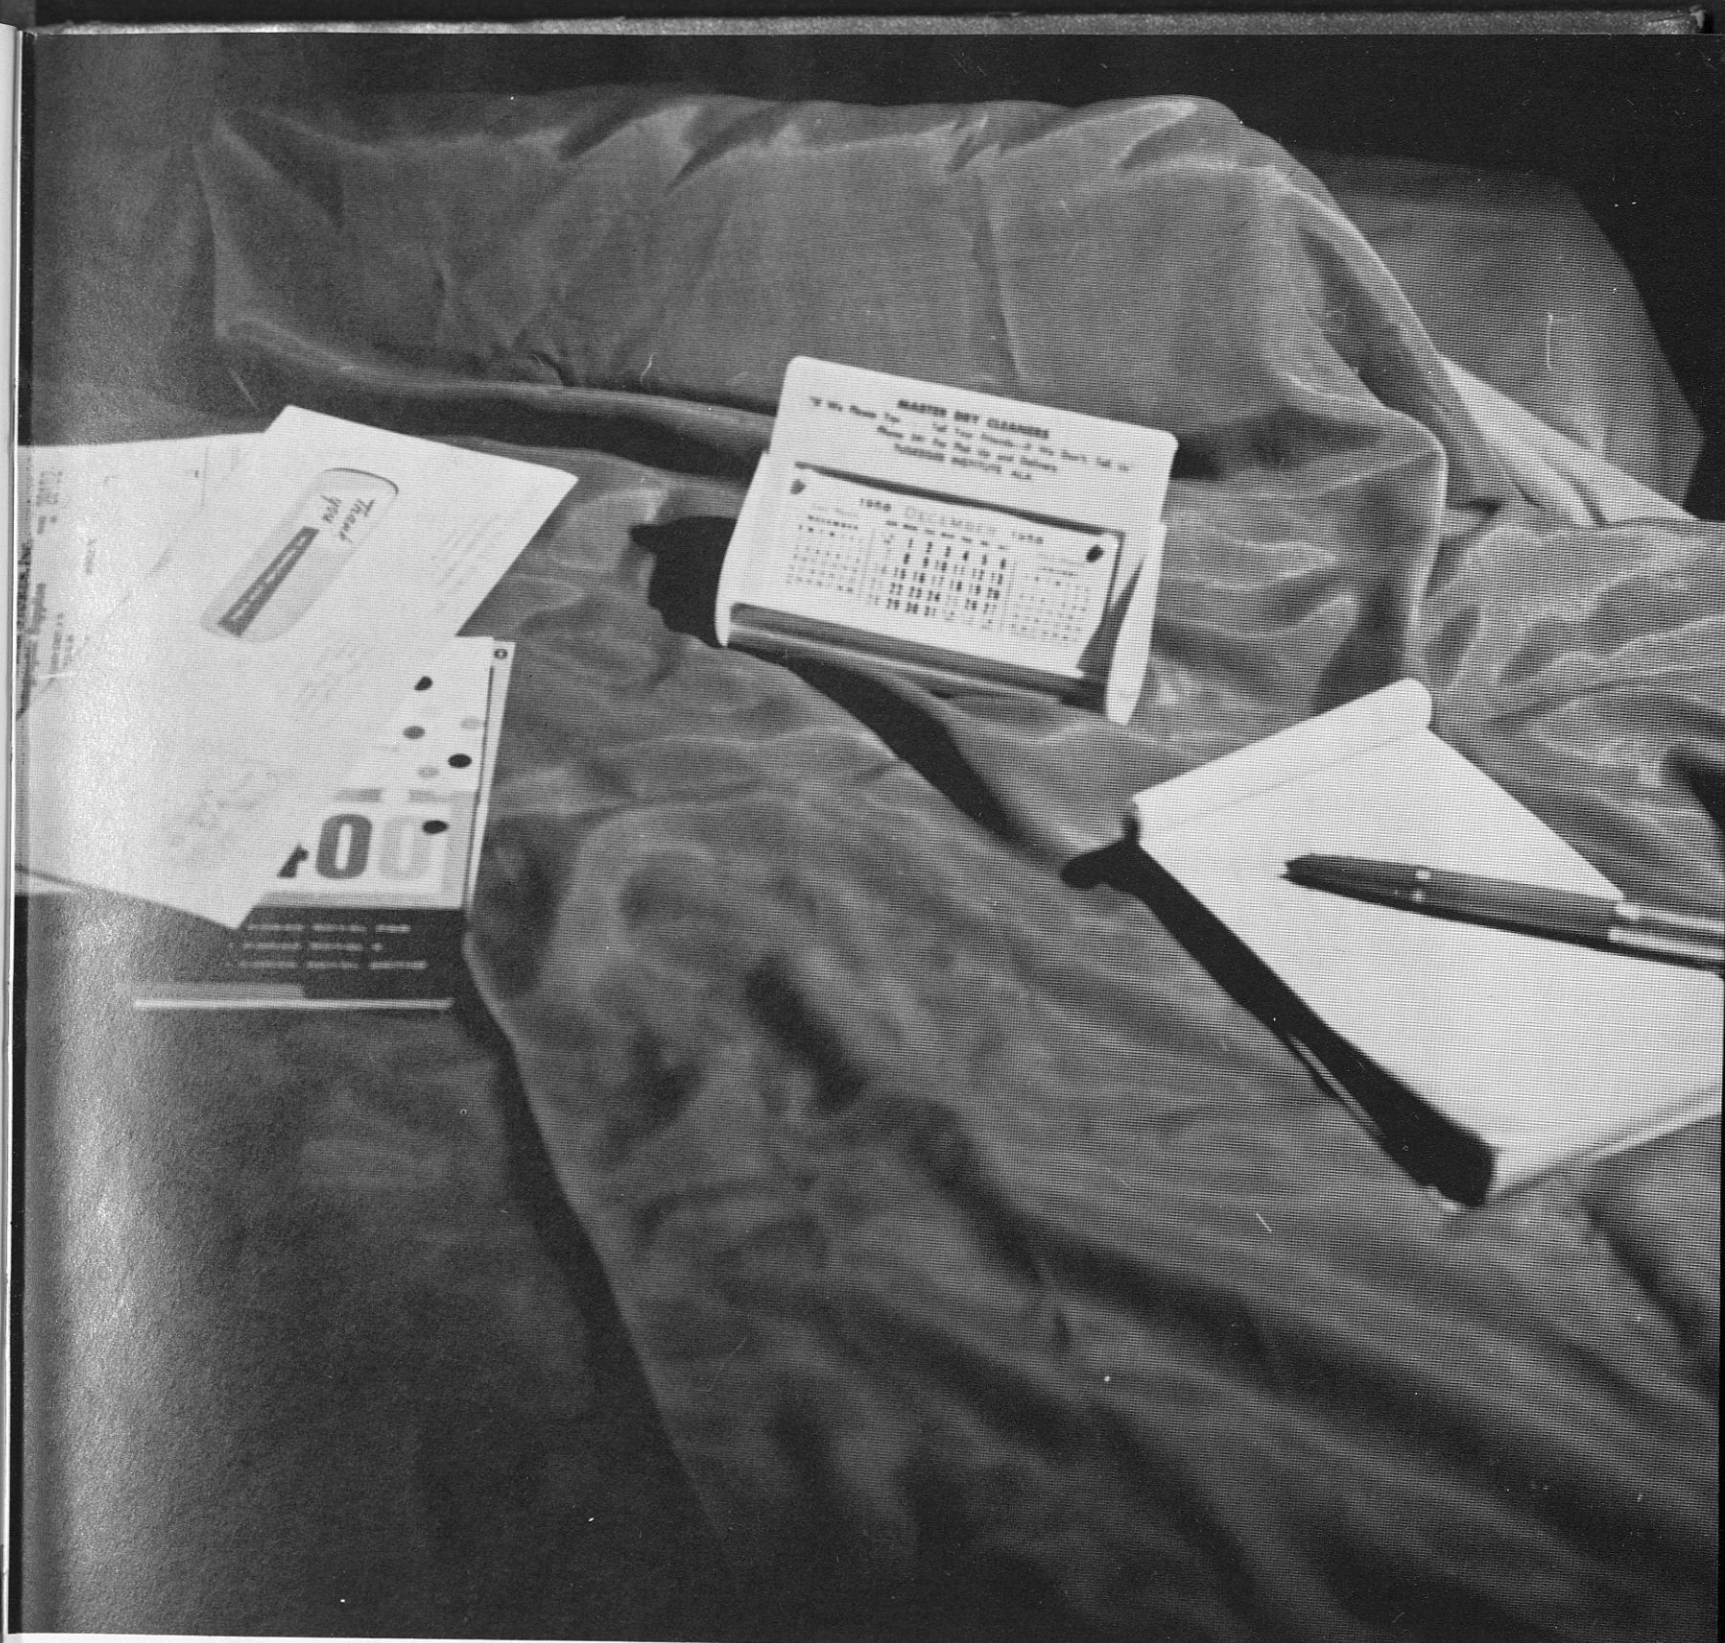

Among the major renovation jobs Mr. Dunham directed are: Dorothy Hall, including the downstairs Food's Service unit and the first and second stories of the residence section; the four Emery Buildings and Rockefeller Hall.

Mr. Dunham was a member of the Westminster Presbyterian Church, Gamma Sigma Chapter of the Phi Beta Sigma Fraternity and was active in many civic business enterprises among which was the Federal Savings and Loan Association.

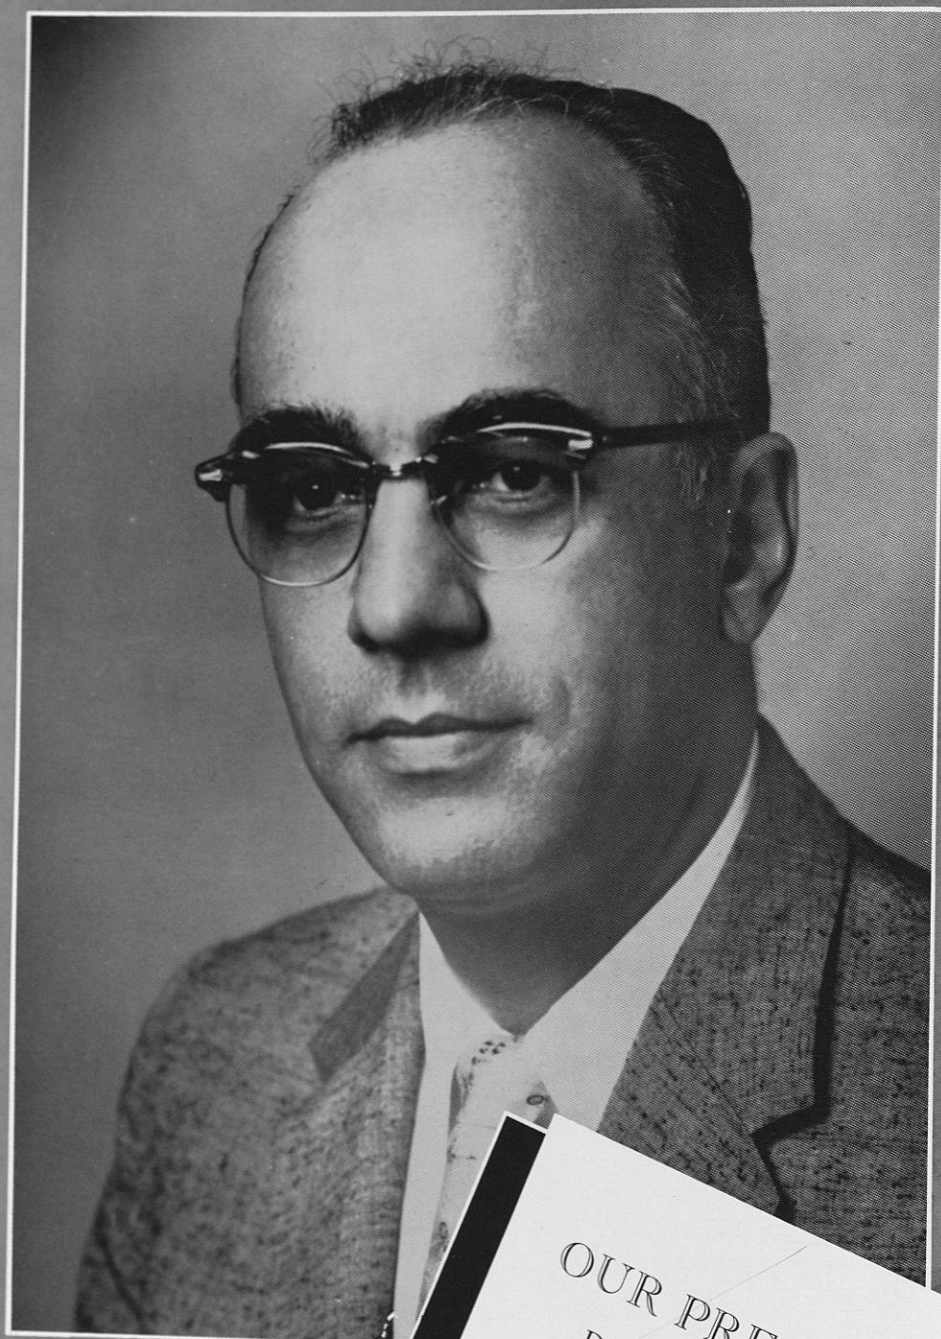

Rev. Dr. Martin Luther King Jr. is one of the most outstanding spiritual and moral leaders of the world. As a result of his diligent leadership in the Montgomery Movement, which inevitably erased injustice and put justice into its place, he has become world renowned. His counsel has been sought in many places, from the White House on down. He is possibly the most sought after speaker in the United States today. In addition to his Presidency of the Montgomery Improvement Association he is also Chairman of the Southern Christian Leadership Conference. Admired by people of all races over the universe, he has received more than forty awards for his leadership of the Montgomery movement. Dr. King is a graduate of Morehouse College in Atlanta, received a B.D. degree from Crozer Theological Seminary and a Ph.D. from Boston University. He has served the Dexter Avenue Baptist Church in Montgomery as a pastor for three years—his first pastorate. We, the members of Tuskegee Institute, the Pride of the Swift Growing South, proudly join the ranks in paying meritorious recognition to so noble a citizen.

TO THE CLASS OF 1959:

As you graduate from Tuskegee Institute, our congratulations and best wishes for success go with you. We look forward to continued association with you through alumni activities, conferences, correspondence, and visits to our campus. Your suggestions for program improvement will be helpful in the years ahead.

You will find many opportunities for real accomplishment and success awaiting you. Yours is a future with immense possibilities and, as Tuskegee graduates, you are prepared to meet the challenges that face you. As you enter the profession of your choice, I hope you will expand your education through continuing formal study, constructive experiences, and thoughtful reflection--always striving to advance your competence.

Your daily responsibility, along with making a living, is to serve your community as a useful citizen. This is the Tuskegee tradition of responsible leadership and service. Your successes will augment the prestige and service of Tuskegee Institute alumni throughout this country and the world.

It has been a privilege to have you among the Tuskegee Institute student body.

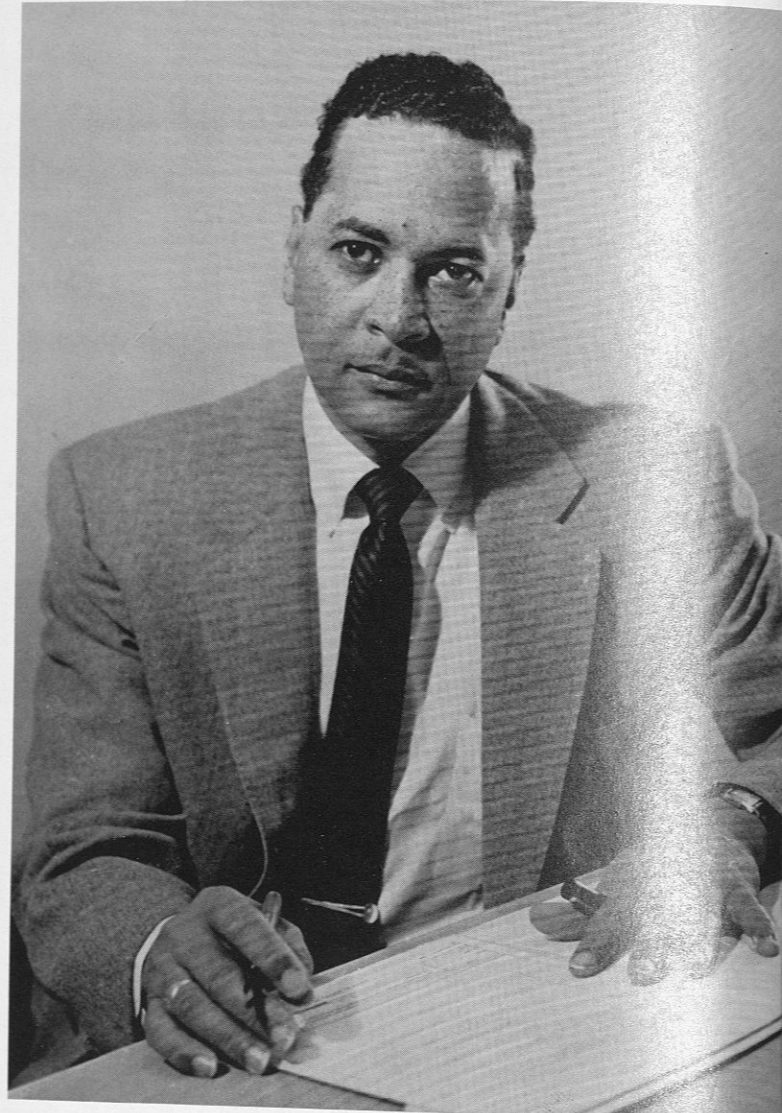

Sincerely yours,

L. H. Foster  
President

# FINE ARTS

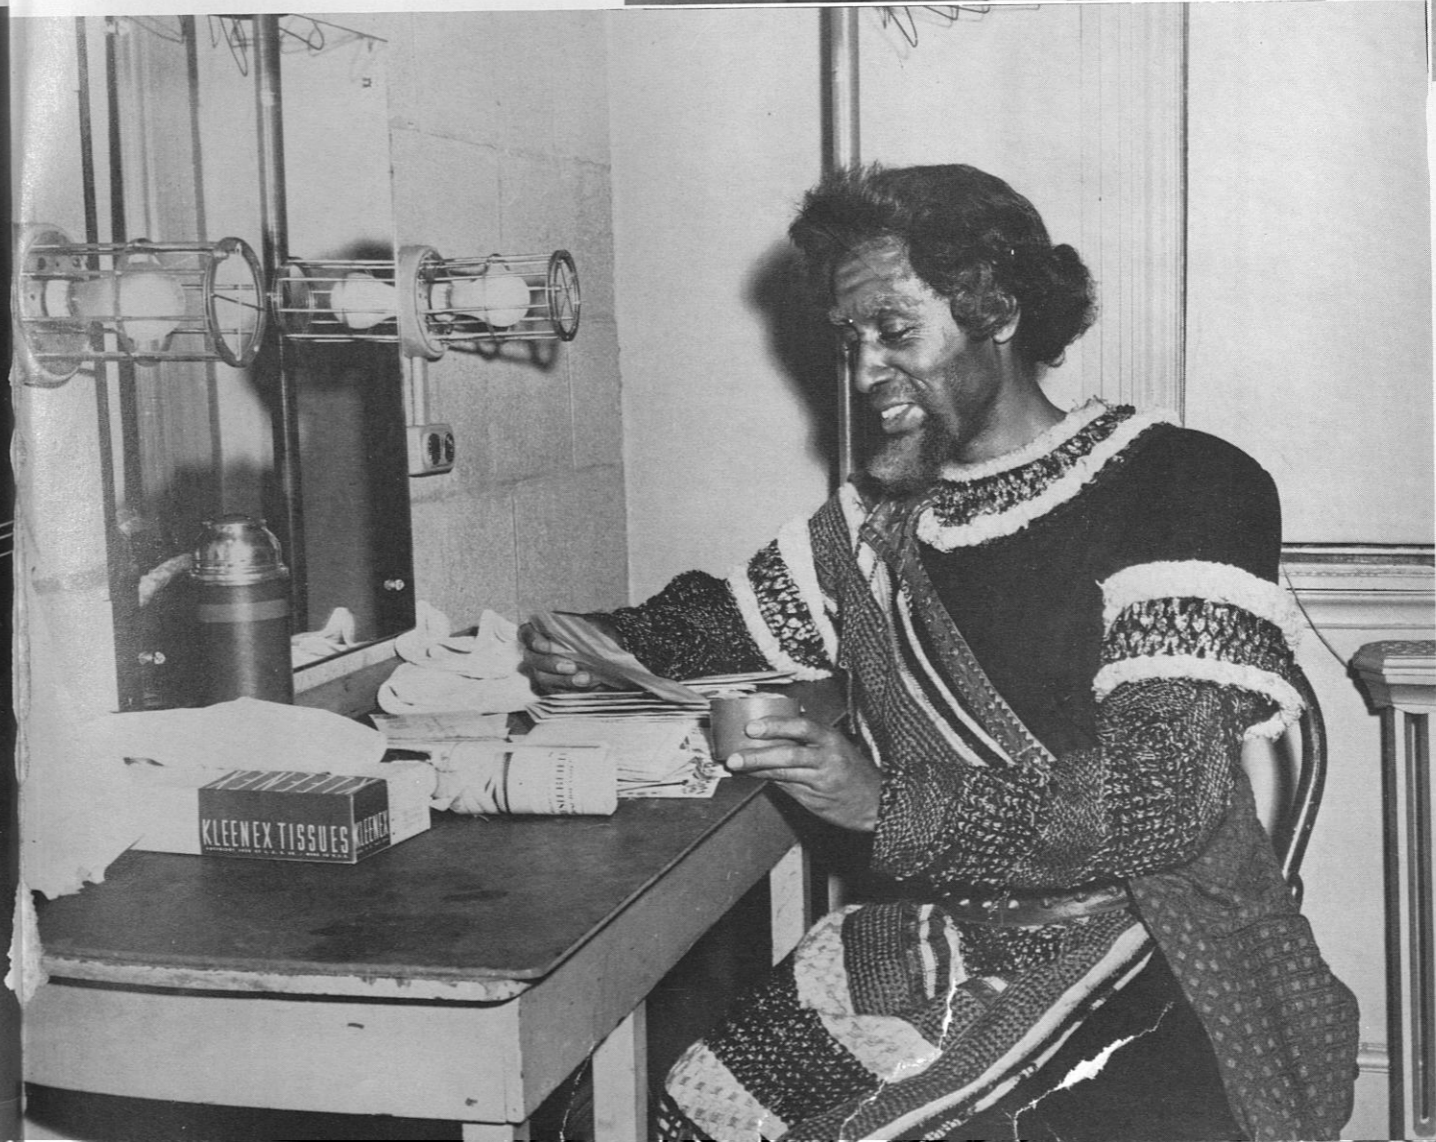

To introduce our Entertainment Course Presentation. We were privileged to hear and enjoy the artistry of Kooper and Boehm, who thrilled us with their brilliance on the violin and piano.

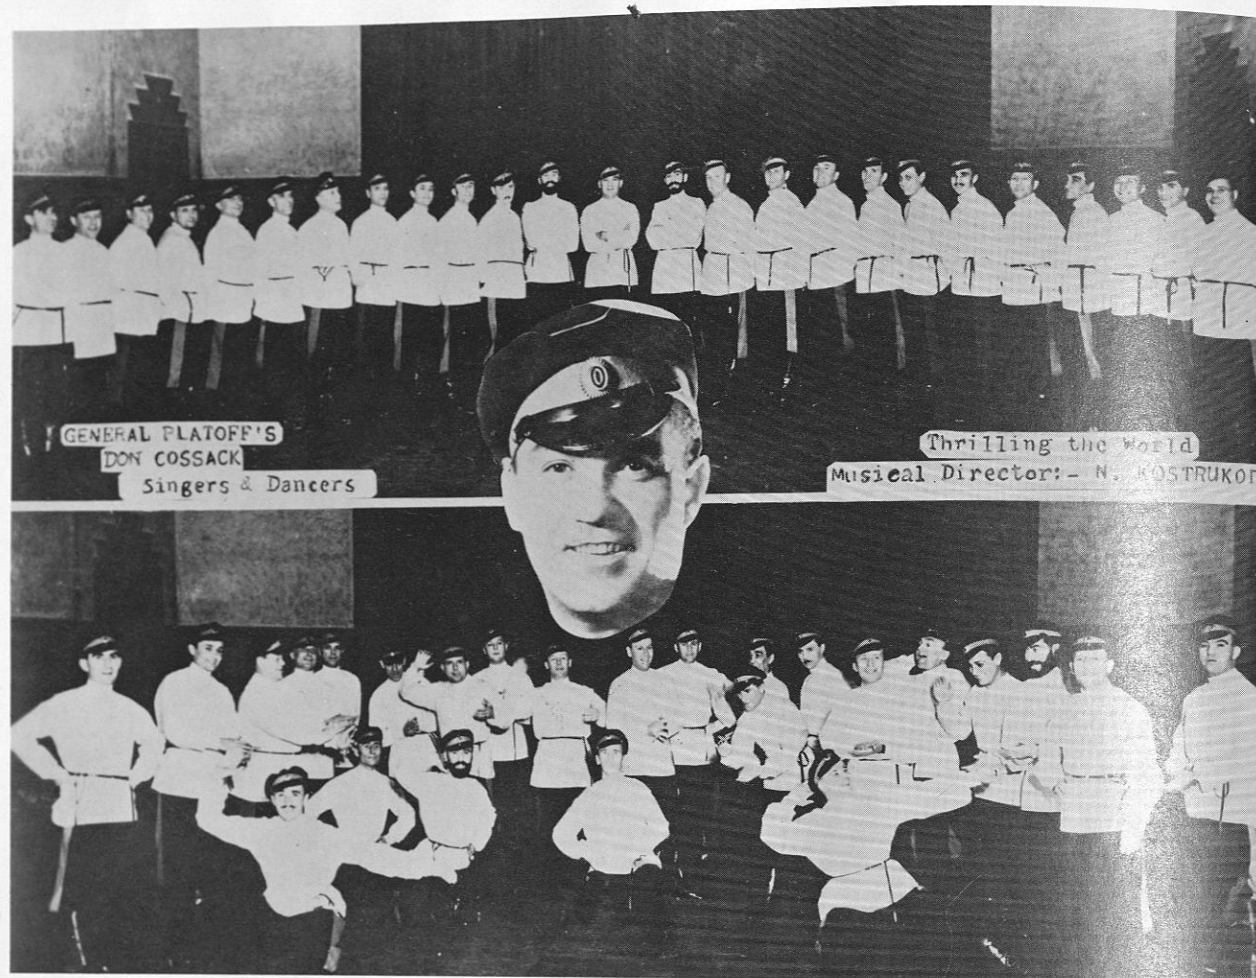

One of the most magnificent voices of the century was ours to hear in the person of Mr. Robert McFerrin, Baritone, star of the Metropolitan Opera Company, who was our second attraction.

Mr. McFerrin in make-up for the role of Amonasro, the King of Ethiopia, from the celebrated opera Aida, by Giuseppe Verdi.

The world famous Don Cossack singers and dancers, was our third attraction. They captivated their audience with their dancing and vocal brilliancy.

# OUR CHOIR

"GEMS OF THE CAMPUS" give an inspiring concert under the direction of Mr. Relford Patterson.

"And the angel said unto her, Fear not, Mary: For thou hast found favour with God. And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name Jesus."

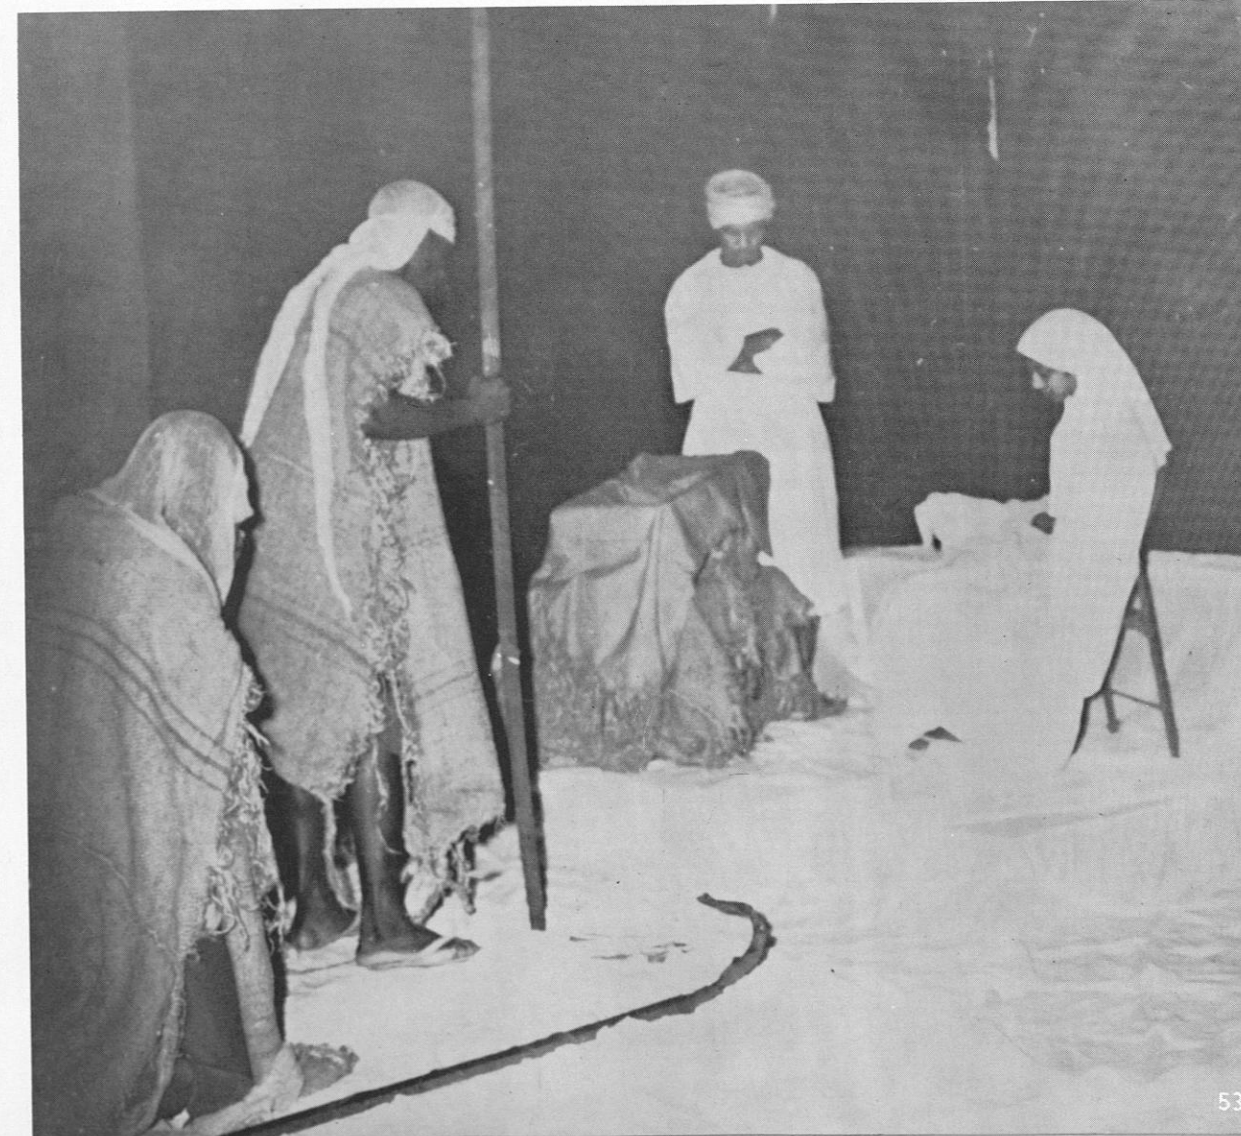

"And this shall be a sign unto you; ye shall find the babe wrapped in swaddling clothes, lying in a manger."

"And the angel said unto them, Fear not: For behold, I bring you good tidings of great Joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord."

"And suddenly there were with the angels, a multitude of the heavenly hosts, praising God, and saying: Glory to God, in the highest. And peace on earth, good will toward men."

"And it came to pass, as the angels were gone away from them into heaven, the shepherds said one to another, let us now go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known unto us."

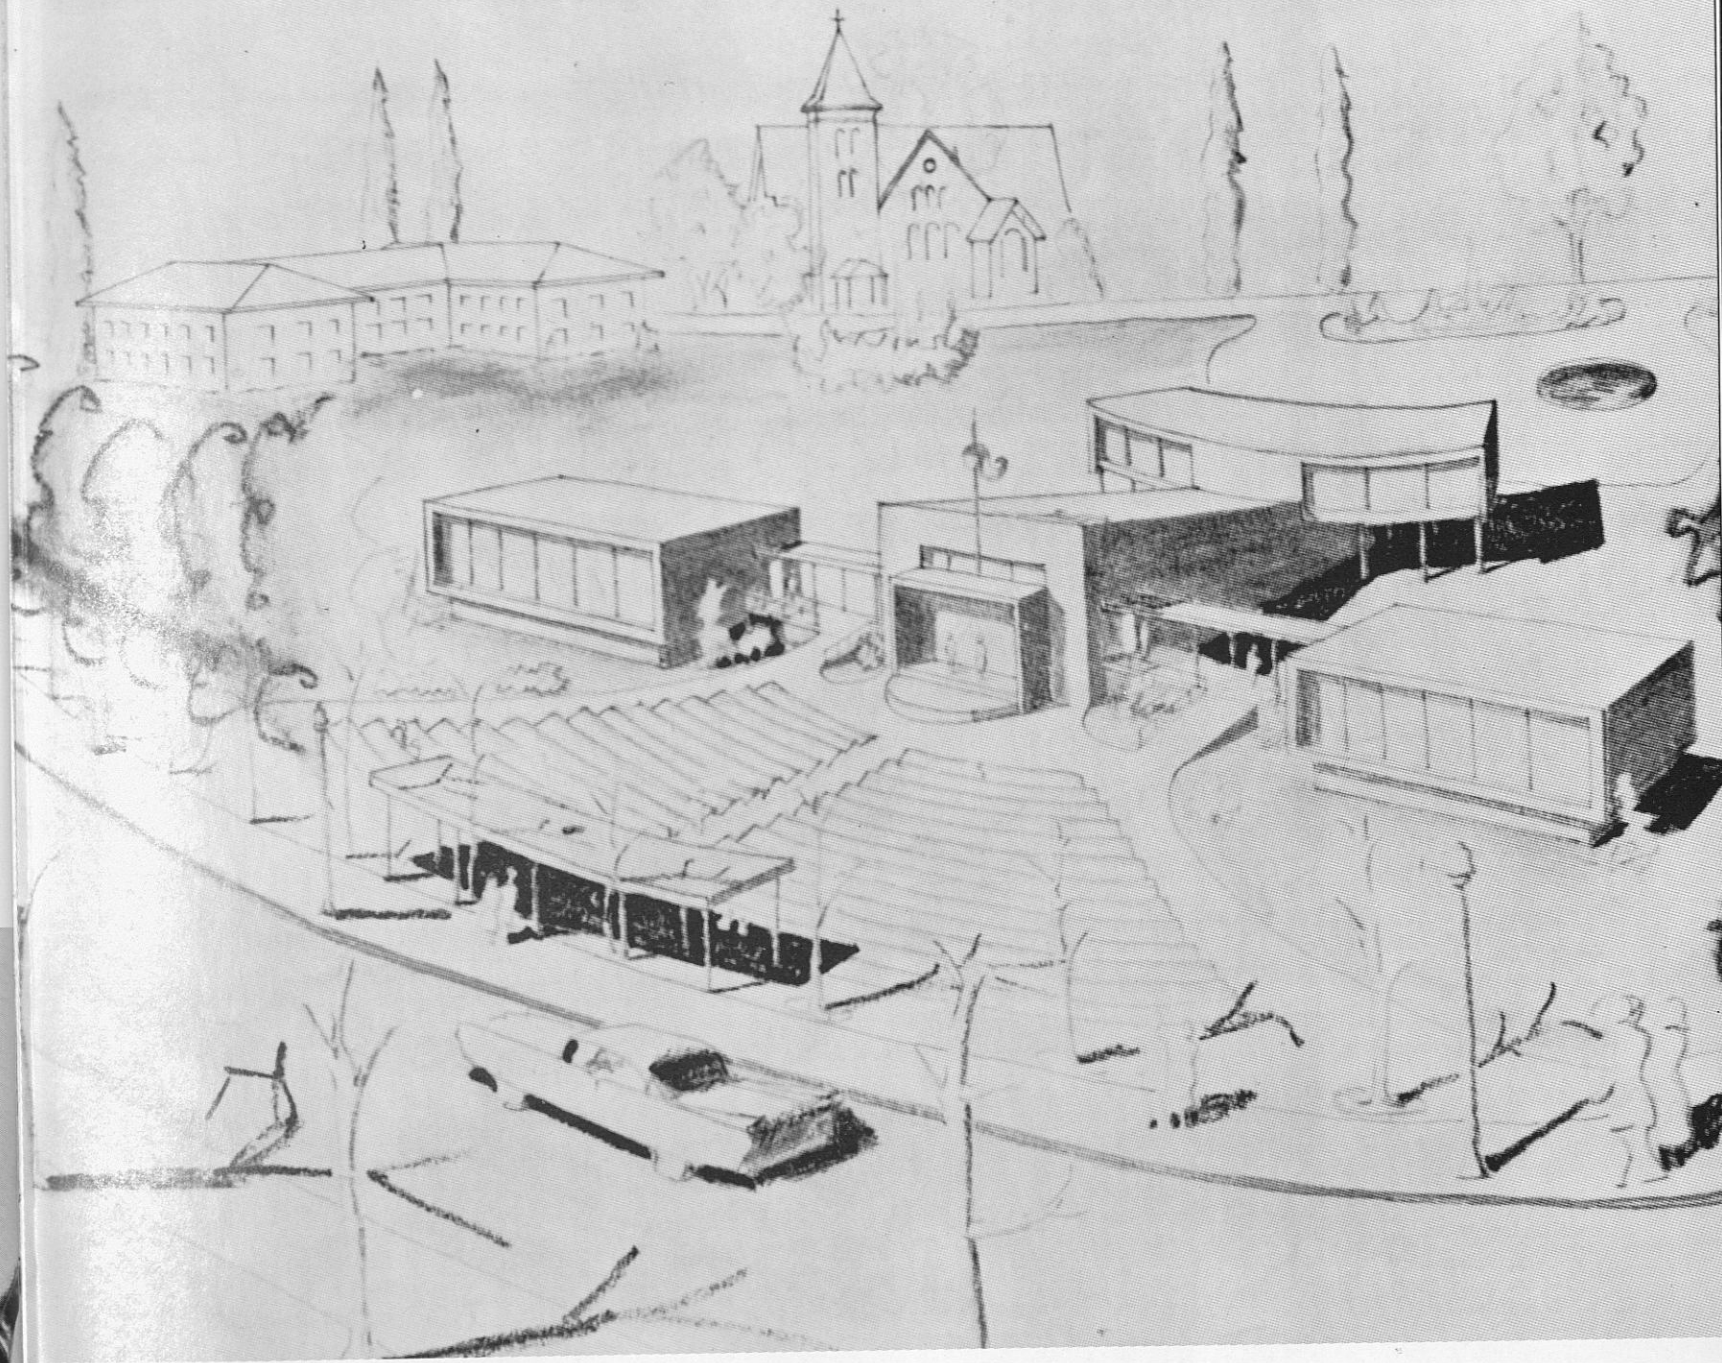

Our fourth attraction was the ever popular Emily Frankel, and the Dance Drama Company, young artists who thrilled us with their magnificent performances in the art of the dance.

Miss Emily Frankel, one of America's outstanding young choreographers and ballerinas.

## BUILDINGS

WHITE HALL (1910) Dormitory for Women was given by the White sisters in memory of their father, Mr. Alexander Moss White. This dormitory stands to remind us that time marches on. There may be changes in the courses of rivers, underground cities built, or even cities built in space, but we will never forget the huge architectural structure that gives us the dramatic and naturalistic expression of time.

The Gothic-like structure which was modern yesterday is still modern today. The beauty of the ancient architectural durability of the outside blends in with the modernistic patterns and designs of the inside magnificently.

Whether it is in the fall when we can see the big hands clearly . . .

. . . or in the summer when we can just barely see, the high hands always manage to be in sight when we need them most.

THOMPKINS HALL (1906) was given in memory of Mr. Charles E. Thompkin, Southport, Connecticut. "Tell me what you eat, and I will tell you what you are." This does not mean, however, that all we do here in Thompkins Hall is eat. This also provides recreational facilities and offices for student organizations.

The treatment of material and design of the college lounge gives it a beautiful and friendly atmosphere.

As we look from one of the windows in the dining hall we can see some students about to enter. (Some seem to think) . . .

Now that they have reached one stage of the task there is still more to go . . .

They finally reached the top, so the only thing that is ahead of them now is to eat . . .

Nothing

ROBERT RUSSA MOTON HALL (1956)  
ENGINEERING BUILDING

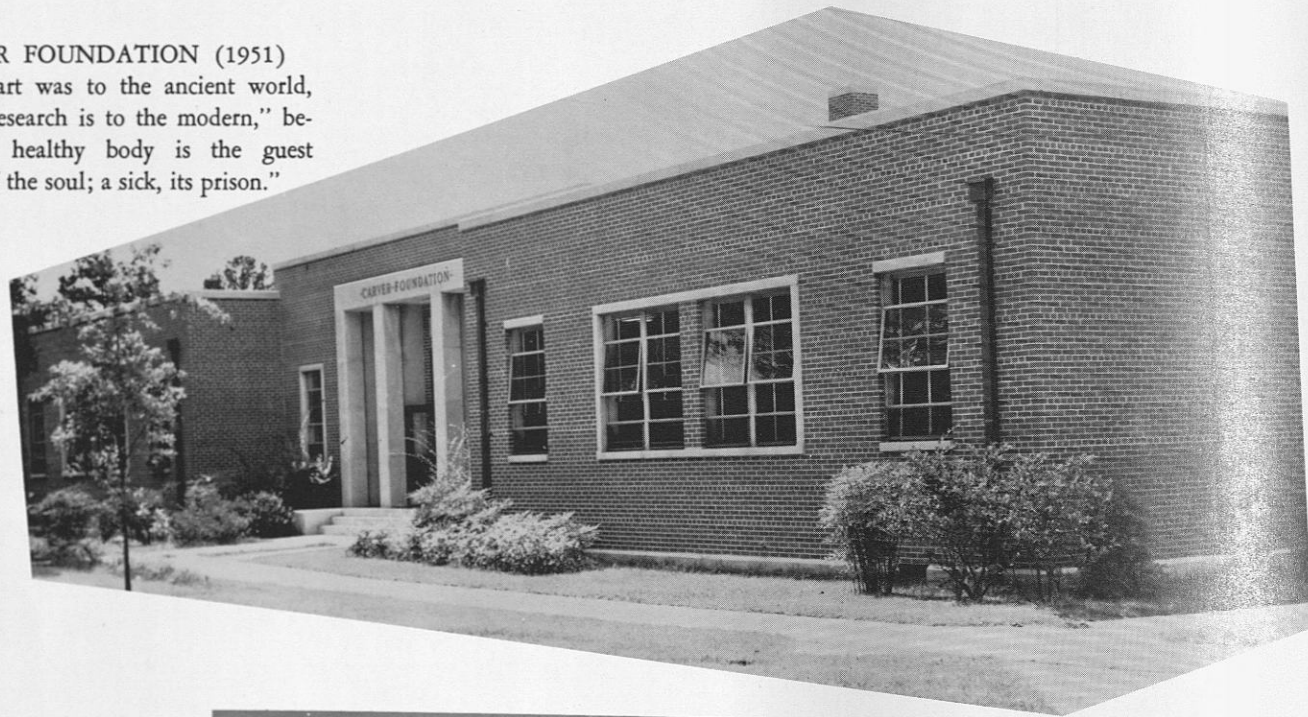

"Only two things can stymie the progress of man—too much knowledge of all things, and not enough of any."

The home-like atmosphere of the interior provides both pupil and future nurses with the maximum of learning.

CARVER FOUNDATION (1951)

"What art was to the ancient world, scientific research is to the modern," because, "a healthy body is the guest chamber of the soul; a sick, its prison."

WOODRUFF FOOD PROCESSING LABORATORY (1957)

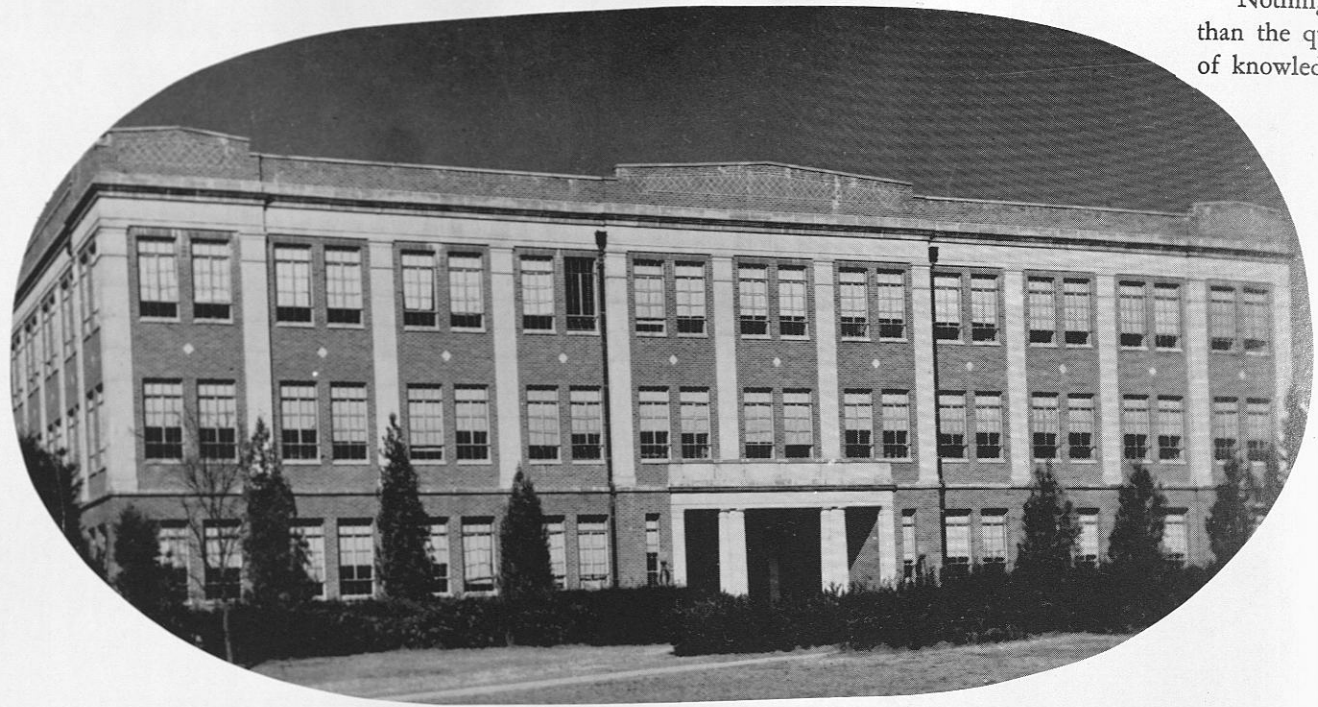

"Life is not merely to be alive, but to be well."

NURSERY SCHOOL (1958)

"Children are the only true democrats."

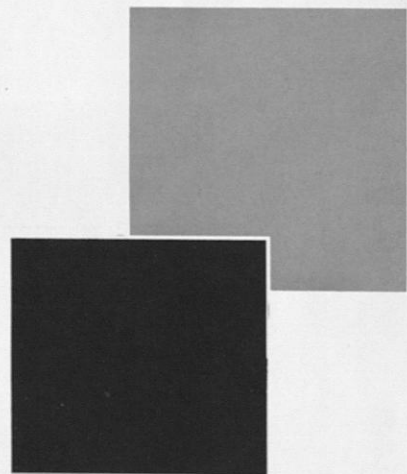

LIBRARY (1932)  
 "Nothing is more eternal  
 than the quest and recording  
 of knowledge."

Whether we are walking the long hall between the  
 reference room and the files or . . .

"The atmosphere, breath, rest, and  
 comfort, and the many chambers seem  
 full of welcome."

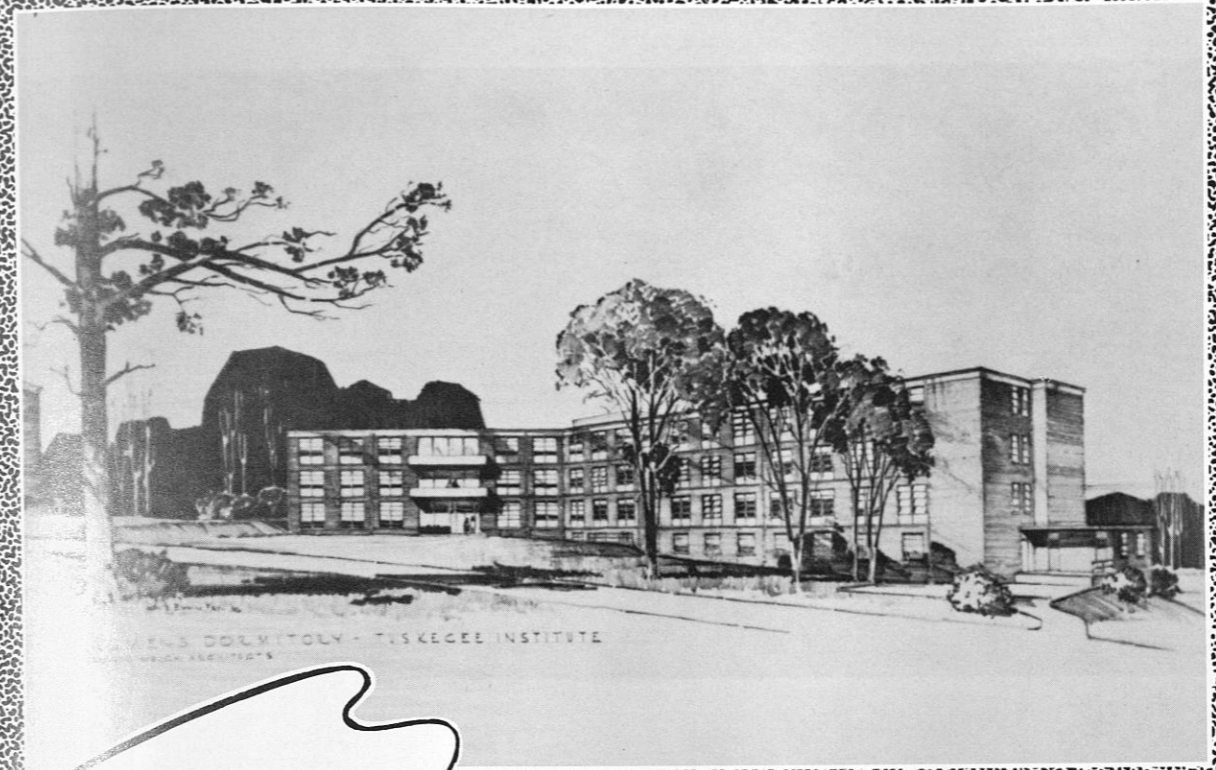

. . . checking out research material we are still learn-  
 ing as time passes.

## FORMER INSTITUTE CHAPEL

This building was a gift of Misses Olivia and Carolina Stokes of New York City. It was erected by student labor on plans designed by Mr. R. R. Taylor. The bricks, 1,200,000, were made by the students. The seating capacity of the building was twenty-four hundred. It will be replaced by a cultural appreciation center.

CARVER MUSEUM  
 "To some to tell

 down through the  
 ages is sufficient; to  
 some it has to be  
 shown."

A helicopter ride will give us an excellent view of the campus . . . we are now at the heart of the campus overlooking Dorothy Hall. (This building was given by Misses Olivia and Carolina Phelps Stokes, and it was renovated in 1952.) To the left is the famous Booker T. Washington monument which can not be seen on the photo.

A slight turn brings us over the Trades Buildings.

"Skill and confidence are the unconquered army."

Looking out to our left we see the rising of the "new" men's dormitories.

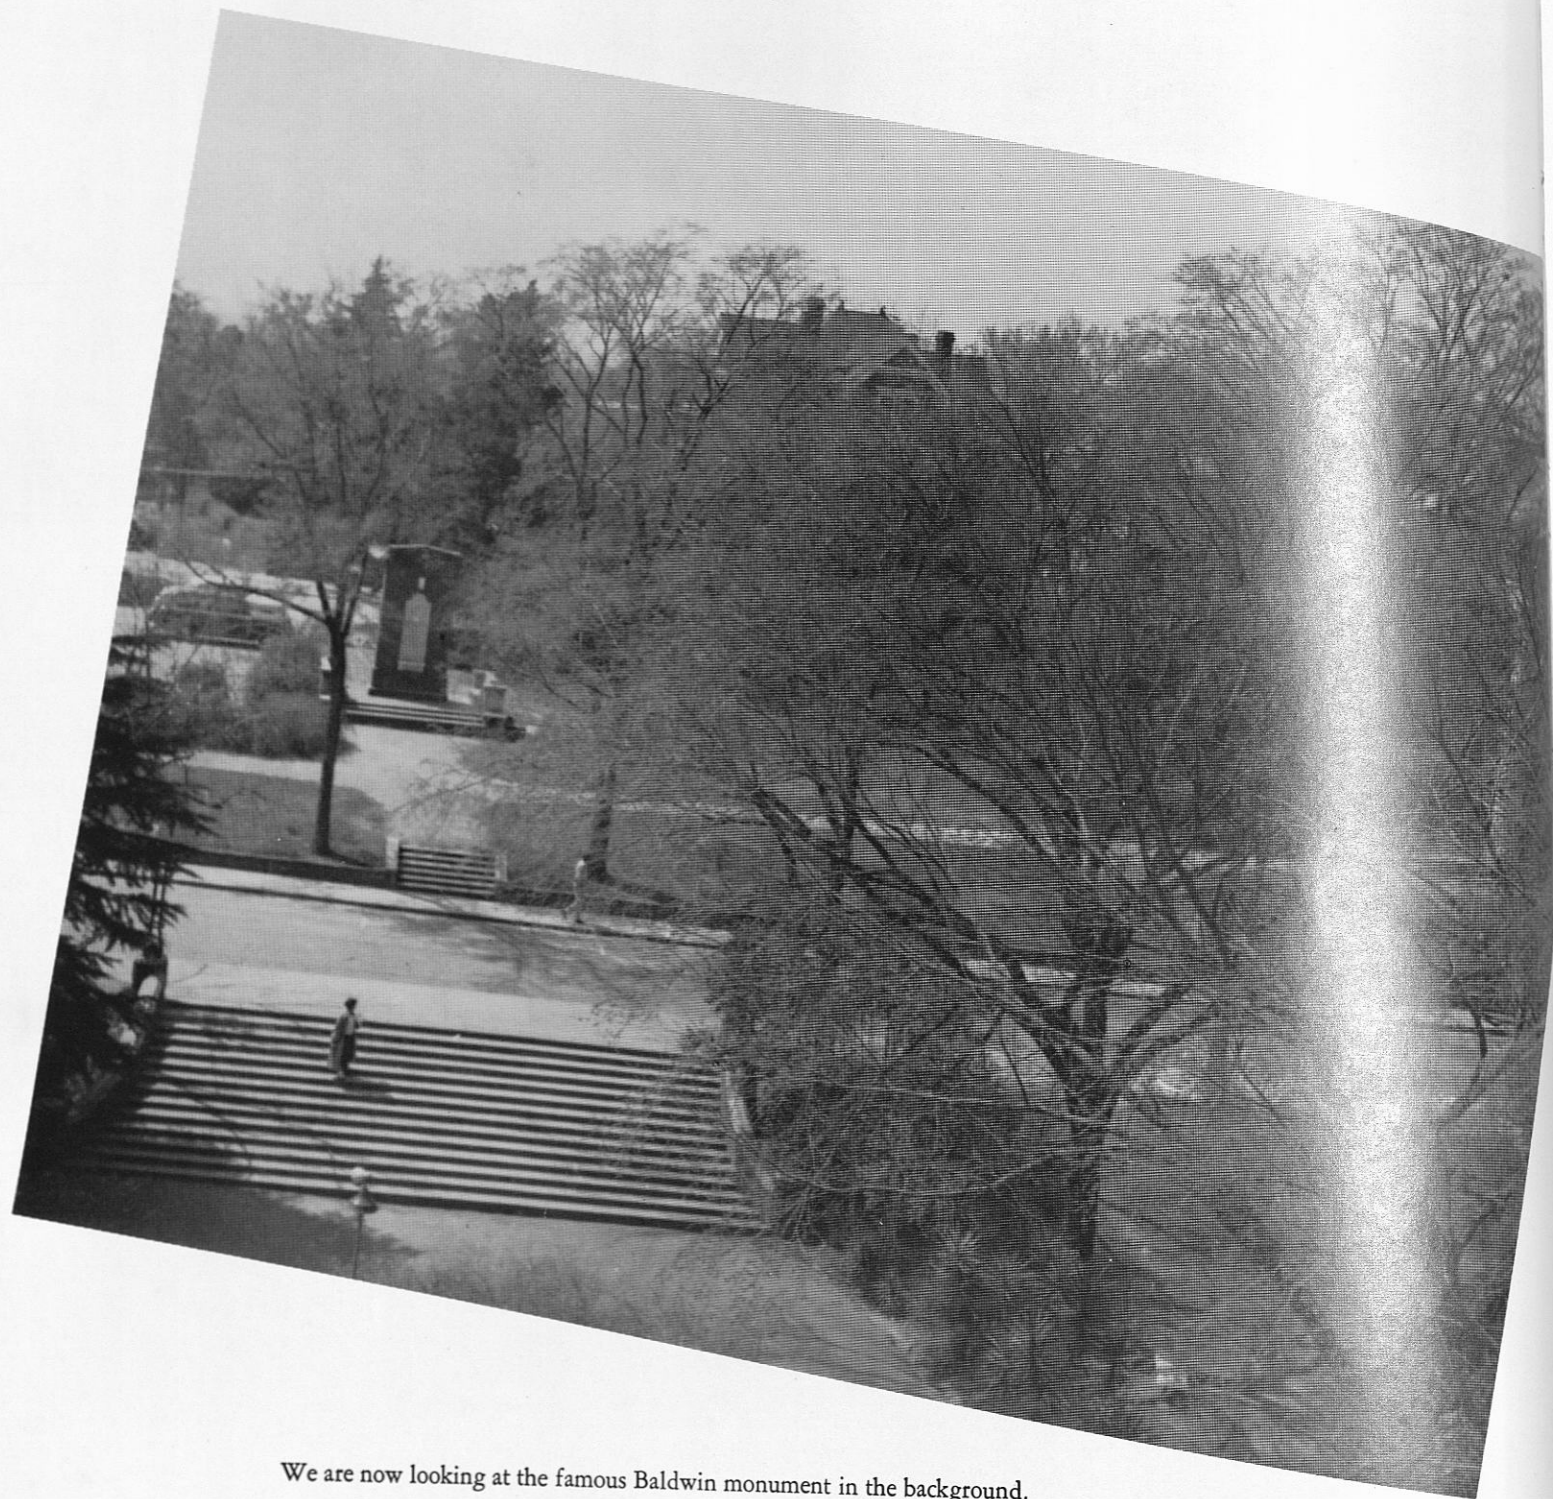

These are our homes away from home, our Emeries which serve as dormitories for men.

This building houses our "Angels of Mercy"—this is our Nurses' Home.

Now shall we get off and walk, so as to view some of our famous monuments.

We are now looking at the famous Baldwin monument in the background.

#### WE BELIEVE IN THE DIGNITY OF LABOR

"We shall prosper in proportion as we learn to dignify labor and put brains and skill into the common occupation of life."

#### WE BELIEVE IN DOING WHAT WE DO WELL

"The man who has learned to do something better than anyone else, has learned to do a common thing in an uncommon manner, is the man who has a power and influence that no adverse circumstances can take from him."

#### WE BELIEVE IN THE POWER OF EDUCATION

"Ignorance is not a cure for anything." "There is no defense or security for any of us except in the highest intelligence and development of all."

#### WE BELIEVE IN THE LIFE OF SERVICE

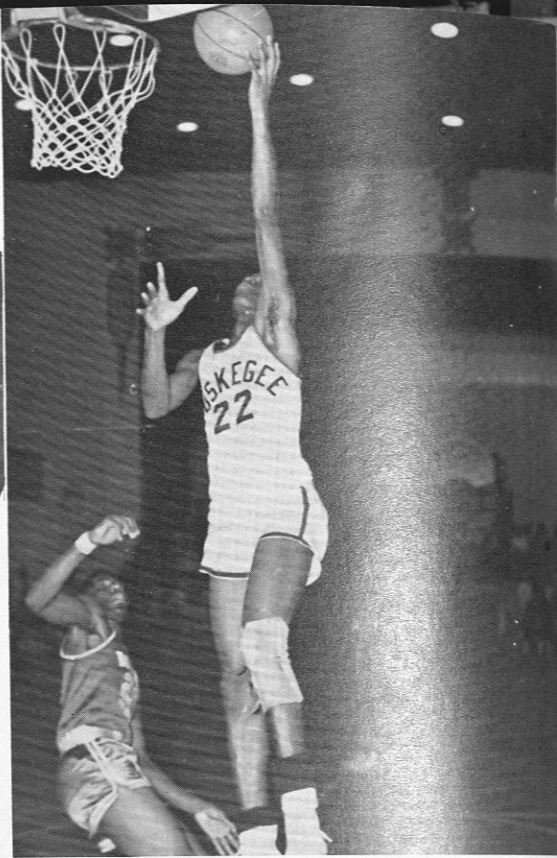

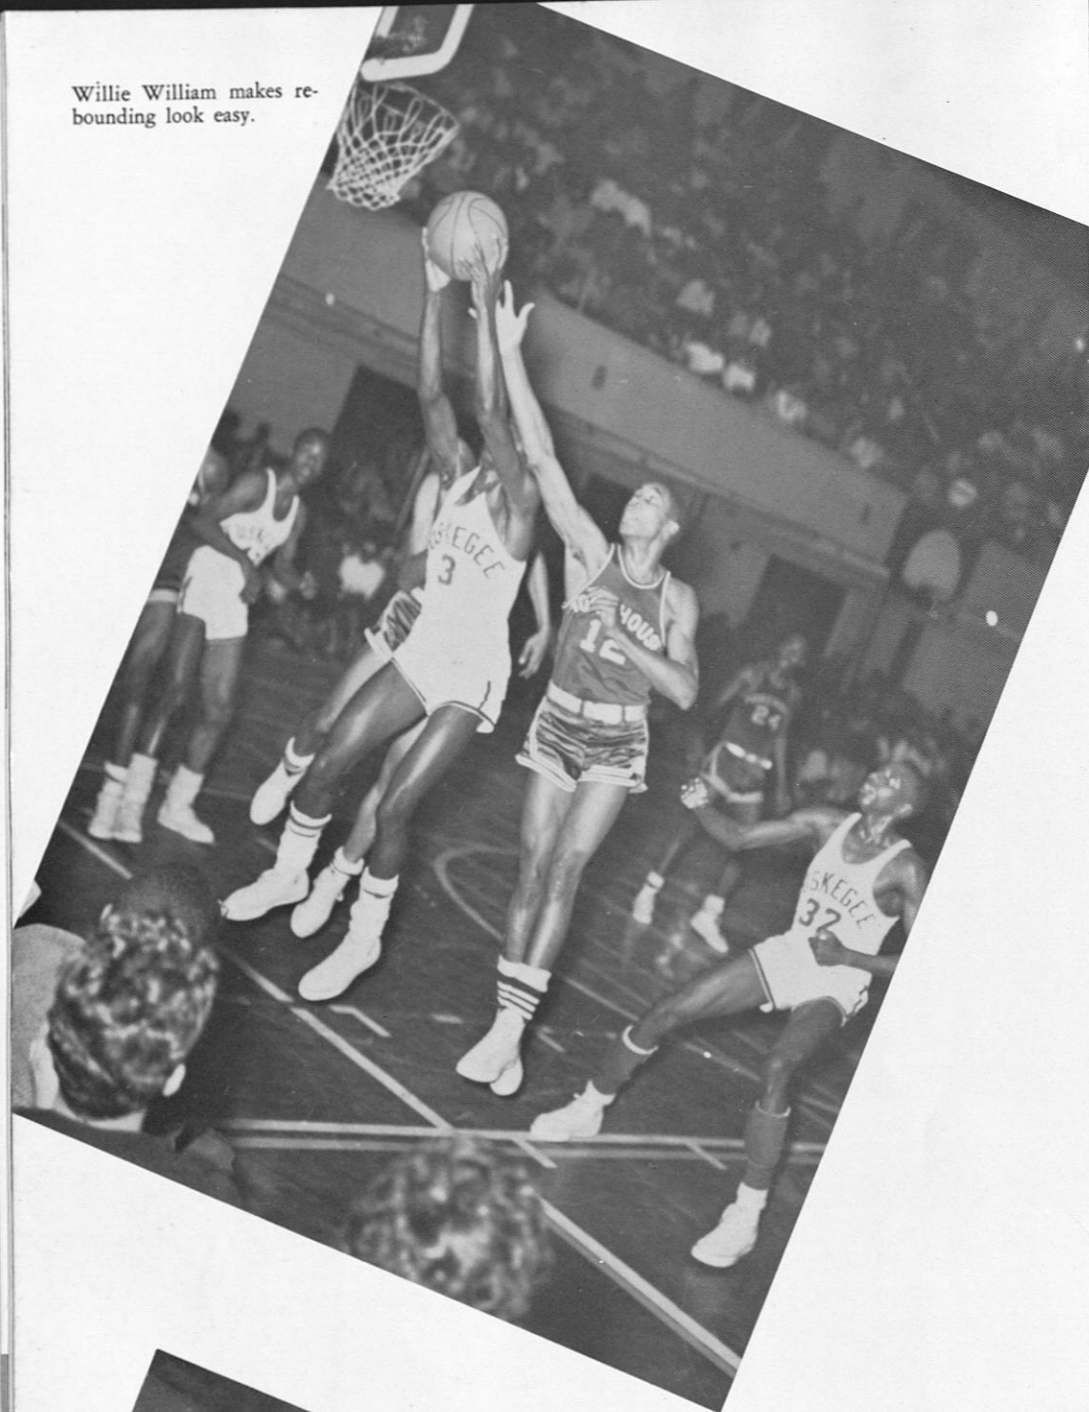

"The only thing worth living for is the lifting up of our fellowmen" . . . "The greatest thing you can learn is the lesson of brotherly love, of usefulness, and of charity."

## CHALLENGE

This nation and the world needs an ever-increasing number of young people trained in the professional and technical fields. You will need a college education to qualify.

LOGAN HALL (Gymnasium)

## OBJECTIVES

Tuskegee Institute has always stressed high scholastic achievement and sound training. Its overall program is designed to prepare students to meet the demands of a continually changing society.

## INVITATION

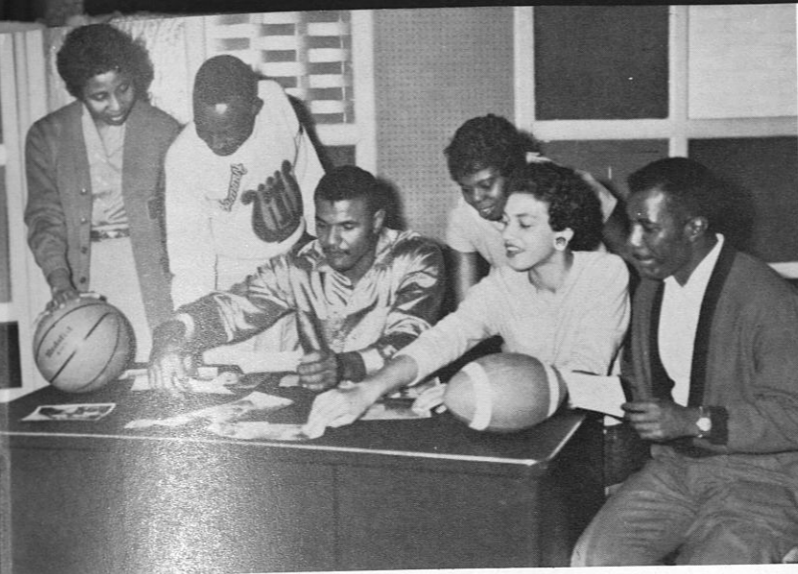

We invite you to become a member of our student body. We believe that you will enjoy campus life at this institution. Here learning may be achieved in a wholesome environment with a friendly faculty and student body.

The two head; Editor Mattie Carey and the Editor-in-Chief must agree on pictures.

The Sports Editor, H. Hollis; Activity Editor, J. Quinn; Fine Arts Editor, S. Chatman; Art Editor, V. Golden; and Johnson had to solve this one.

The Business Manager, W. Crump; Circulation Manager, J. Dillard; and Subscription Manager, with the help of L. Flemings have an assembly line.

Layouts are a headache for the Layout Editors, Willie Vincent, Barbara Holman, Edwina Moore, and Vernell Golden.

Class Editors, Ernest Harrell, Josephine Merritt, A. Gadsden, discuss matters with the Layout Editor.

# THE INTERFRATERNAL COUNCIL

The Interfraternal Council is a body composed of two representatives from each of the Greek letter organizations here on the Tuskegee Institute campus. One of the purposes of this body is to maintain better relations between the Fraternities and Sororities. This body meets monthly at which time, all the problems of each Greek organization are discussed and solved. Since the formation of this organization, it has been extremely helpful in promoting the progress of each Greek letter organization. It has been recognized and established as an appropriate medium to lend support in helping the various Fraternities and Sororities to achieve, maintain, and encourage high standards and aims.

**HISTORY**

The founder of the DELTA SIGMA THETA SORORITY visualized in 1913, at Howard University, an organization whose aims would be something more serious than "social activity." They longed to see developed a union of college women based on certain *Cardinal principles* and pledged to uphold lofty ideals. Into a bond of devotion these noble women brought together college women of like potentialities and dedicated to the same ideals and purposes. SUCH WAS THE BEGINNING OF OUR BELOVED SORORITY.

GAMMA EPSILON CHAPTER

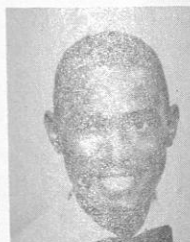

# KAPPA ALPHA PSI FRATERNITY

Gamma Epsilon Chapter of Kappa Alpha Psi Fraternity was chartered on the Tuskegee Institute campus in March, 1948.

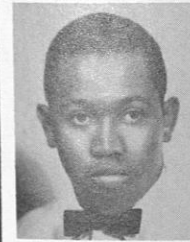

With the initiation of 19 new brothers, the Chapter now has a total of 43 members. We, with our advisor, Charles R. Ross, are striving to carry out the fundamental purpose of Kappa Alpha Psi . . . ACHIEVEMENT. The Brothers are well integrated into the various campus activities as leaders and members. The officers of the Chapter are . . . Polemarch, Willie Vincent; Vice Polemarch, William Ware; Exchequer and Keeper of Records, Raymond Alexander; Historian and Reporter, Carl Douglas; Strategus, William Shelton; Lieutenant Strategus, Benjamin Cummings; and Dean of Pledges, James O'Neil.

We are proud of the achievement of the chapter as a whole. For their outstanding achievements, two of the Brothers have been elected by students and faculty to receive such honors as: Who's Who, Robert Dabney and Curtis J. Horton; Battalion Commander, William Ware. Our Polemarch, Willie Vincent, is the *Most Estimable Senior*.

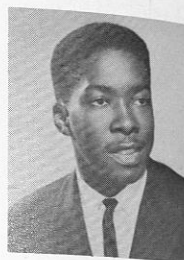

We are happy to be the host of the Southern Provincial Conclave which is to convene here on March 26, 27, and 28, 1959.

Hello, there!

Coming to the pic.

Sons of Sigma.

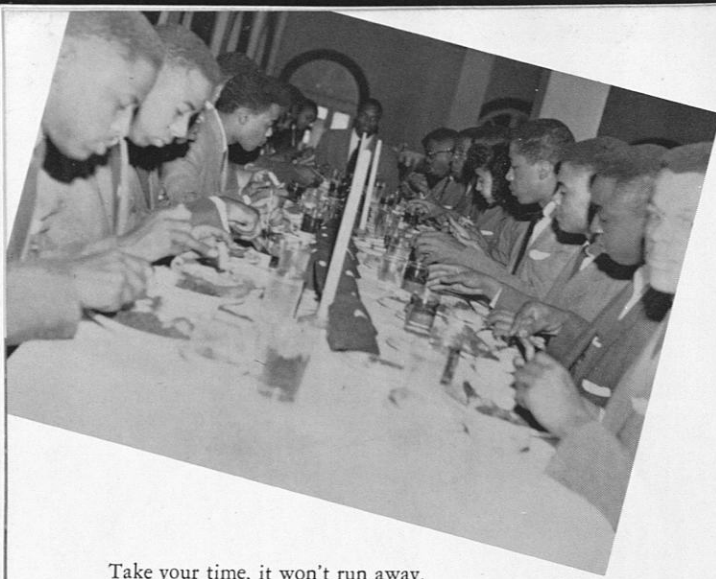

Situation normal.

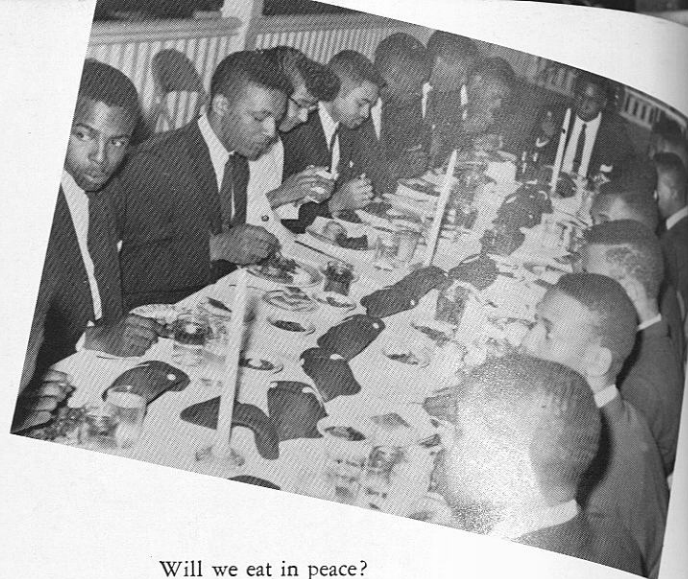

Our cause speeds on.

Will there be enough time?

Take your time, it won't run away.

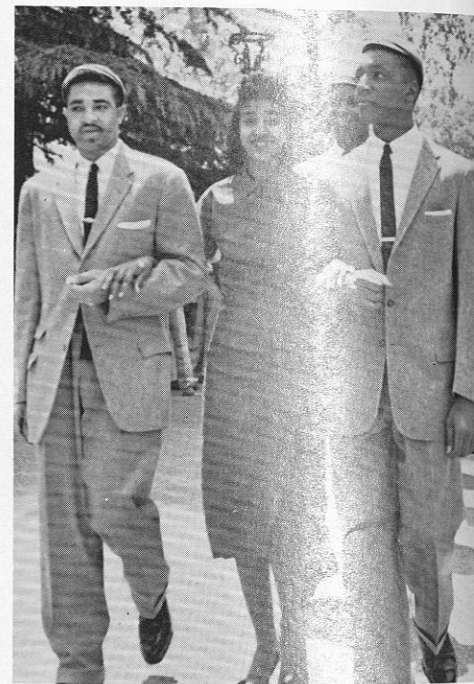

Will we eat in peace?

The Phi Beta Sigma Fraternity, Inc., was founded January 9, 1914, on the campus of Howard University, Washington, D. C., by A. Langston Taylor, Charles I. Brown, and Leonard F. Morse. Of these "Mighty Three," Leonard F. Morse is the only living founder of the Fraternity.

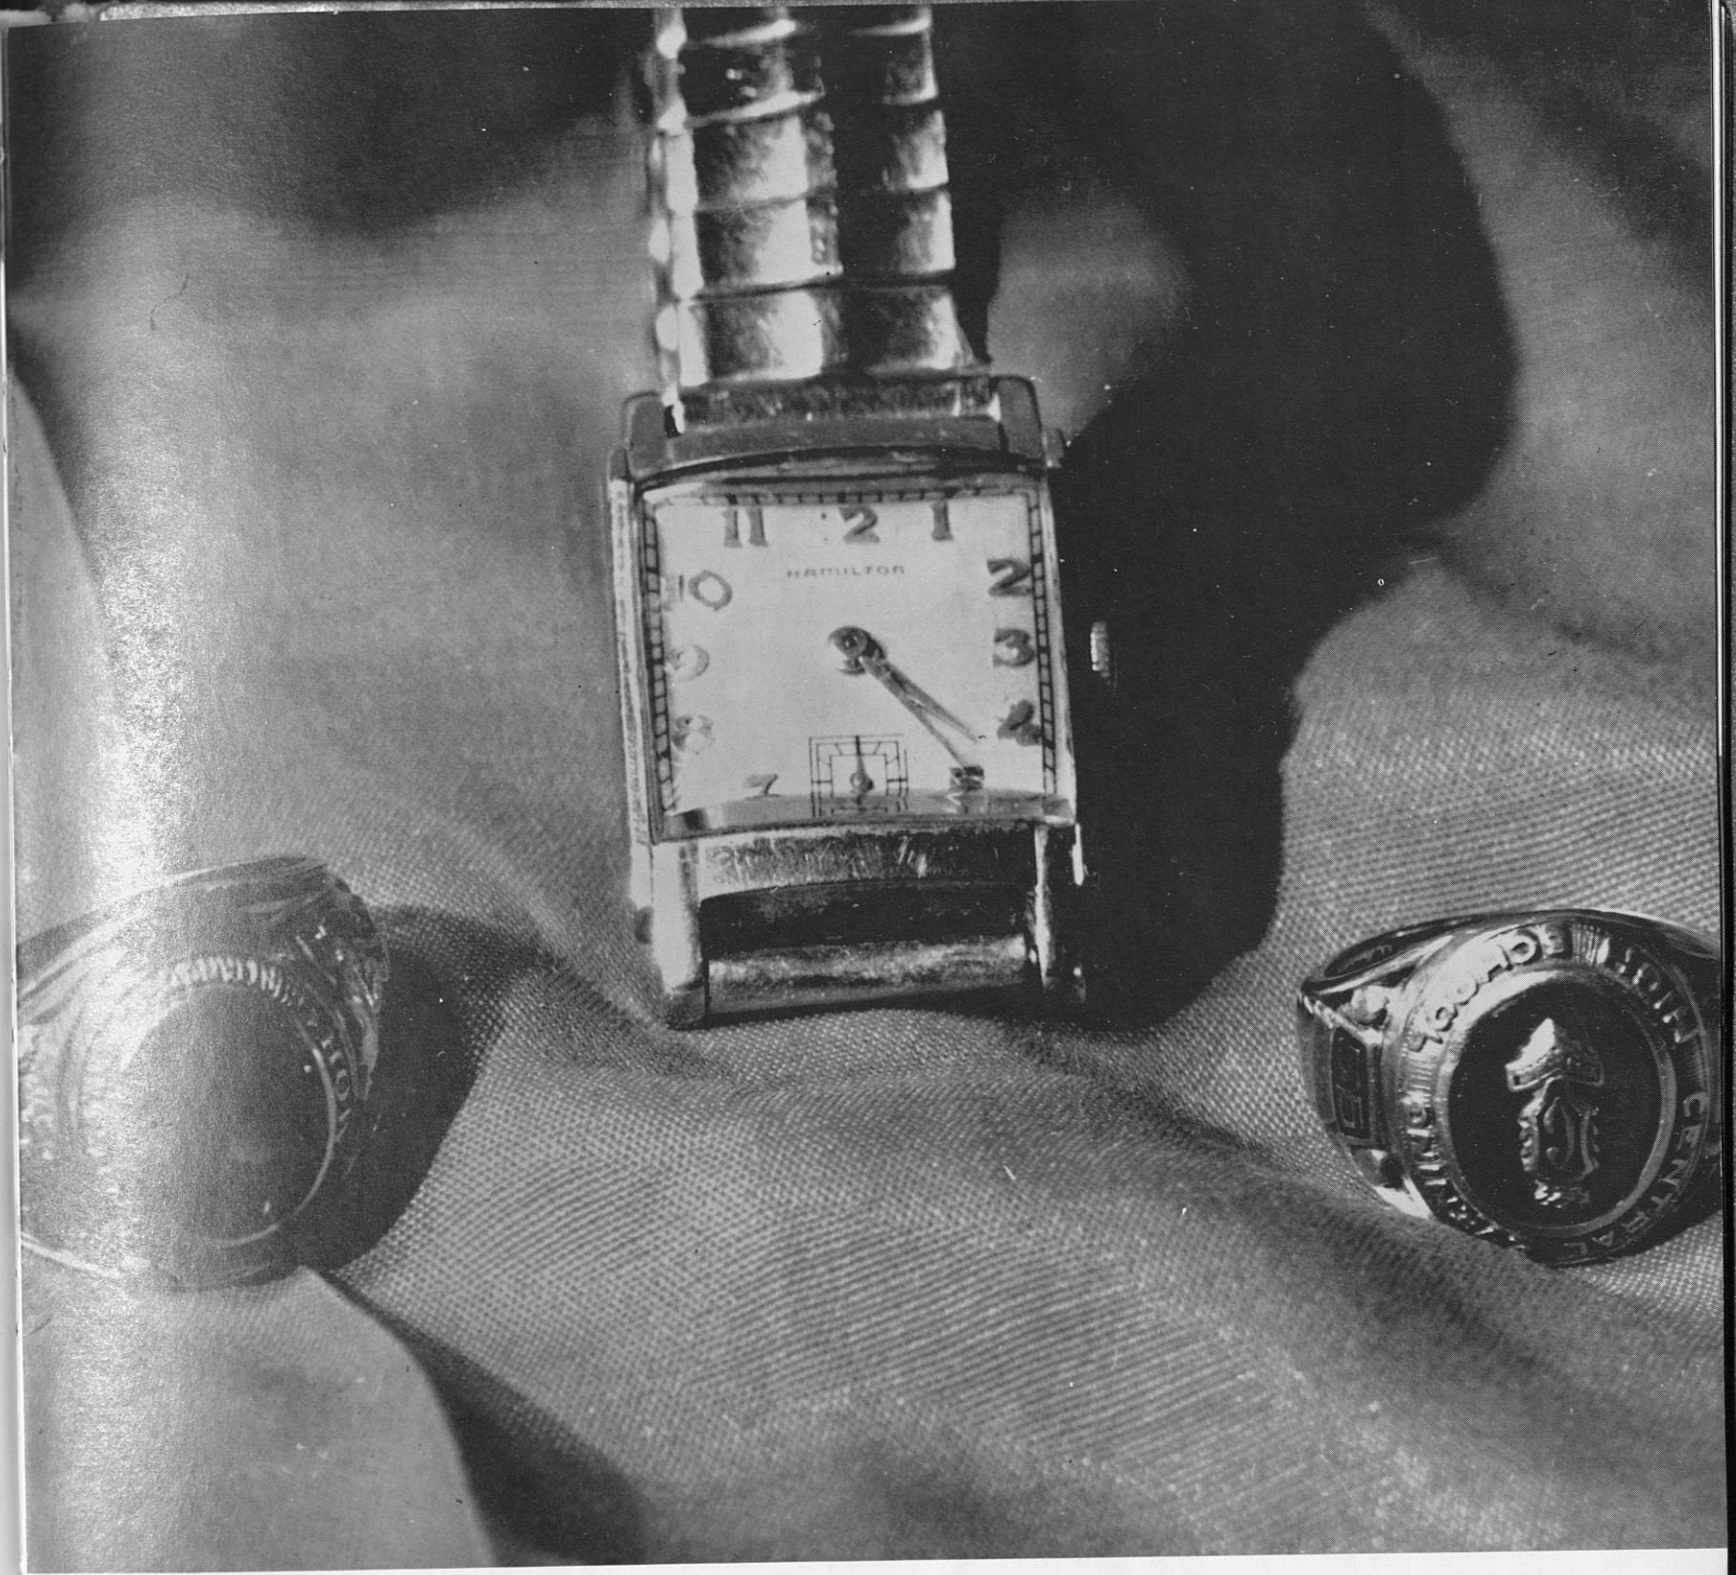

The "Three Cardinal Principles" of the Fraternity are: Brotherhood, Scholarship and Service. The principles are crystallized in Three National Programs: Bigger and Better Business, Education and Social Action.

International in scope, chapters of the Fraternity exist in Geneva, Switzerland, and Monrovia, Liberia.

Outstanding men who have crossed the hot sands of Sigma are: The Hon. William V. S. Tubman, President of Liberia; The Prime Minister of Ghana, the Hon. Kwame Nkrumah; Dr. Robert Russa Moton, The Hon. Hulan F. Jacks, President of the Manhattan Borough, City of New York, the highest elective office ever held by a member of his race in the history of the United States; Alonzo "Jake" Gaither, outstanding athletic coach; Dr. J. H. Jackson, President of the National Baptist Convention; and Chief Justice Harold Stevens of the Supreme Court bench of New York State. These are among the few men to sing of "Ideals high which soon became a part of every Phi."

"MISS TUSKEGEE" AND ATTENDANTS

Left to right: Geraldine Smith, Barbara Flowers, Shirley Baltimore.

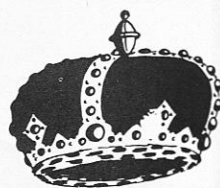

"MISS TUSKEGEE" 1958-59

Miss Barbara Flowers, a senior from Montgomery, Alabama, was elected by her fellow students to reign as "Miss Tuskegee" for the school year 1958-59. "Miss Tuskegee" is chosen on the basis of intelligence, wise judgment, and scholarship. Barbara possesses all of these qualities. She is a personality with her fellow co-eds, and is also recognized by them as a good representative who is able to speak fluently, meet and entertain people.

A Home Economics major, Barbara is a member of the Jennie B. Moton Home Economics Club and Newman Club. Of both the organizations she is President. She is also a member of the Majorette Squad, the Usherettes and is also listed in Who's Who among Students in American Colleges and Universities.

Miss Flowers is the daughter of Mr. James W. Flowers and Mrs. Mozelle P. Flowers.

"Miss Tuskegee's" attendants are: Miss Geraldine Smith (left), a senior in the school of Home Economics. Miss Smith is from Stephens, Arkansas. Miss Shirley Baltimore (right) is a senior in Home Economics. Miss Baltimore is from Front Royal, Virginia.

## WE POINT WITH PRIDE

TO MR. CHARLES V. HAMILTON

For your awaking in us our civic responsibilities and worth as citizens of these United States.

In these trying times of ours, when there is so much struggle and strife, you are as welcome as a gentle rain on a hot summer day. As an instructor you have handled your classes with the respect and dignity of a Pestalozzi, and your contributions to your classes have given your past and present students a challenge for their life endeavors which inevitably affect the world at large.

These students are preparing for a teaching career. Practice work provided by . . .

. . . and Tuskegee Institute High provides many examples of what the future holds in store.

. . . the Russell Nursery School . . .

## TEACHING

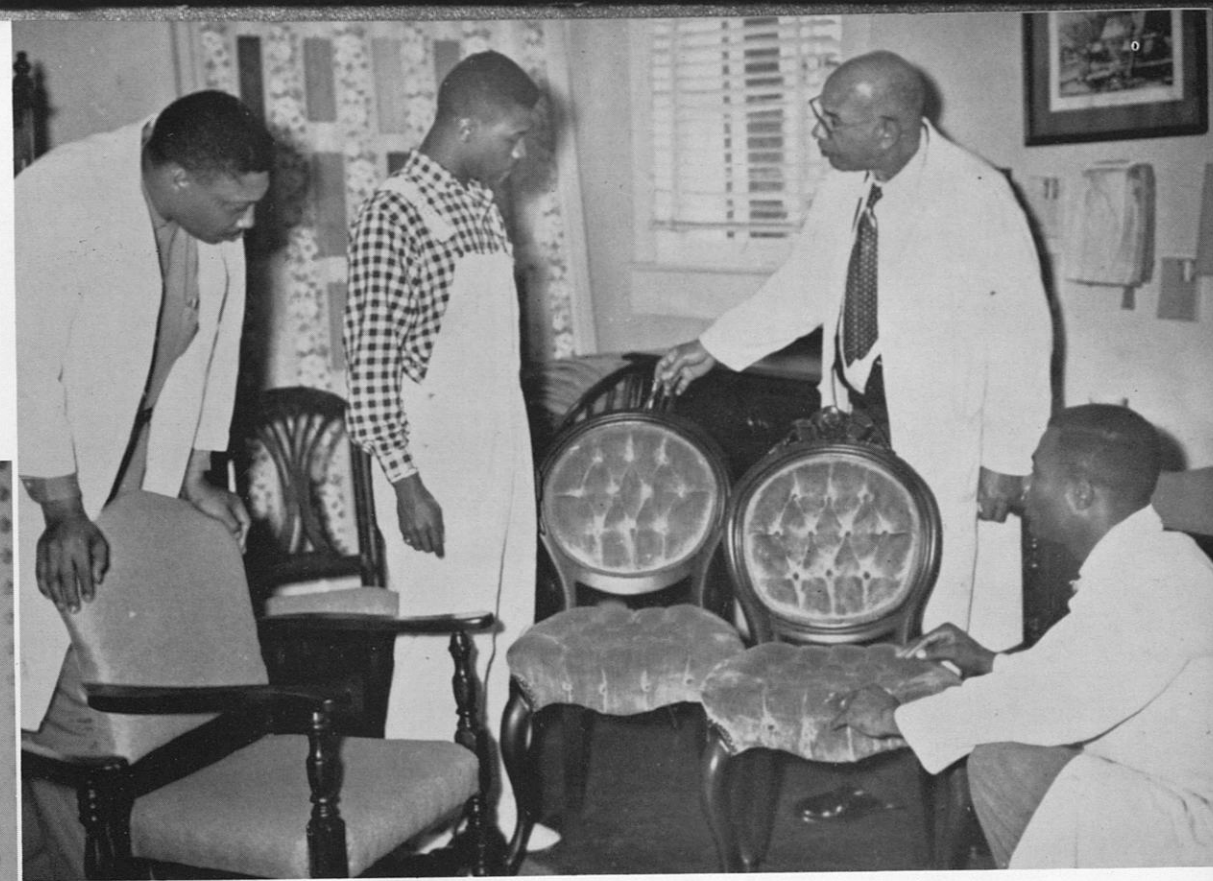

For many women, there's no field like Home Economics in all its phases. Shirley Young (right) plans to begin her career as an Extension Service Agent for Alabama, in 1959-60.

# HOME ECONOMICS

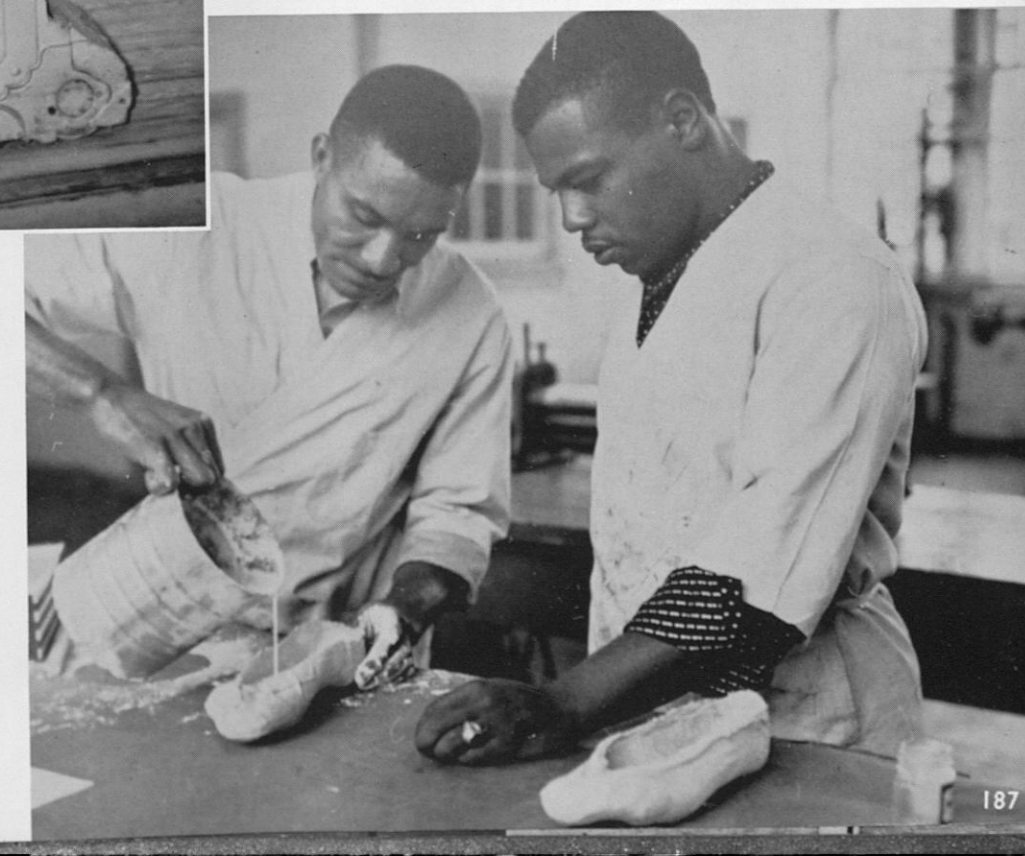

A solid background in Interior Designing is the goal of these students. Experiences provided at Tuskegee Institute will result in that background.

# MECHANICAL INDUSTRIES

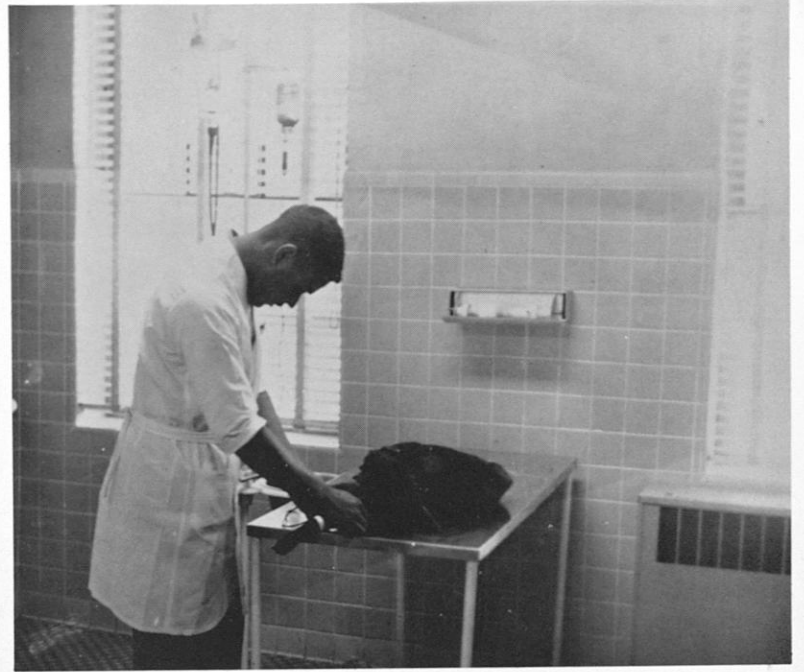

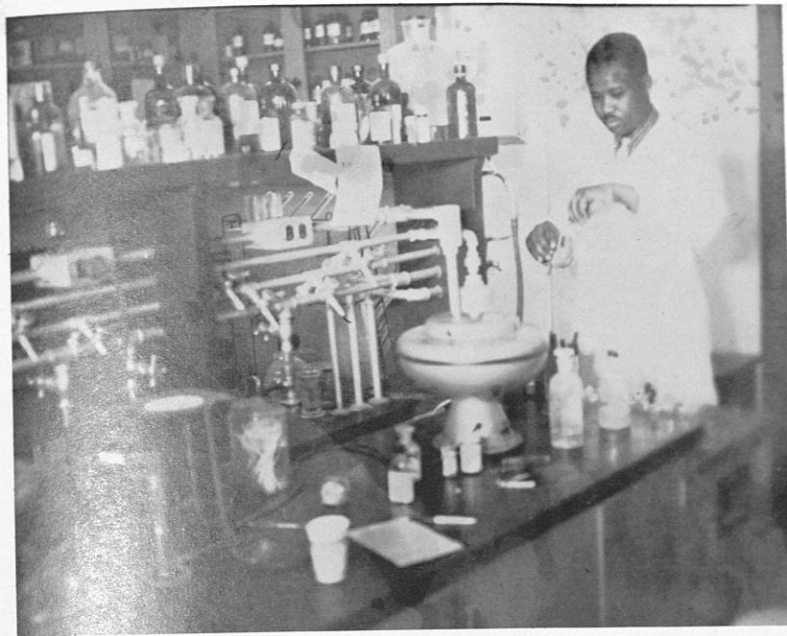

The art of shoe repairing and other phases of orthopedics are learned by Industrial Education students. Each pursuing his own special interest sees brighter days growing out of every learning experience.

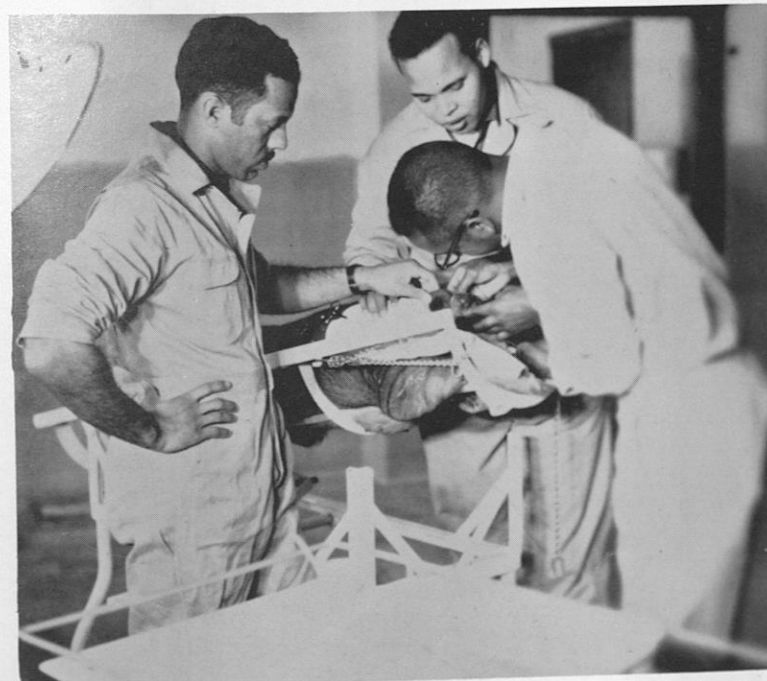

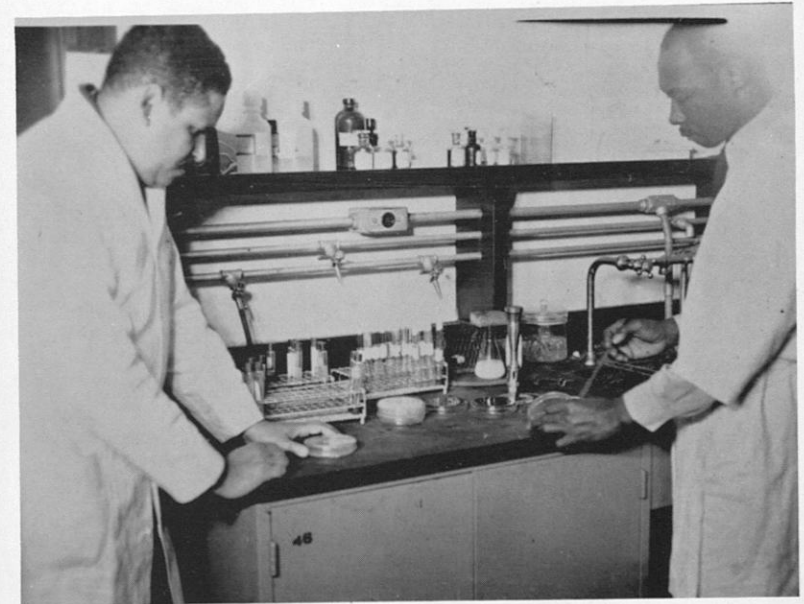

## NURSING

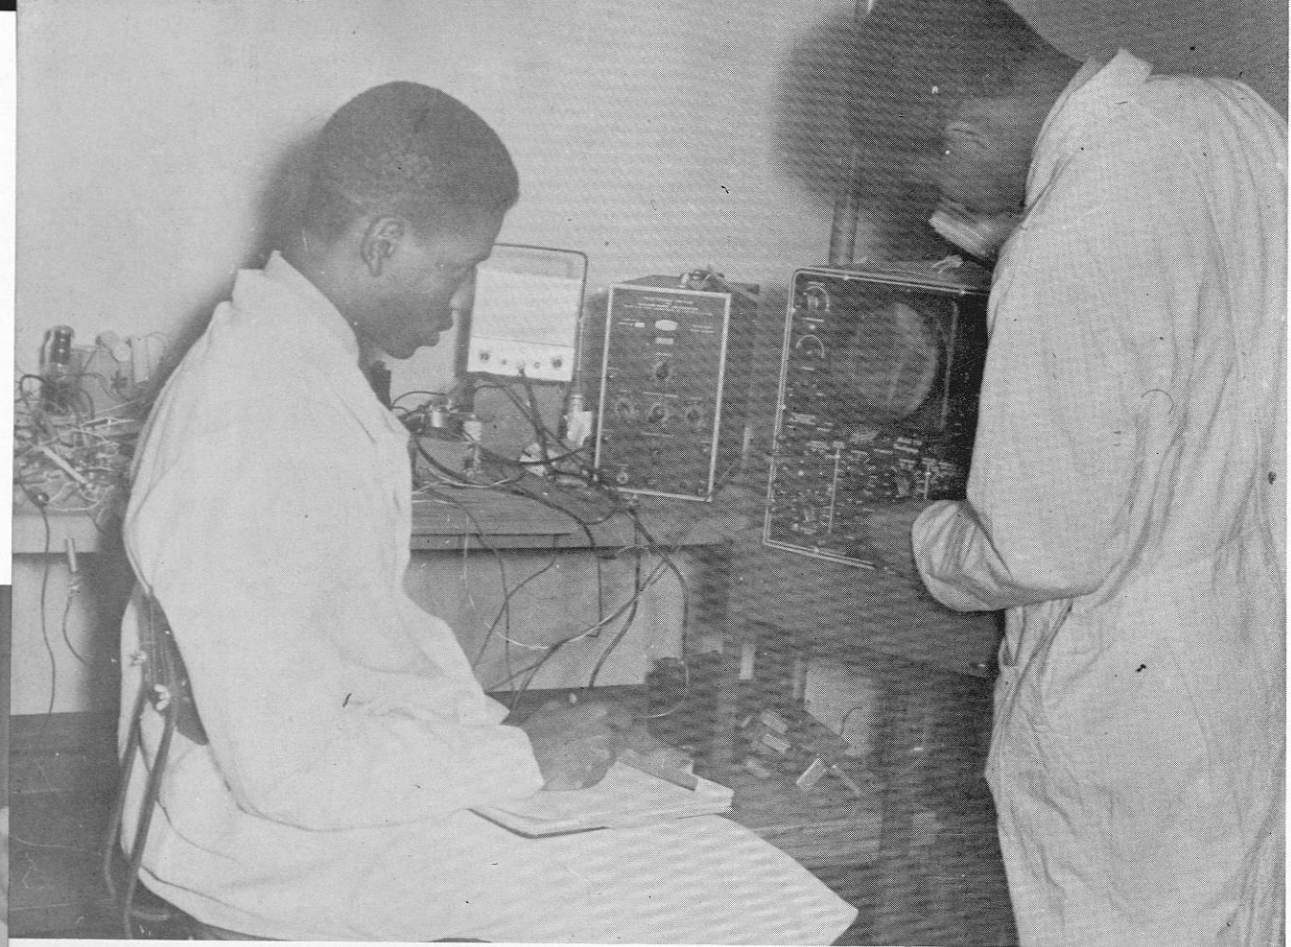

Nursing for Euradell Broussard (left) was decided long ago. The training and practice afforded by Tuskegee Institute sends her on her way well prepared for the future.

## VETERINARY MEDICINE

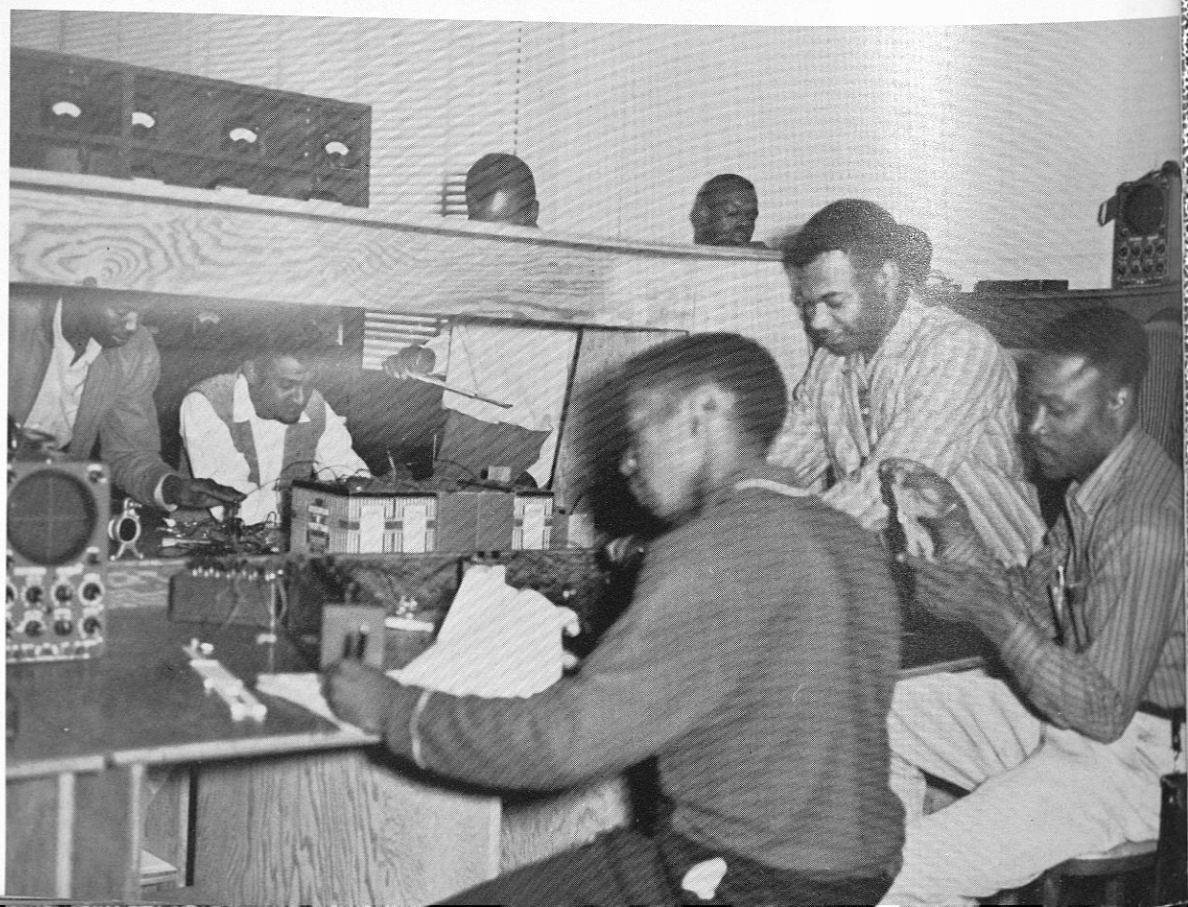

Students in the School of Veterinary Medicine at Tuskegee Institute prepare for the honorable career of D.V.M. Their clinician practice is that which they enjoy most.

Electrical Engineering was the only field for Manual Cobb. The years of diligent study mingled with fun of college spell professional success in the future.

## ACKNOWLEDGEMENT

A room filled with paper clippings- pictures-work- sleepless nights- frantic days- towers of layouts- unanswerable questions- the chaos at deadline time- an intense love for an annual- is all here in your '59 Tuskeana. Through our theme, layouts, cover, and designs, we have tried to keep your memorable days at Tuskegee parallel with the modern trend of today.

To the students- the staff is deeply indebted for your participation, cooperation, and contribution through materials and ideas.

To the seniors- a job is completed. The staff has exhibited evidence of a job well done. We hope this book will forever live with you.

To the staff- I extend my deepest appreciation. I will forever be grateful for your contribution toward making this a successful yearbook.

Special acknowledgement is made to those members of the staff who have worked so tirelessly and diligently to make this publication a reality.

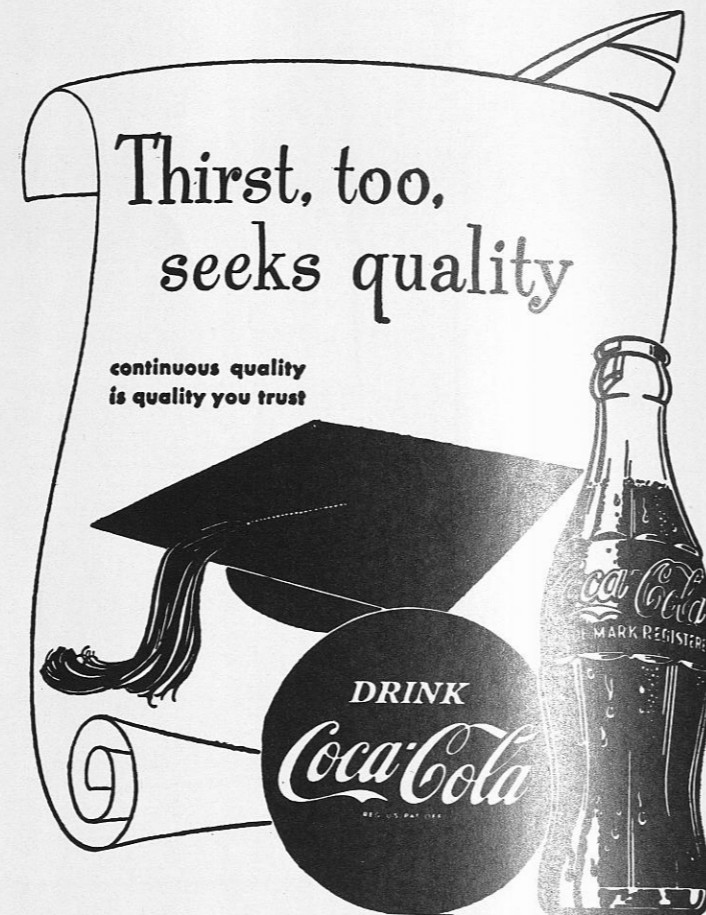

The 1959 Tuskeana is completely new from cover to cover. May it open new avenues for the future Tuskeanas and be long remembered for years to come.

Sincerely yours,  
*Robert E. Jones*
