TUSKEANA

Making Tuskegee University Better Today!

The Tuskegee Song

Tuskegee, thou pride of the swift growing South
We pay thee our homage today
For the worth of thy teaching, the joy of thy care;
And the good we have known 'neath thy sway.
Oh, long-striving mother of diligent sons
And of daughters whose strength is their pride,
We will love thee forever and ever shall walk
Thro' the oncoming years at thy side.

Thy hand we have held up the difficult steeps,
When painful and slow was the pace,
And onward and upward we've labored with thee
For the glory of God and our race.
The fields smile to greet us, the forests are glad,
The ring of the anvil and hoe
Have a music as thrilling and sweet as a harp
Which thou taught us to hear and to know.

Oh, mother Tuskegee, thou shiniest today
As a gem in the fairest of lands;
Thou gavest the Heav'n-blessed power to see
The worth of our minds and our hands
We thank thee, we bless thee, we pray for thee years
Imploring with grateful accord,
Full fruit for thy striving, time longer to strive,
Sweet love and true labor's reward.

Dear Class of 2008,

Scholarship, Service, and Dedication to the achievement of quality in education and exceptional intelligence are indicators of the personality, demeanor, and intellectual capacity of graduates from Tuskegee University. After significant four or five years, Tuskegee has molded us into great individuals. In the end, I am glad "the best years of my life" were with my Tuskegee family and I hope you do. There is no other place like Tuskegee and there is no other class like the class of 2008. One day we will move mountains and look back and thank Tuskegee for the experiences and God for leading us to this illustrious institution.

Whether, it's a 12-0 football season, the new Brimmer business house, or #6 HBCU in the nation, our final year was exciting one and we still had enough time to have fun and make a few of our own traditions. Whether it's the Tuskegee Two Step, Toga parties, or just chilling on the yard but we still remembered that education comes first. As we leave Tuskegee and go to our respective jobs and professionals schools, we will make Tuskegee proud. We have lost a few on the way but still striving towards excellence. Serving as the SGA President 2007-08 has truly been an honor. The ability to make a difference and make Tuskegee better will always be one of my favorite memories. More importantly, my tenure has given me the opportunity to know and help more of you and I cherish those memories. In the end, what was most important, these four years we were here, MAKING TUSKEGEE BETTER.....TODAY! And not tomorrow! Be blessed!

Sincerely,

Frances Jordan
Student Government President 2007-08

We are HUGE Tuskegee Golden Tiger Football Fans.

Every game, home and away, we were there.

Every touchdown, we were high 5n'.

Every blitz, we were calling.

Every defensive quarterback sack, we were cheering.

Every TU homecoming, we were tailgating.

That overtime Turkey Day Classic, we were there until the very last take-it-up-the-middle-dragging-defenders-into-the-end zone play.

That wild, memorable, fourth-quarter Pioneer Bowl victory, we had to be there.

So, we celebrate the P E R F E C T 12 - 0 2007 season.

CONGRATULATIONS to Coach Willie Slater and the mighty Golden Tigers, our National Champions.

We were there.
