Don't Blink, We've Only Just Begun

The tradition continues. Tuskegee University, blasting into a new decade, continues to promote superior scholastics, excellent leadership and maintains its status as a prototype for institutions of higher learning worldwide. Tuskegee University is feeding this world with our doctors, lawyers, teachers and engineers of tomorrow. Locked within each Tuskegee student is the ability to be successful and proud black men and women of our society. TUSKEGEE IS THE KEY!

Student

Life

Muriel and her friend are enjoying a pleasant conversation.

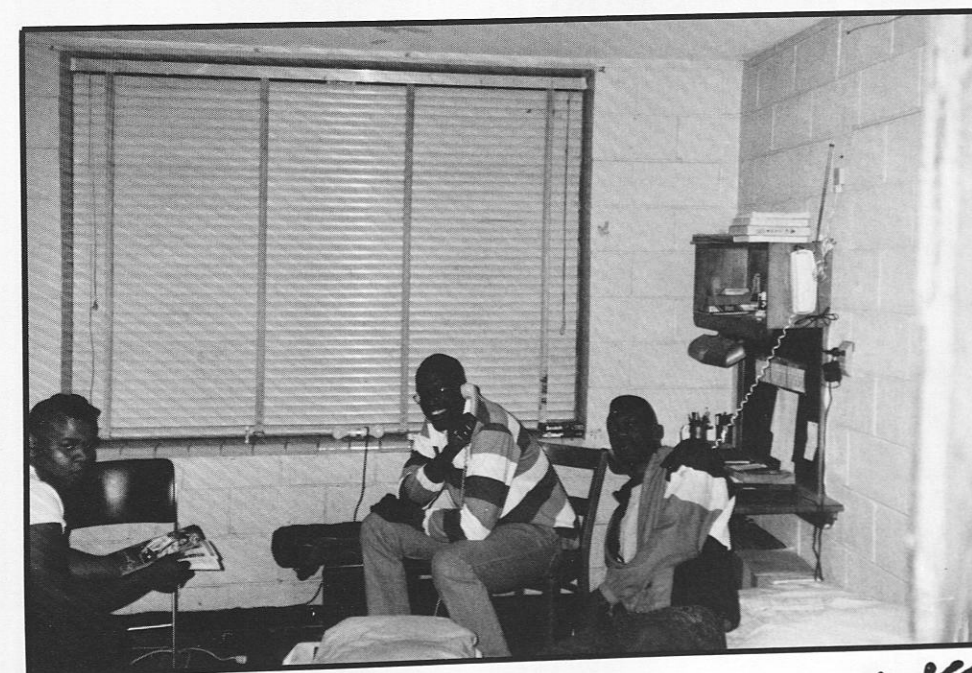

Meeting new friends is an important aspect of living in the dormitories.

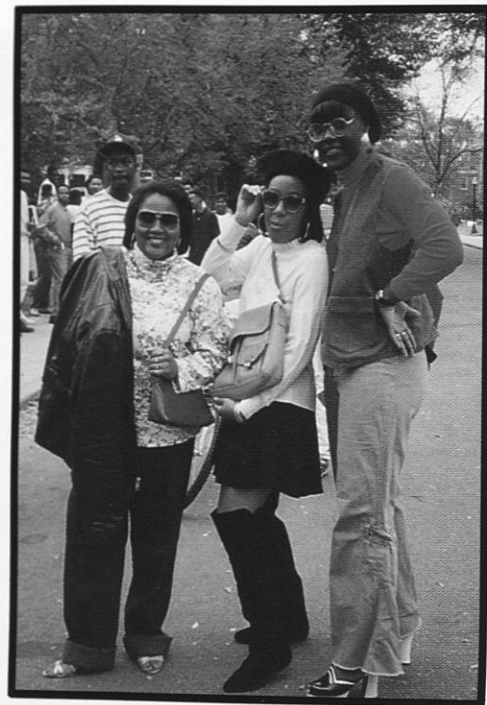

Dorm Life

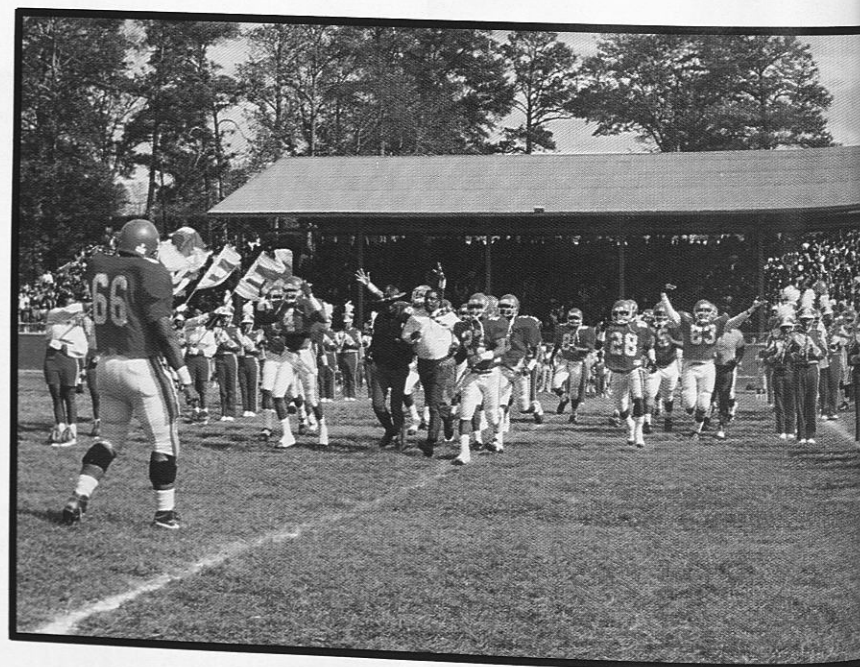

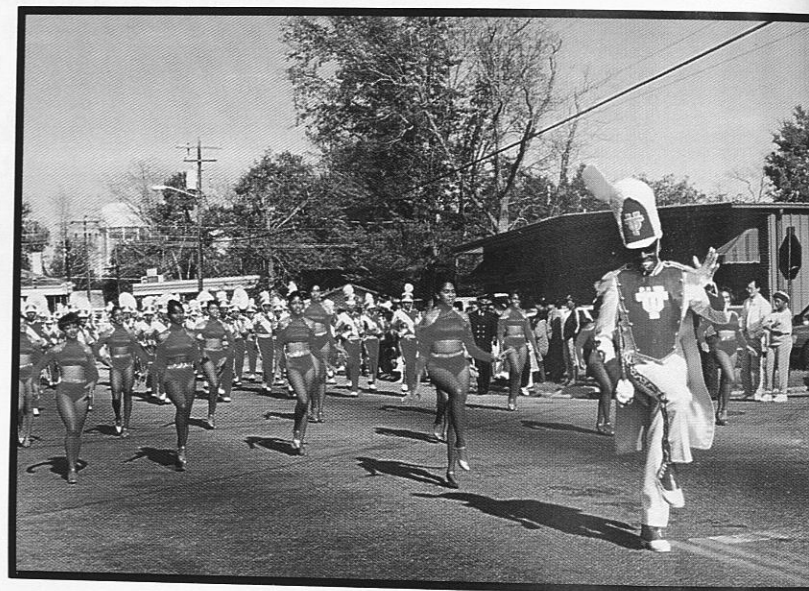

Dormitory living for some students is torture. For others it is an experience of a lifetime and that experience wouldn't be traded for anything in the world. We must focus on the positive aspects of living on campus rather than the negative. Living in the dormitories teaches us how to deal with different personalities and at the same time it allows you to form special relationships with other occupants. Living in the dorm is not easy but it can be a lot of fun.

Homecoming 1991

70's day

Here they come!!!

Tuskegee's Finest

Homecoming . . . a time of fond memories, smiling faces and good times. Homecoming 1991 was no exception. This year's homecoming will be long remembered because of all the excitement that filled our hearts. Tuskegee has not won a homecoming game in the past three years. However, that trend was put to rest this year when Tuskegee University beat Fort Valley State College by a score of 39-22. Congratulations Golden Tigers. Keep the winning streak alive in '92.

International students show their style, culture and creativity.

Watch our mascot strut his stuff.

Miss Tuskegee University 1991-1992

Dear Fellow Classmates,

My reign as Miss Tuskegee University 1991-92 has been self-fulfilling, exciting, and a complete joy. I feel honored that you, the student body, trusted me to hold this prestigious title. My wish is that I did not let you down. Thank you for believing in and supporting me throughout the year. My reign would not have been a success without you.

My time at Tuskegee has expired, however, the memories of my reign as Miss Tuskegee as well as the friends I have acquired and the joys and struggles I have encountered will be kept close to my heart now and forever. To the next Miss Tuskegee University, I wish you all the luck in the world and I hope your reign will be as beautiful as mine.

Sincerely,

Veronica Lawson

STUDENT UNION (A New Beginning)

Finally!!!! After the longest wait of our lives, it seems, the newly remodeled student union opens for business. During remodeling, the student union was set up in John Andrews. Because of its location, many, many students did not partake of its activities. But, now the student union is the most popular meeting place on campus. It has a huge pool room, video games, a humungous ball-room, a snack bar and eating area, an auditorium, study rooms and many conference rooms. For our listening enjoyment, there is even a D.J.

We can finally enjoy each other's company in a comfortable environment.

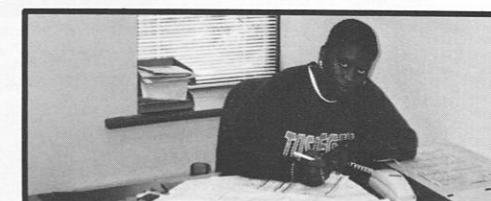

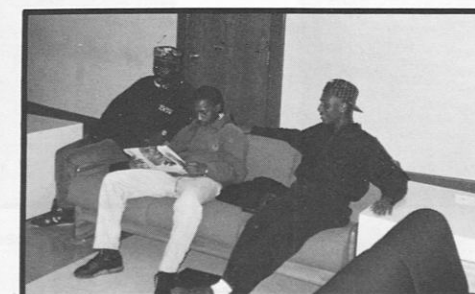

Playing pool is one of many forms of recreation.

Spaids has been a favorite of Tuskegee students for many years.

Lots of students spend time between classes watching the big screen TV.

Tammy works hard at fulfilling her duties as Student Coordinator.

Introducing the Men of Distinction — Alpha Phi Alpha.

Mike really knows how to strike a pose.

Meeting new friends is an important aspect of our educational process.

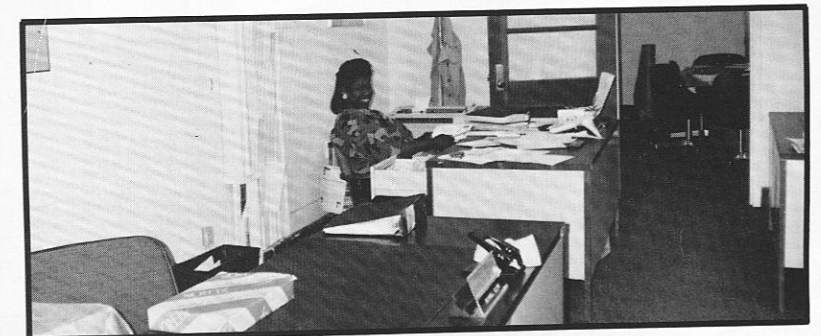

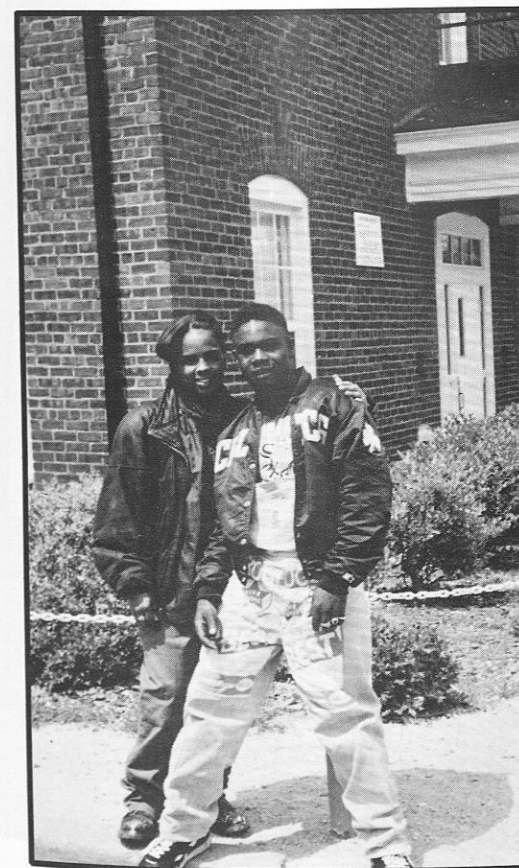

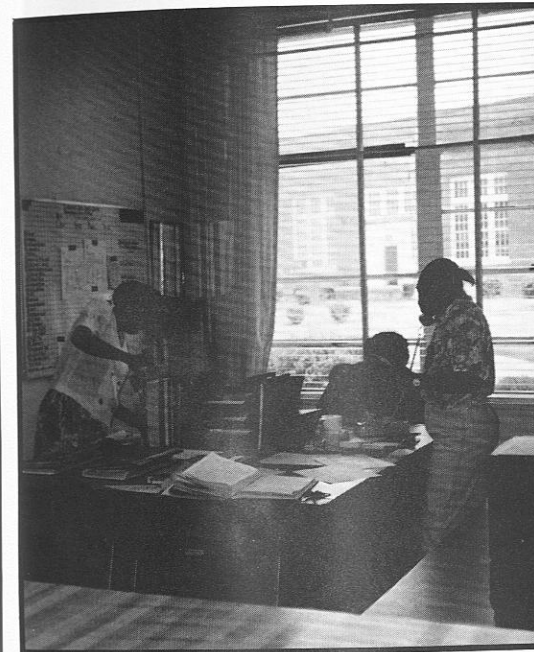

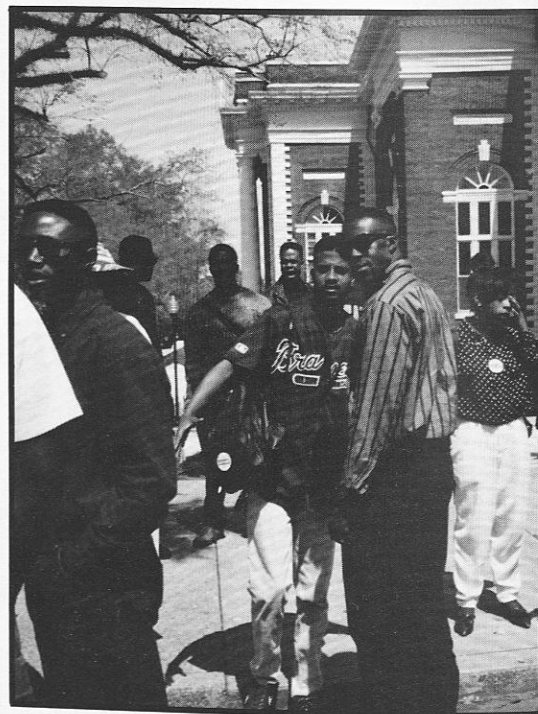

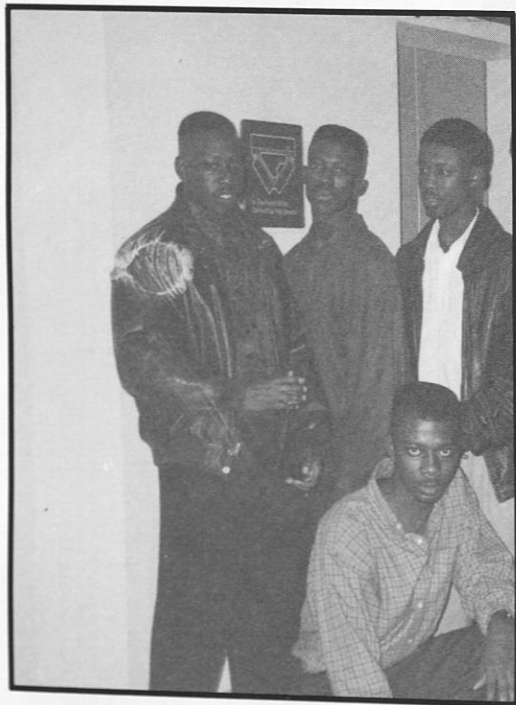

Alpha Phi Alpha Fraternity, Inc. is our African American Heritage.

Celebrating Our African American Heritage

Tuskegee University students exhibit a celebration of our African American Heritage on a daily basis. We conduct workshops, seminars, speakers, concerts, etc. that enable us as young black Americans understand and appreciate our heritage. We all look forward to graduating from Tuskegee and giving back to our Black communities our time, energy, and financial support. However, during all of this giving back to the communities, we will not forget our Alma Mater which we are so proud of. It teaches us the meaning of brotherhood and sisterhood that helps us be the best we can be.

Dedication

The 1991-92 Tuskeana is dedicated to The Educated Black Male. In this day and time with statistics showing a very high percentage of black men in prison and on the streets compared to the low percentage of black men in the classrooms continuing their education, we feel that the time has come to commend our African American brothers for their strength, courage and quest to conquer the odds. It is so very easy to stray and endurance is the key. The all too familiar phrase, the distinction of the black male, will be distinct itself as long as we have brothers, like those here at Tuskegee, to defeat that myth and rise above all others.

The Tuskegee Job Corps Center, which was established June 1, 1980, is operated by Tuskegee University under contract with the United States Department of Labor. It offers vocational, educational and community life training to youths from the 8 southeastern states — Alabama, Georgia, Florida, Kentucky, Mississippi, North Carolina, South Carolina and Tennessee.

OMEGA PSI PHI FRATERNITY WAS FOUNDED IN WASHINGTON D.C. AT HOWARD UNIVERSITY IN NOVEMBER OF 1911. IT WAS INCORPORATED IN OCTOBER OF 1914. THE FOUR YOUNG FOUNDERS BELIEVED THAT ALL YOUNG MEN SHOULD STRIVE FOR MANHOOD THROUGH SCHOLARSHIP, PERSERVERENCE AND UPLIFT. IT THEN AND NOW SERVES AS A MEANS FOR BLACK MEN TO SHARE THEIR THOUGHTS AND AMBITIONS WITH EACH OTHER WHILE PROVIDING A HIGH MARK OF EXCELLENCE THAT OTHERS COULD ASPIRE TO REACH.

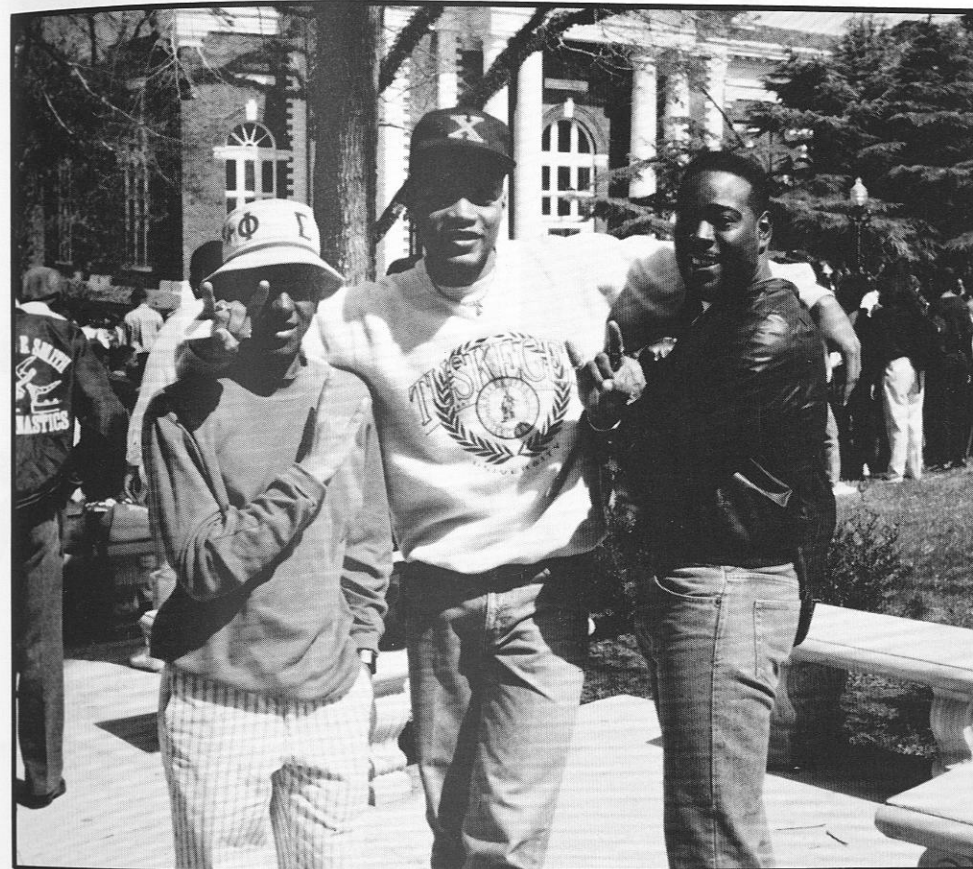

PHI BETA SIGMA ΦΒΣ

Beta Kappa

On Saturday, October 8, 1913, the honorable A. Langston Taylor presented to fellow classmate, the honorable Leonard F. Morse with a proposition of starting a new fraternity at Howard University. The board of Deans at Howard University recognized the new fraternity on April 15, 1914. Beta Kappa Chapter was started on Tuskegee University's campus in 1948. From its inception, Phi Beta Sigma has embraced the principles of Brotherhood, Scholarship, and Service, which are expressed in the fraternity's motto, "Culture for Service and Service for Humanity".

Theta Beta Chapter

Zeta Phi Beta Sorority, Inc. was founded on January 16, 1920 on the campus of Howard University by five co-eds. These women dared to depart from the traditional coalitions for black women and sought to establish a new organization predicated on the precepts of scholarship, sisterhood, and finerwomanhood. Theta Beta Chapter of Tuskegee University these same basic characteristics. Not only has the chapter demonstrated strong sisterhood qualities, but also strength and service to the community.

Clubs

And

Organizations

Founded on January 15, 1970 on the campus of Howard University, the organization was created to provide a forum for the expression of the Black experience and to provide a means for the development of the Black community. The organization is open to all Black students and faculty and is a part of the Black Student Union.

The Beta Chapter of the organization is a part of the Black Student Union and is a part of the Black community. The organization is open to all Black students and faculty and is a part of the Black community.

Crimson Piper Band

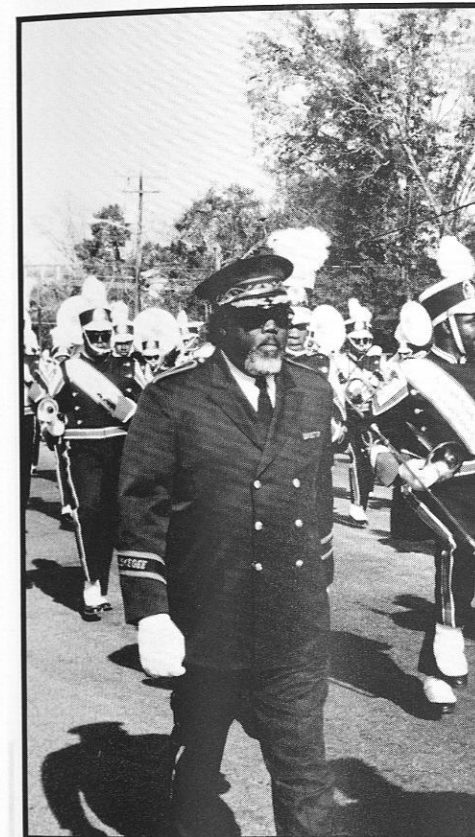

The Piperettes show skill, elegance and creativity in all routines.

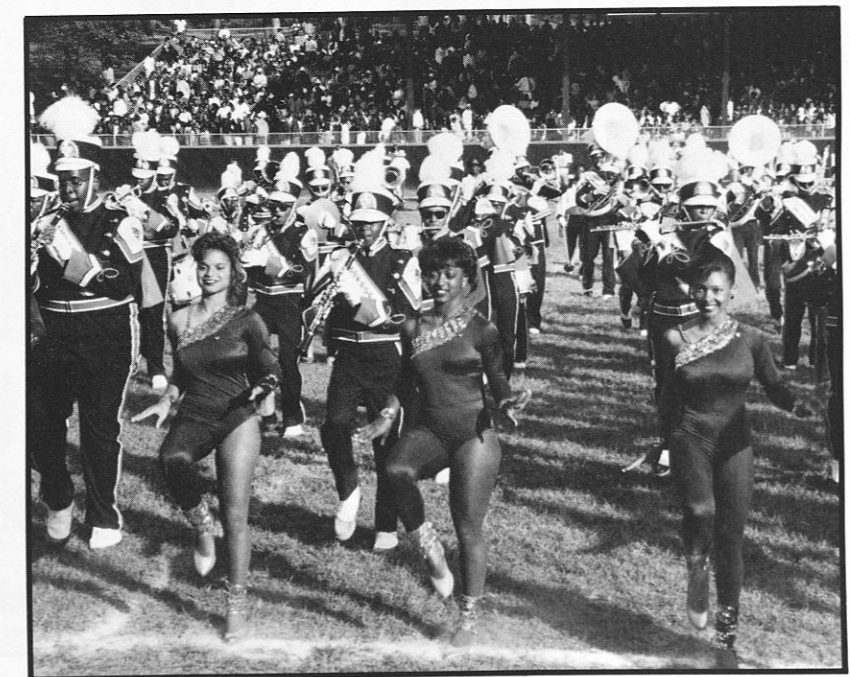

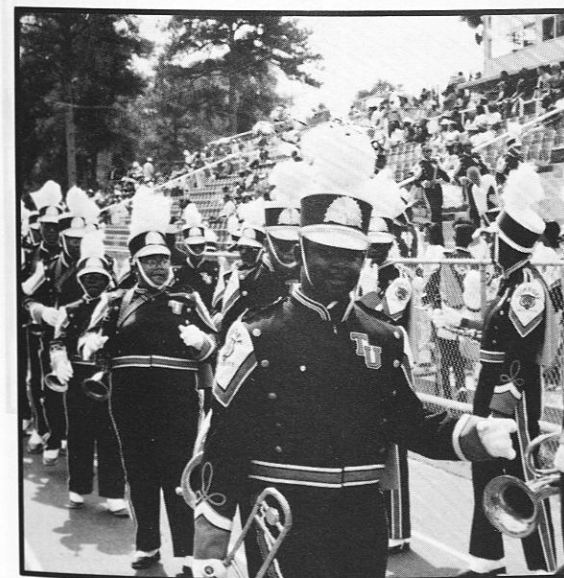

The Crimson Piper Band marches their way into the hearts of Tuskegee Fans every game. Their style and character makes them a cut above the rest. Long hours of practice and hard work daily, results in the A+ performances presented to us each game day.

It doesn't get any better.

Mr. Duncan — Director

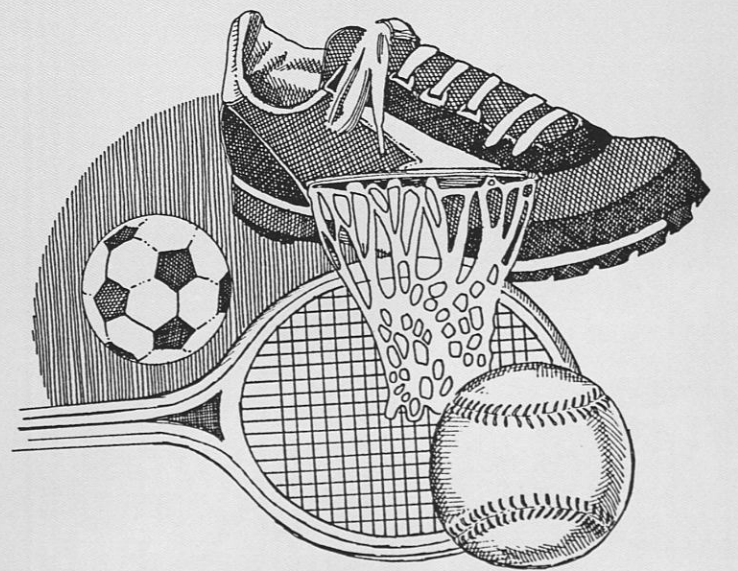

Huntington Memorial Hall

An old blues song begins with the words "everything must change, nothing stays the same." This year the entire Tuskegee family came face to face with a tragic change that no one was prepared for. On the morning of the first day of classes the entire school was awoken by the smell of smoke and eventually through the day, the blaze of fire. One of our most important, treasured, historical buildings on campus, Huntington Hall, burned as the students, faculty and even the community watched with amazement. Huntington Memorial Hall held memories for many generations of Tuskegees and its loss was like losing a piece of Skegee. We look forward to its recovery.

Athletics

Golden Tiger Football

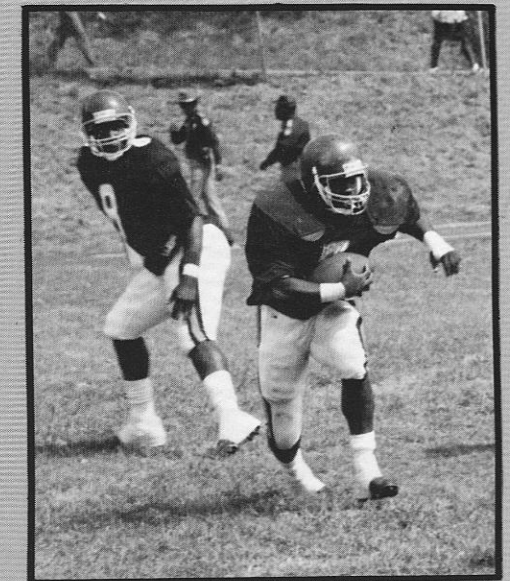

Trainers are people, too.

The 1991 football season began with much promise after the Golden Tigers finished the 1990 season with an 8-0-3 overall record and a 6-1 record in the SIAC. The Golden Tigers had 16 starters returning and two members of the team were pre-season All-American selections. Although the Golden Tigers had a very good year, by most teams standards, the season never materialized the way most people expected. Three consecutive early season losses had many of the Tiger followers wondering what was wrong. Fortunately, after a 2-point loss to Morris Brown the Tigers rebounded to go to outscore opponents 295-121 enroute to finish the remaining games with a 6-1 record. Congratulations on a very good year and being the 2nd winningest NCAA Division II football team in the nation.

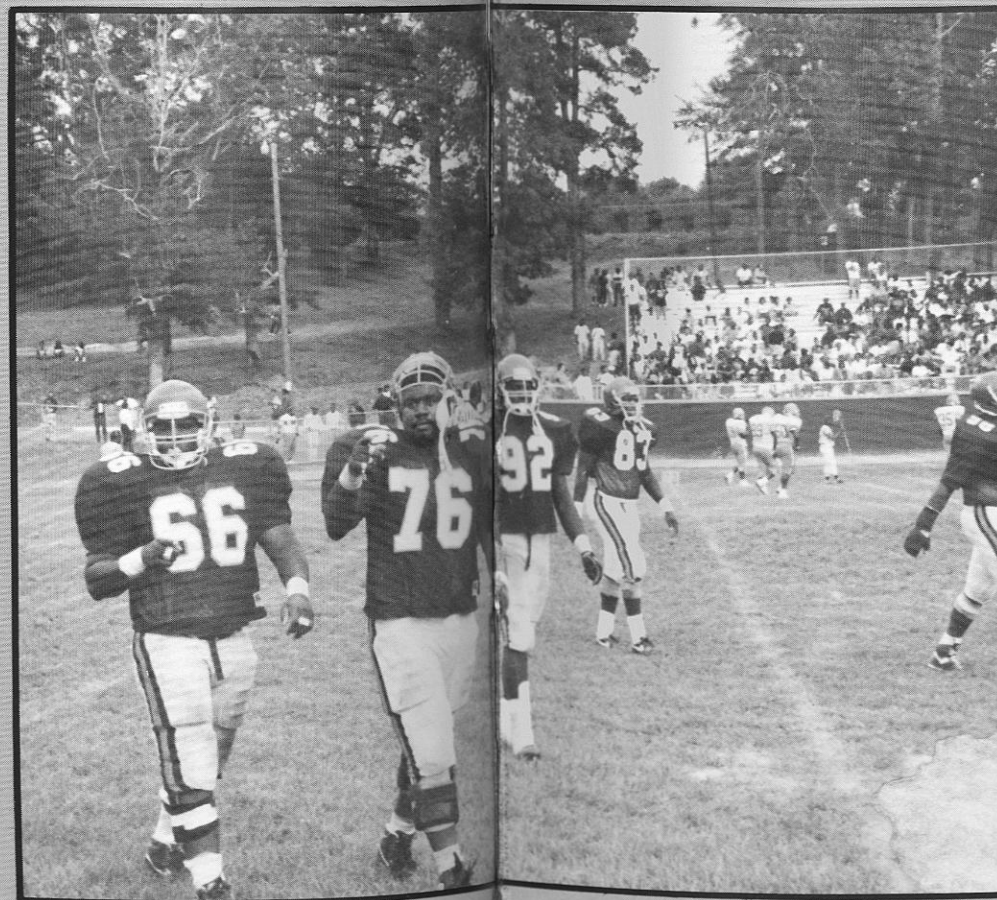

The powerful Tuskegee defense drops opponents for a lost.

Run, here they come.

Skegee spirit in action!

That was for you mom.

Lady Tiger Basketball

Each season the Lady Tiger Basketball Team soars to new heights. This team shows skill, concentration and really keeps the crowd on their feet in every game. They finished the season with a record of 12-16. Unfortunately, this season the ladies had to say goodbye to one of the best ladies basketball coaches in the south, Coach Sonya Kennedy. We wish her the best of luck in her future endeavors. We congratulate the Lady Tigers on their winning season and wish them good luck in the season to come.
