

The Unweilding

TUSKEANA
2008-2009

The Tuskegee Song

Tuskegee, thou pride of the swift growing South
We pay thee our homage today
For the worth of thy teaching, the joy of thy care;
And the good we have known 'neath thy sway.
Oh, long-striving mother of diligent sons
And of daughters whose strength is their pride,
We will love thee forever and ever shall walk
Thro' the oncoming years at thy side.

Thy Hand we have held up the difficult steeps,
When painful and slow was the pace,
And onward and upward we've labored with thee
For the glory of God and our race.
The fields smile to greet us, the forests are glad,
The ring of the anvil and hoe
Have a music as thrilling and sweet as a harp
Which thou taught us to hear and to know.

Oh, mother Tuskegee, thou shiniest today
As a gem in the fairest of lands;
Thou gavest the Heav'n-blessed power to see
The worth of our minds and our hands
We thank thee, we bless thee, we pray for thee years
Imploring with grateful accord,
Full fruit for thy striving, time longer to strive,
Sweet love and true labor's reward.

Dr. Benjamin F. Payton

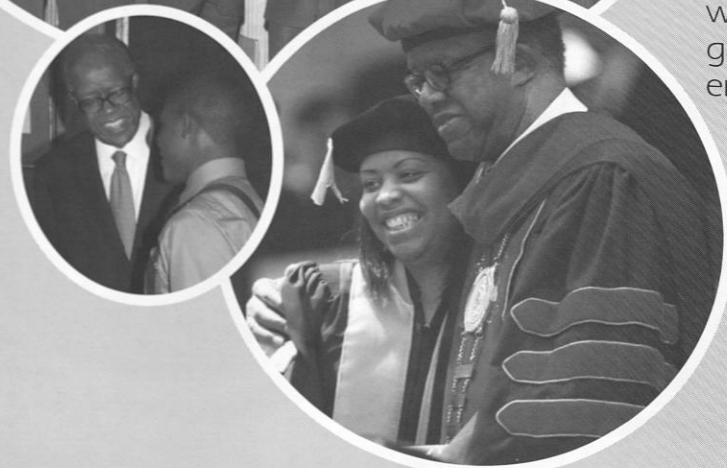

University President

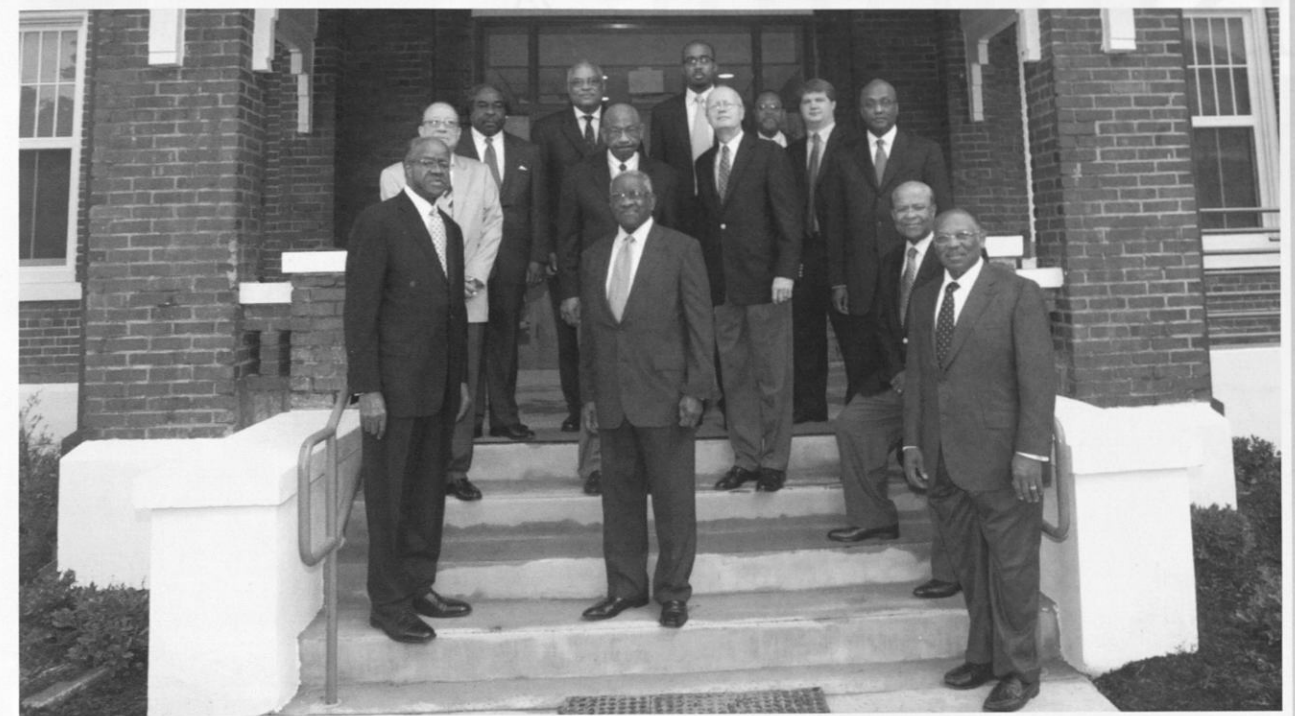

Dr. Benjamin F. Payton continues a legacy of excellence at Tuskegee University, serving as its fifth president. During his tenure, which began in 1981, he has:

- Established the Gen. Daniel "Chappie" James Center for Aerospace Science Engineering and Health Education.
- Launched Tuskegee University's first Ph.D. programs (Materials Science and Engineering and Integrated Biosciences).
- Developed the Tuskegee University National Center for Bioethics in Research and Health Care.
- Launched the Tuskegee University C. Alfred "Chief" Anderson Department of Aviation Science.
- Developed the Tuskegee University Kellogg Conference Center.
- Restructured the academic programs into five colleges and reorganized all programs.
- Successfully completed a \$150 million Capital Campaign by raising \$169 million and is now completing an additional \$60 million campaign, the Legacy Campaign.

- Reconstructed and renovated the entire campus, including new parking, roadways, library, science building, student residence halls and apartments for student on-campus living; and enclosed it all with beautiful brick and cast-iron fences and gates, including a dramatic new set of campus entrances and exits.

Board of Trustees

Andrew F. Brimmer
(Chair)
President
Brimmer and Company, Inc.

Building History

When one steps upon the campus of Tuskegee University, history speaks. From the timeless White Hall Clock Tower to the elegance of Carnegie Hall, the hard work and dedication of Tuskegee's first students are apparent, brick by brick.

Clockwise: White Hall, which was constructed in 1909 by renowned architect Robert R. Taylor; Tompkins Hall, constructed in 1907; Carnegie Hall, which was built in 1903 and named for its benefactor, Andrew Carnegie; and the Kellogg Hotel and Conference Center (formerly Dorothy Hall), which is the only of its kind on a historically black institution's campus.

Academic Colleges

College of Business and Information Sciences

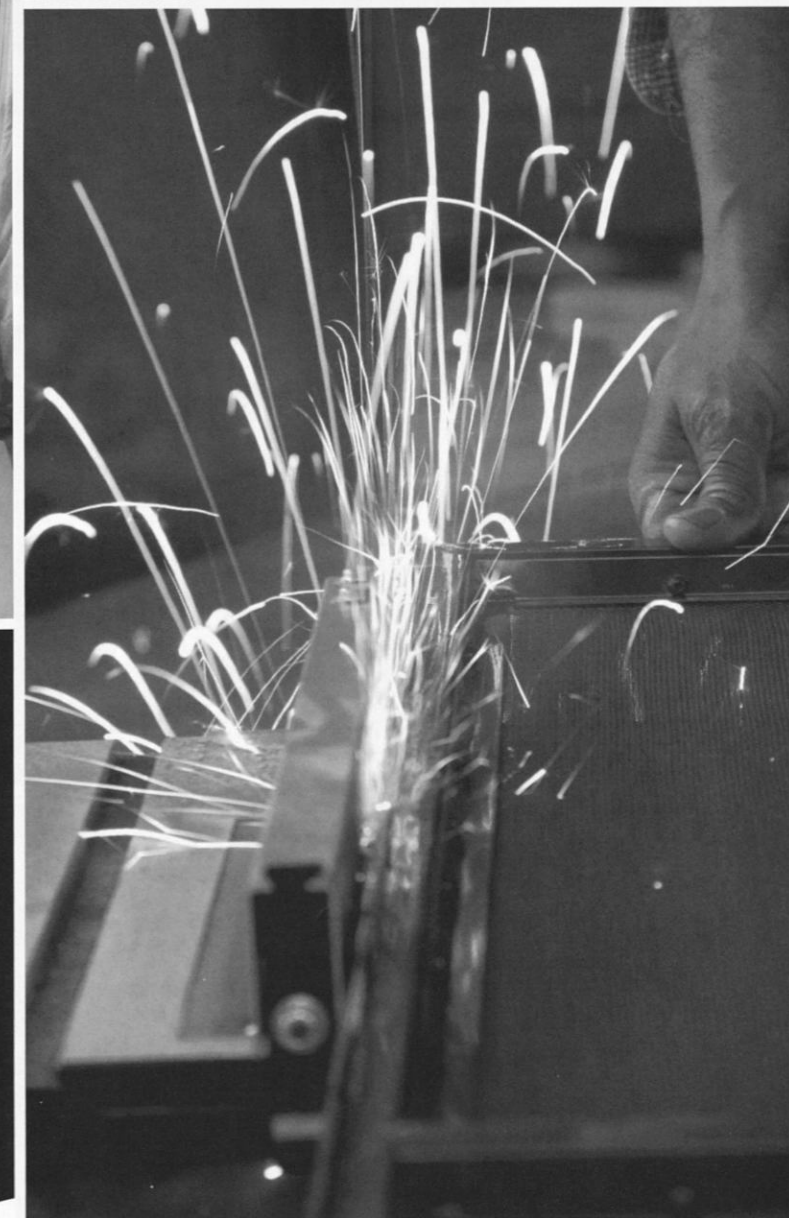

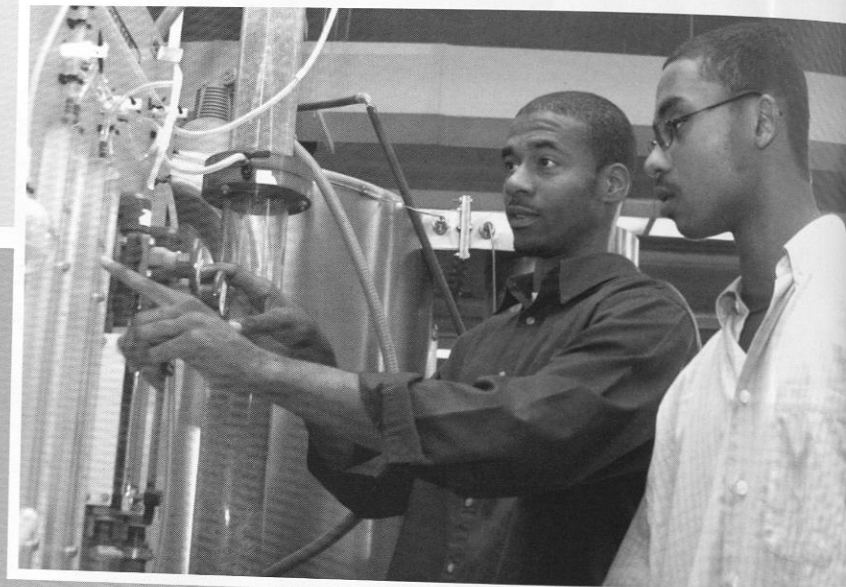

The College of Business and Information Science (CBIS) is deeply rooted in Tuskegee University's historical mission and emphasis on economic empowerment and business development. With nearly 600 students and faculty, the CBIS is a career-oriented program that provides its students with the technical, professional and leadership skills needed for entry and advancement in an increasingly competitive and technology-driven global marketplace.

The College offers a Bachelor of Science degree in nine majors: accounting, business administration, economics, finance, management science, sales and marketing, hospitality management, computer science, and computer information systems. The business programs are accredited by the Association to Advance Collegiate Schools of Business International, the accrediting body of the premier business programs internationally.

College of Engineering, Architecture and Physical Science

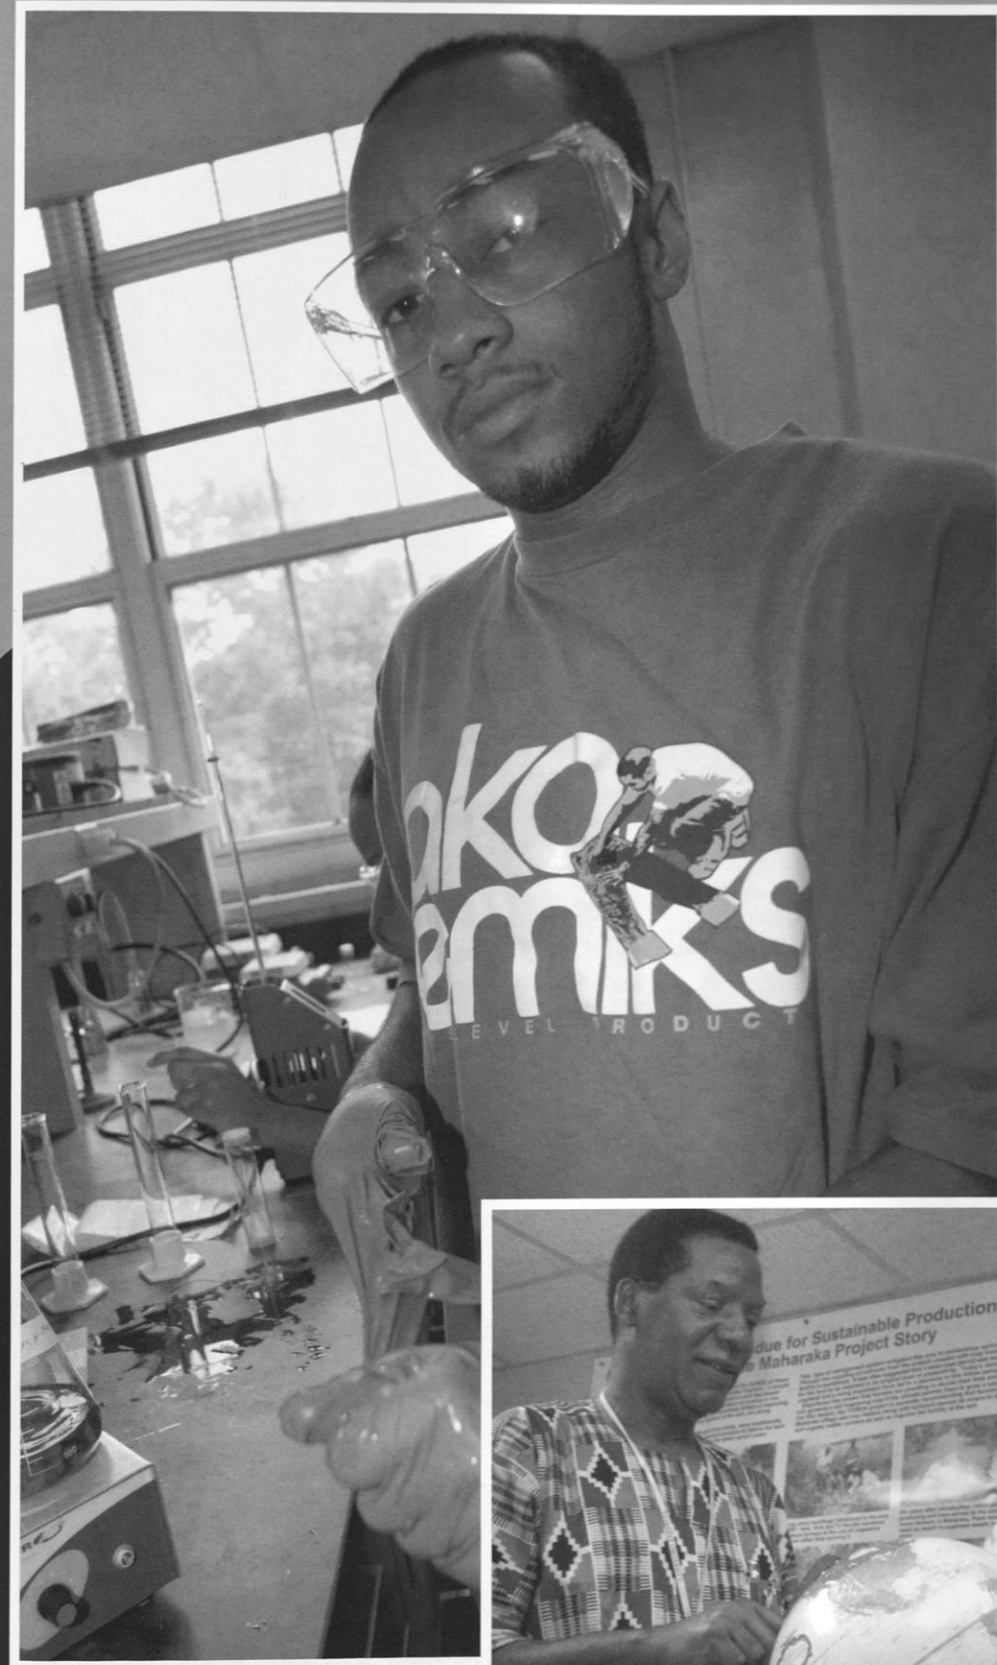

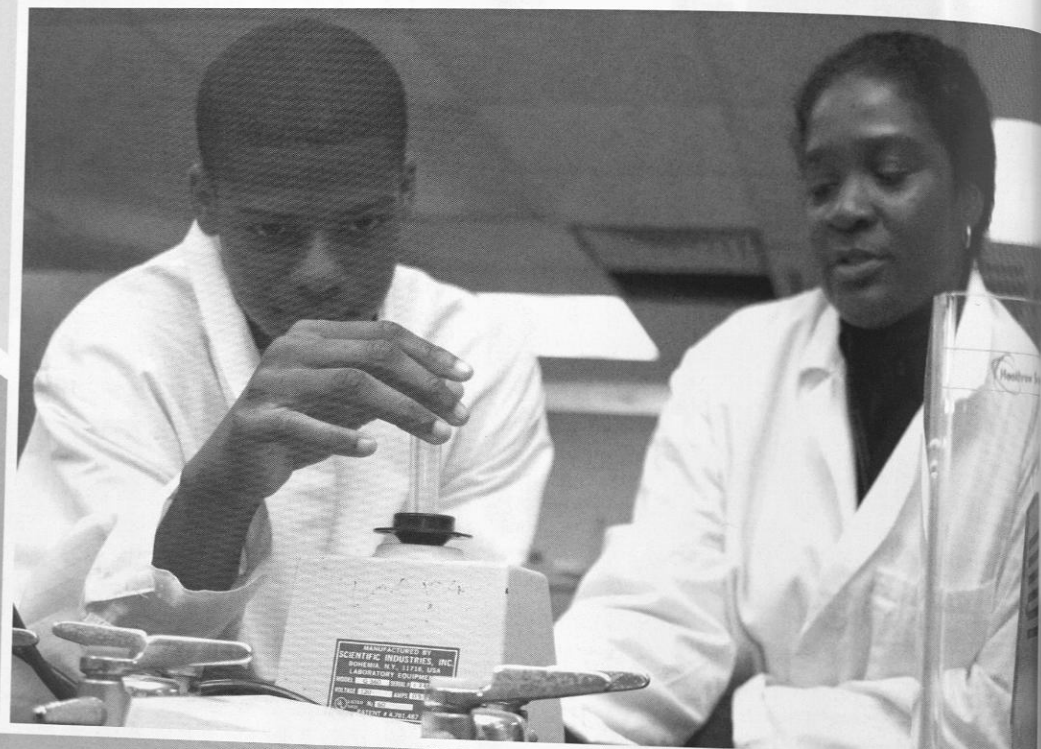

The College of Engineering, Architecture and Physical Sciences (CEAPS) provides students with the opportunity to complete post-secondary studies in engineering, architecture, construction science and physics. For the last 50 years, the College has produced graduates who possess the technical talent to lead in industry, government and academia. The College has as its goal, that each graduate is technically competent; possesses critical and innovative thinking skills; understands management and business; demonstrates the collaborative effect of teaming; possesses astute verbal and communicative skills; and is sensitive to the surrounding environment. CEAPS is accredited by the Accreditation Board of Engineering and Technology (ABET).

College of Agricultural, Environmental and Natural Sciences

The curricula within the College of Agricultural, Environmental and Natural Sciences are designed to prepare students who ultimately will become professionals in areas that include agricultural, food and nutritional sciences; biological and biomedical sciences; chemical and biochemical sciences; human, veterinary medicine and other health-related fields; environmental sciences and policy; natural resource management; and rural development at local, regional and international levels.

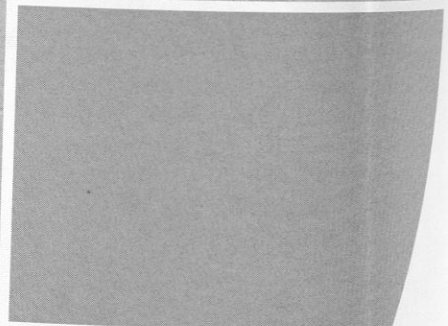

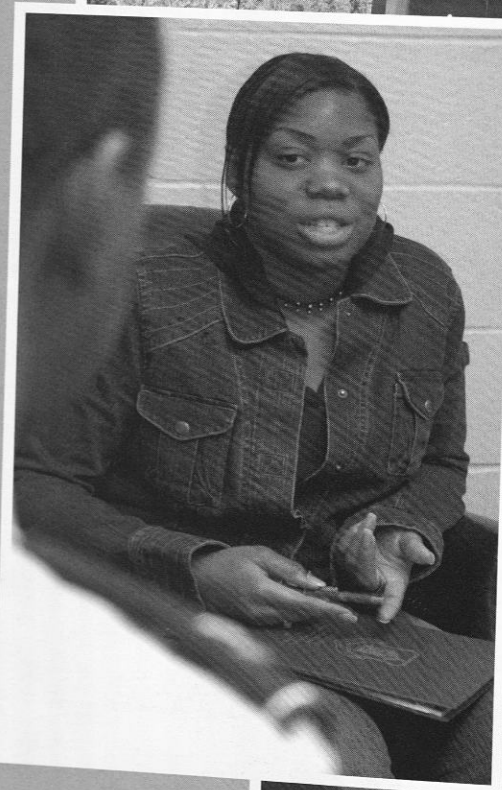

Diverse: Issues in Higher Education ranked Tuskegee University among the top five degree-producers of Blacks receiving bachelor's degrees in agriculture, agricultural operations and related sciences, and among the top 20 degree programs in the nation in which Blacks receive degrees in biological and biomedical sciences.

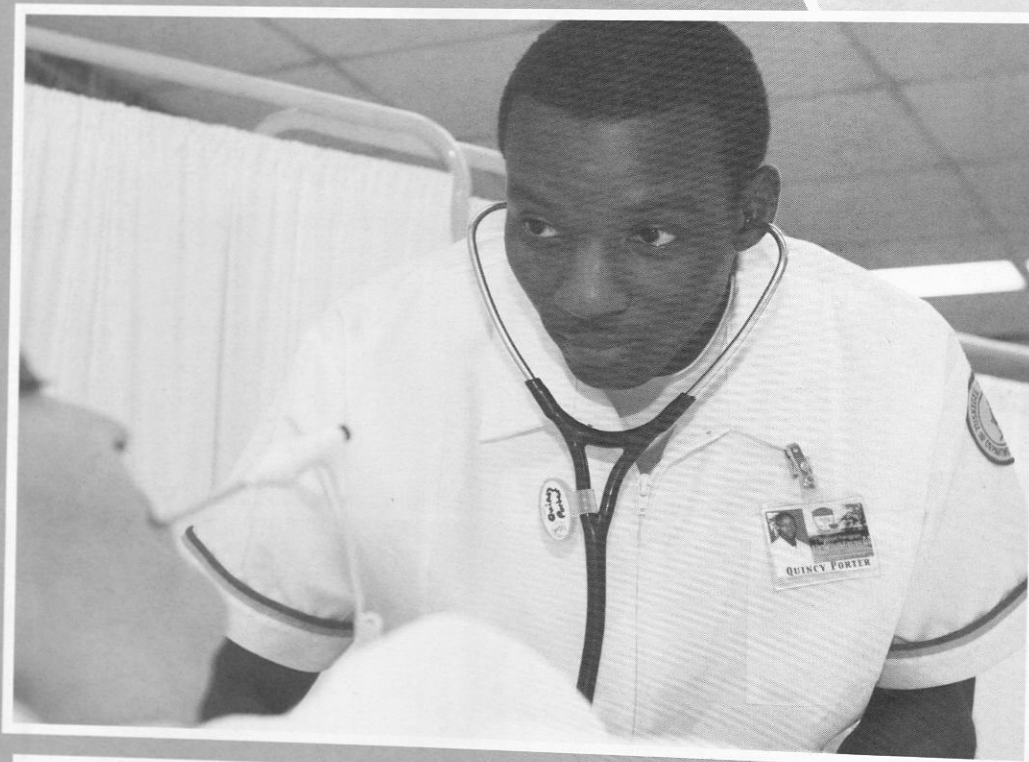

College of Liberal Arts and Education

The College of Liberal Arts and Education offers undergraduate programs in the Division of Liberal Arts that lead to a Bachelor of Arts degree in English, history, mathematics, political science, psychology, social work or sociology. Students who graduate in these fields are prepared to pursue further study in graduate or professional school, or for careers in industry, the military, or federal and local governments.

The College of Liberal Arts and Education programs provide all Tuskegee University students, regardless of major, basic skills instruction in English, reading and mathematics; assist students with developing a foundation for understanding the world in which they live through exposure to the arts, literature, philosophy and the social sciences; and prepare students for an active and healthier lifestyle through physical education.

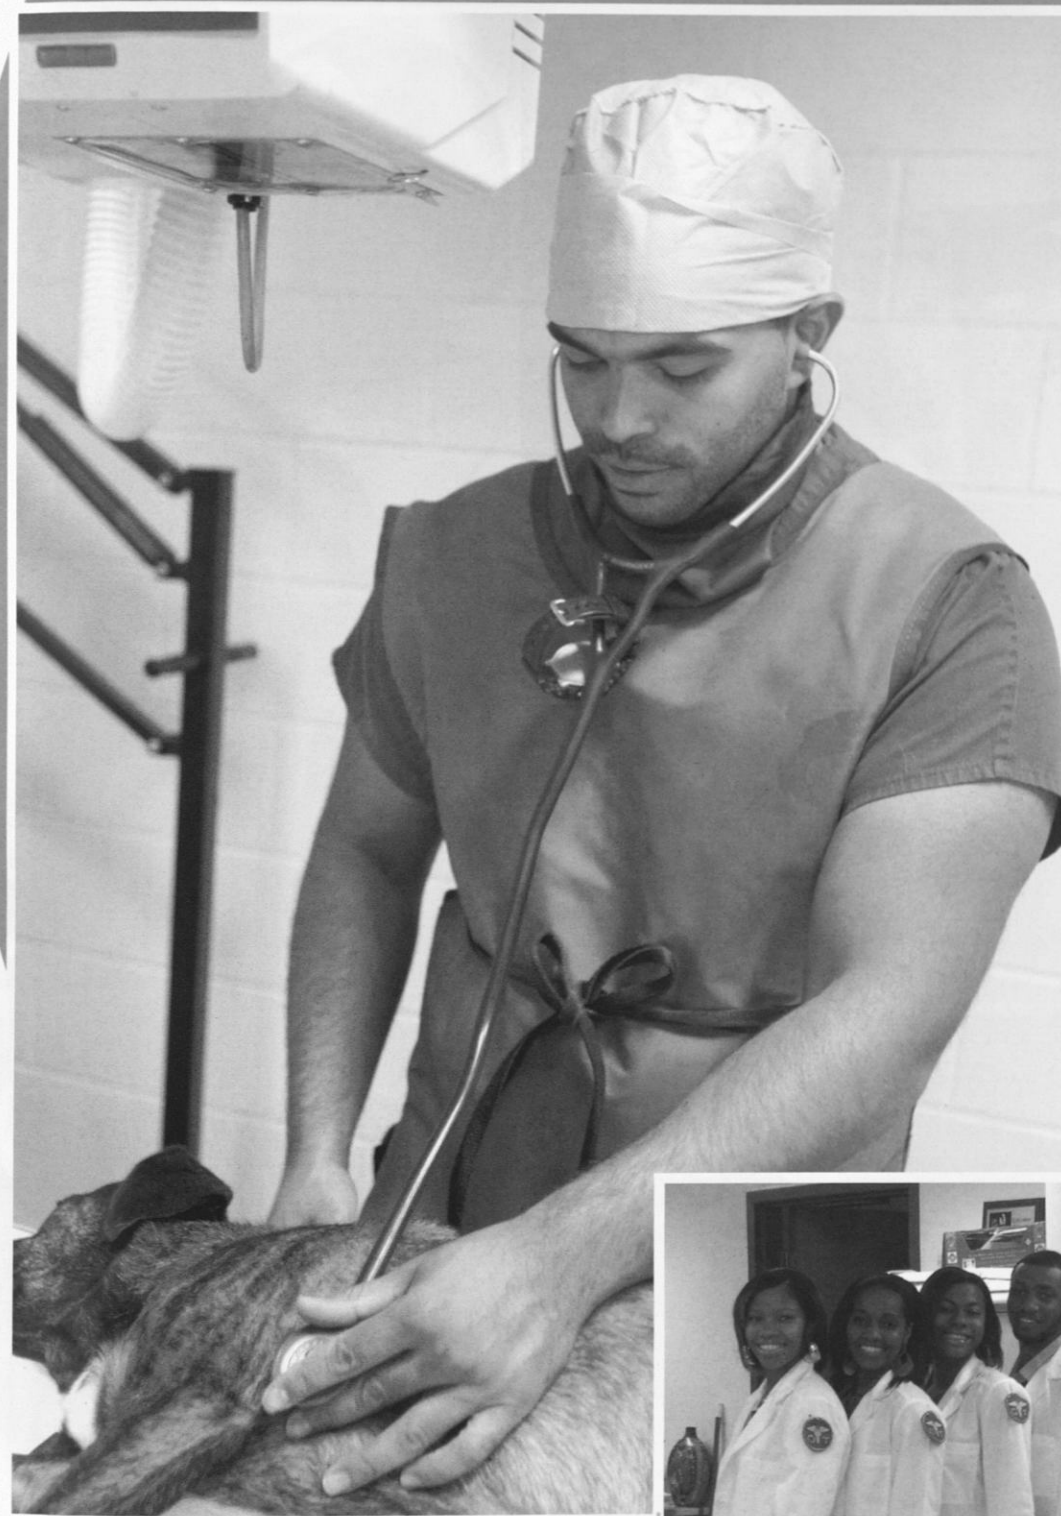

College of Veterinary Medicine, Nursing and Allied Health

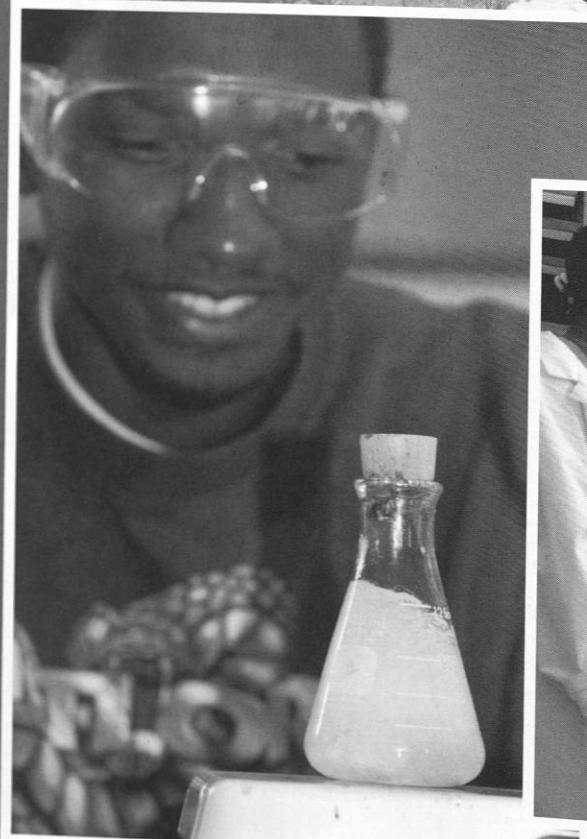

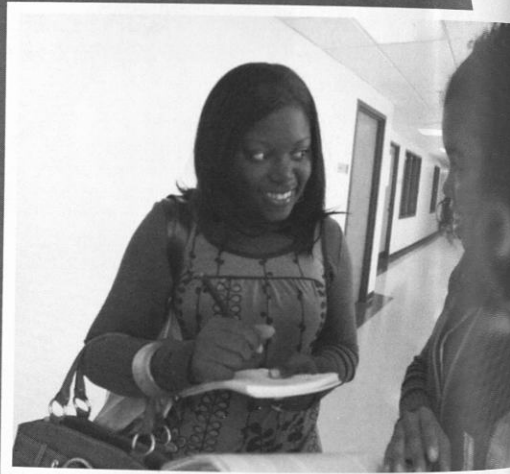

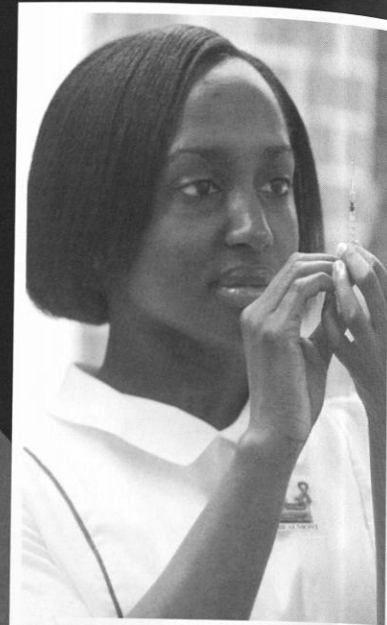

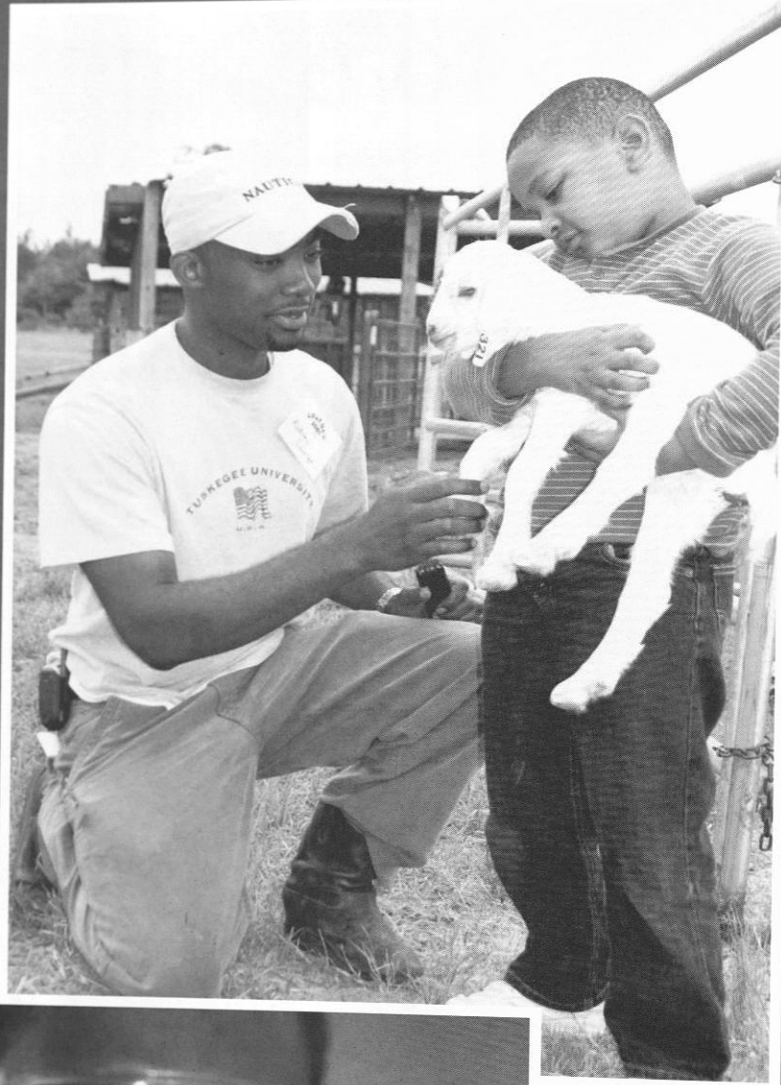

The College of Veterinary Medicine, Nursing and Allied Health exists to provide an environment that encourages excellence in self-directed learning, intellectual curiosity, creativity, critical thinking, problem solving and ethics. Students, faculty and staff are provided with the necessary tools to participate fully in an educational experience that supports and nurtures teaching, research and service.

The College promotes qualitative and lifelong learning for global interdisciplinary practice of veterinary medicine, nursing, occupational therapy and clinical laboratory sciences within the framework of the one medicine/one health concept. It strives to meet the present and future needs of its diverse population of students, faculty, staff and community through effective leadership and state-of-the-art technology.

The College is organized into two schools: the School of Veterinary Medicine and the School of Nursing and Allied Health.

DiAundra Davis

Born in Washington, D.C., DiAundra Davis has experienced Tuskegee University to its fullest. Majoring in political science with a minor in business administration, Davis plans to take her future sky high. She aspires to become a JAG officer in the U.S. Air Force. Tuskegee is not just a school to Davis, it's a second home. Throughout her years at TU, her most memorable moment was of a performance at a talent show where she impersonated the Notorious B.I.G. Davis has not only cherished her education, but she will forever cherish the people. Her favorite quote is, "You know who would make a good boyfriend? School books—they are smart, you can take them anywhere, and you can have more than one without a problem."

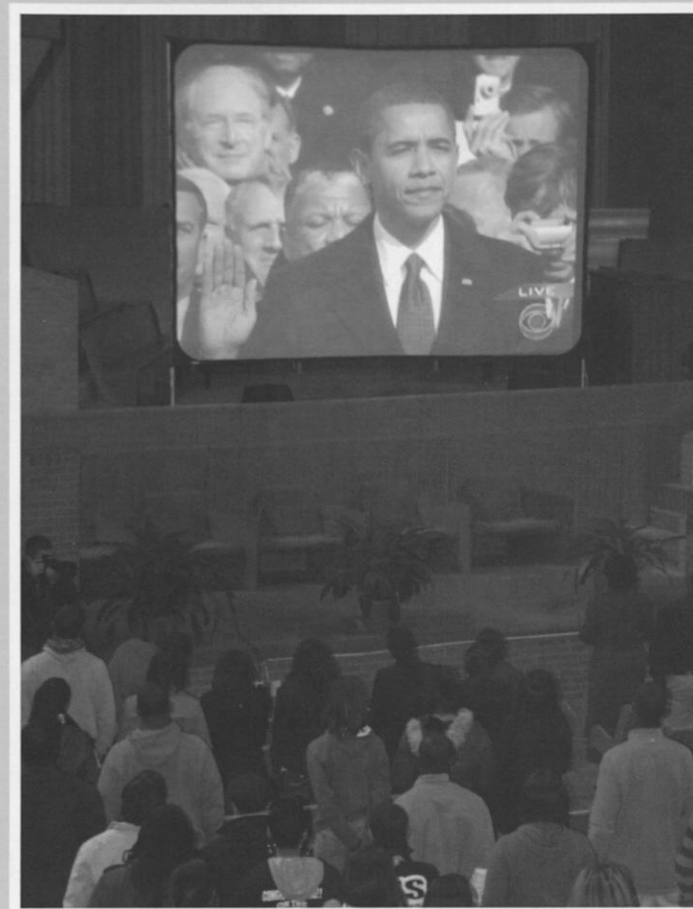

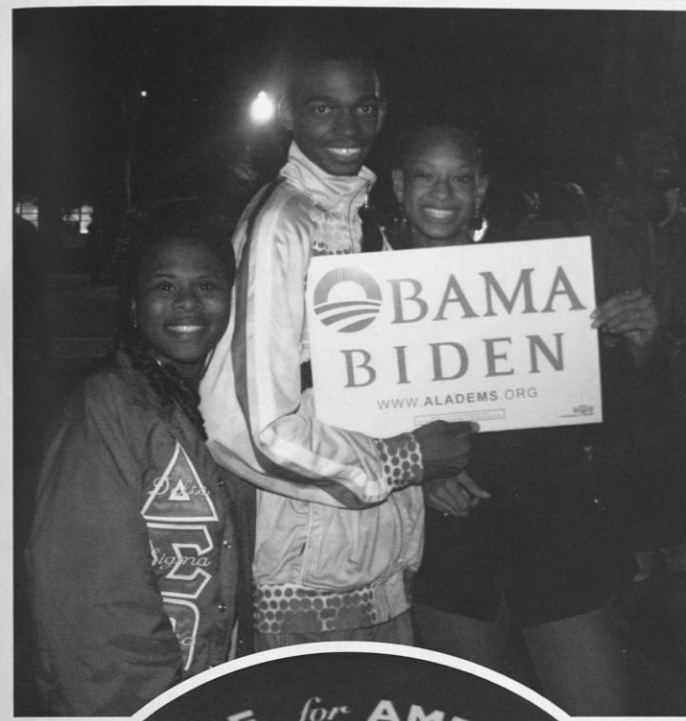

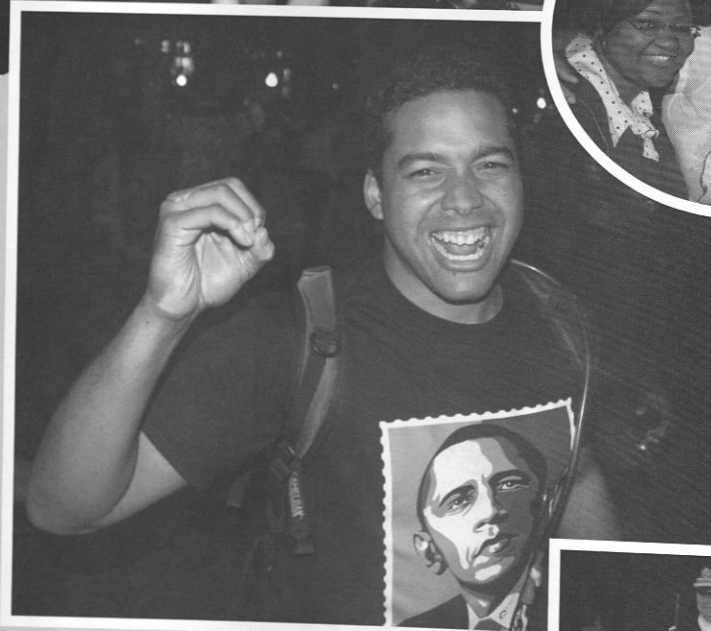

Ian Evans

Ian Evans is a senior majoring in business administration. The Inglewood, Ca., native can be seen around Tuskegee's campus, at football games or any other event where Golden Tigers prowl. This future businessman's goal is to own his own recording label. Like most, Evans chose to attend Tuskegee to receive an education and to get the "Tuskegee Experience," while giving back to the city and the University. He has done just that. Some of Evans' most memorable moments at TU are hearing "Ball and Parlay" for the first time at a football game, moving into Young Hall and meeting some of his closest friends. As he leaves TU, he takes with him great friendships, wonderful opportunities and lasting memories. One of Evans' favorite quotes is, "Some people are raised with style, but you cannot be born with class."

TUSKEGEE

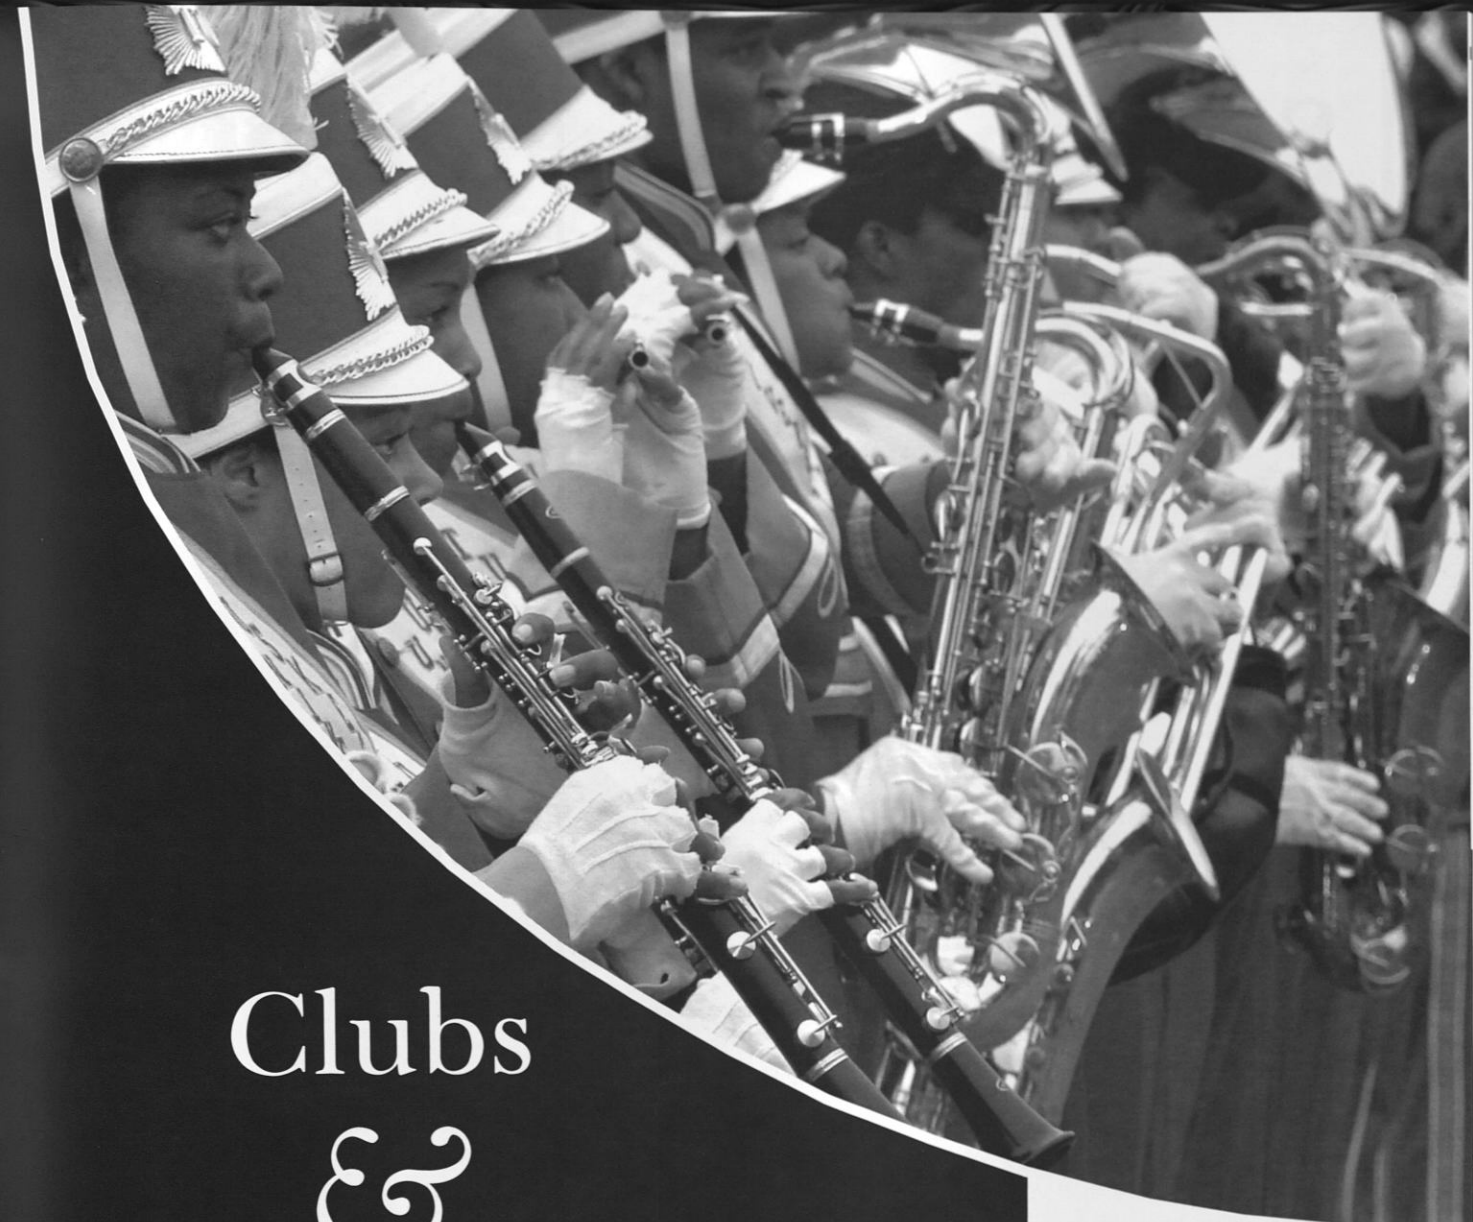

Women & Gentlemen

A "Tuskegee Woman" is to have true beauty from within her character that emanates and shines throughout her entire being in every attribute from academia to personal criteria. These women are selective in their field of study to have a strong desire to help and enhance their community. These women have a high regard of "Excellence and Service" in which they continue to be of great degree of social, academic, and intellectual elegance.

A "Tuskegee Gentleman" is to be a man that upholds what is right, good, and true to the "Tuskegee Spirit" each male must have high qualities of degree in the field of manhood, diligence, education, class, and style. In the Tuskegee Gentleman is a walking extension of the "Tuskegee Experience".

Clubs & Organizations

Student Government Association

My Fellow Students:

On behalf of the Student Government Association, it is my pleasure to congratulate you on graduating or taking one step closer to graduation. Such a milestone is a notable achievement for which you are to be commended. Appreciation is to be expressed to the Office of Marketing and Communications and the *Tuskeana* staff for their tireless efforts to create a great publication.

This school year has been filled with much excitement. The Golden Tigers Football Team continued its record-breaking season and students actively participated in the election of the city's new mayor, Omar Neal. However, I believe that the election of the first African-American, Barack Obama, as the 44th President of the United States is unequivocally the highlight of the school year. President Obama has inspired all generations, creeds and backgrounds to become a part of making our country great again.

As a point of personal privilege, I would like to thank you, the entire student body, for allowing me to serve you as the 51st president of the SGA. It has been an honor to serve you this past year. It is an experience that I will always be grateful for. This administration is proud to have worked according to the theme, "Making Tuskegee Better, Today."

Best wishes in all of your future endeavors.

Sincerely,

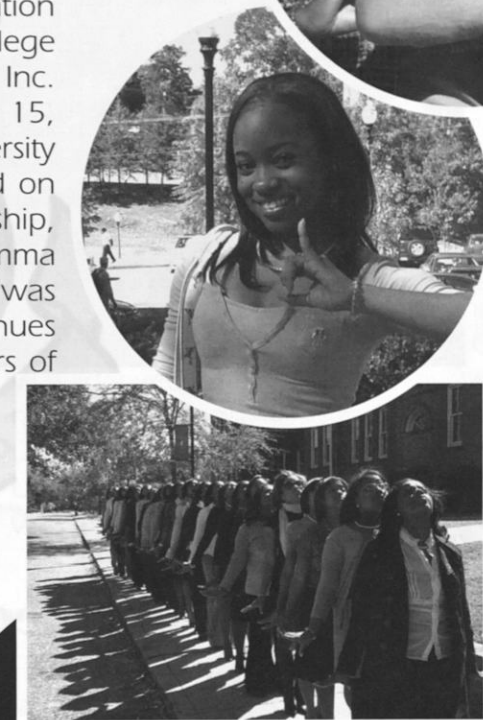

Erick W. Harris
President (2008-2009)
Student Government Association

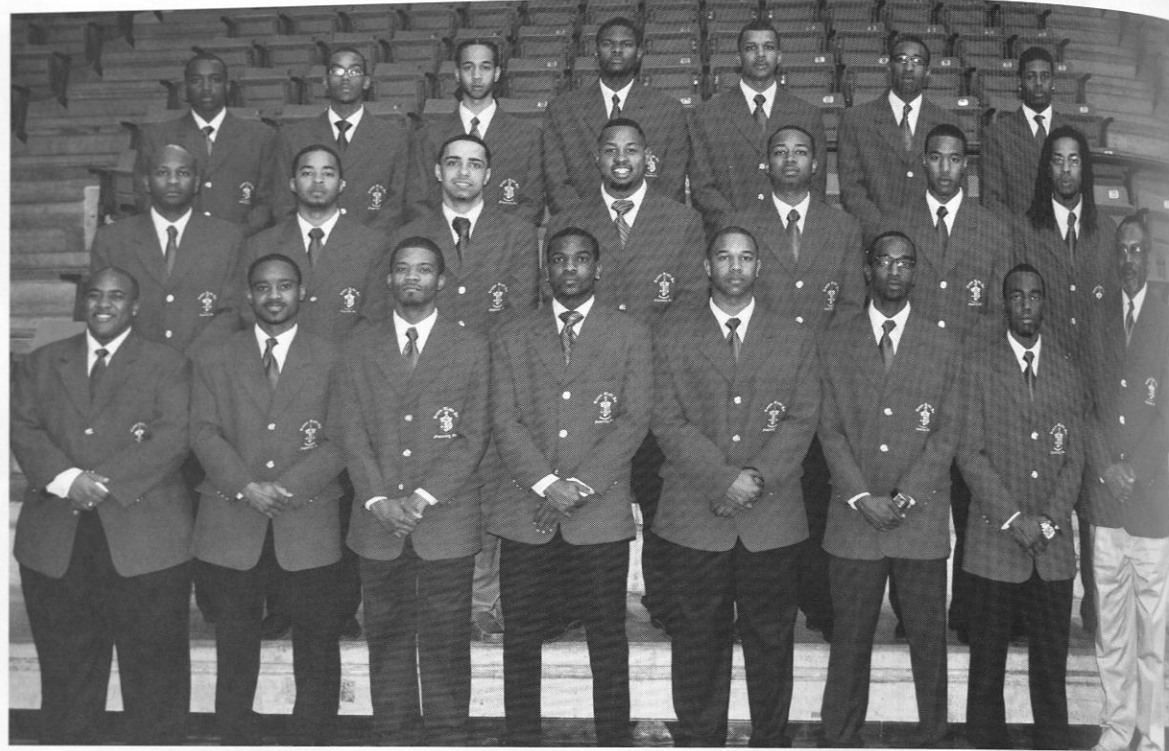

Alpha Kappa Alpha Sorority Incorporated

FOUNDED 1908

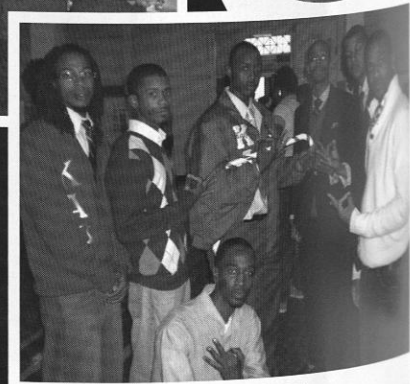

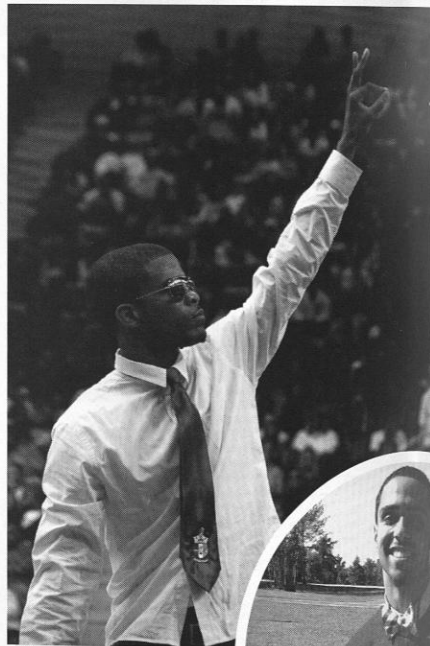

Alpha Kappa Alpha Sorority Incorporated is the oldest Greek-Lettered Organization established in America by Black college women. Alpha Kappa Alpha Sorority Inc. was founded on Wednesday, Jan 15, 1908, on the campus of Howard University in Washington, D.C. AKA was founded on the principles of sisterhood, scholarship, and service to all humankind. The Gamma Kappa Chapter at Tuskegee University was chartered Apr 15, 1948, and continues their legacy as they celebrate 101 Years of "Service to All Mankind".

Kappa Alpha Psi Fraternity Incorporated FOUNDED 1911

The night of Jan 5, 1911, on the campus of Indiana University at Bloomington, Indiana, 10 men laid down the foundation to start greatness and organization to what is known as Kappa Alpha Psi Fraternity. It is a fact of which KAPPA ALPHA PSI is justly proud that the Constitution has never contained any clause which either excluded or suggested the exclusion of a man from membership merely because of his color, creed, or national origin. The Gamma Epsilon Chapter at Tuskegee University was chartered APRIL 17, 1948, by 29 Strong and Distinguished Gentleman.

Omega Psi Phi Fraternity Incorporated FOUNDED 1911

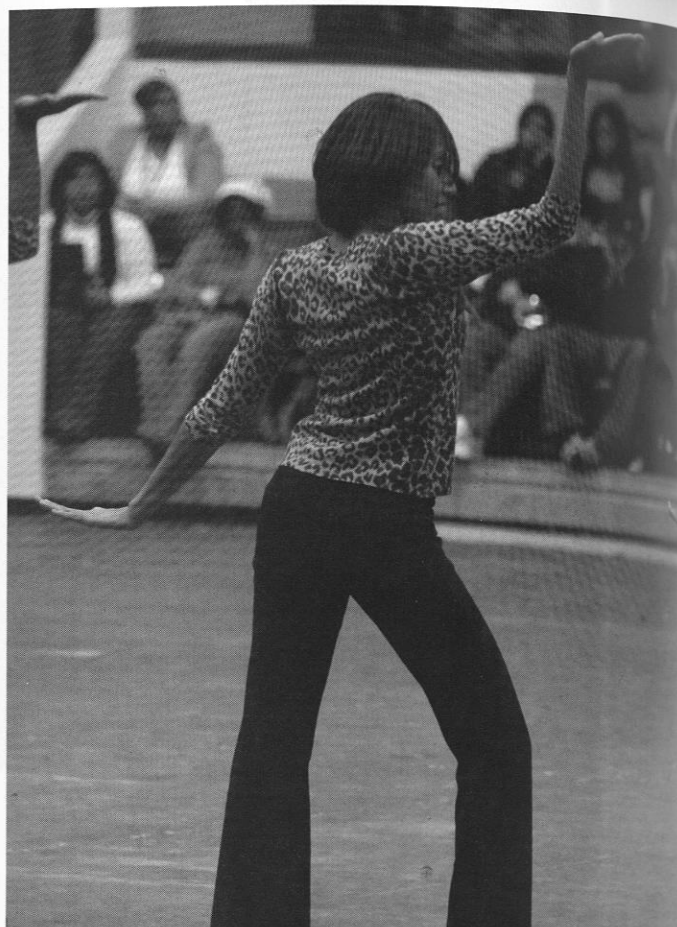

On Friday evening, Nov 17, 1911, three Howard University undergraduate students, with the assistance of their faculty adviser, gave birth to Omega Psi Phi Fraternity. Omega Psi Phi is an international fraternity and was the first African-American national fraternal organization to be founded at a historically black college. From the initials of the Greek phrase meaning "friendship is essential to the soul", the name Omega Psi Phi was derived. The phrase was selected as the motto. Manhood, scholarship, perseverance and uplift were adopted as cardinal principles. The Lambda Epsilon Chapter at Tuskegee University was chartered April 22, 1947.

Delta Sigma Theta Sorority Incorporated

FOUNDED 1913

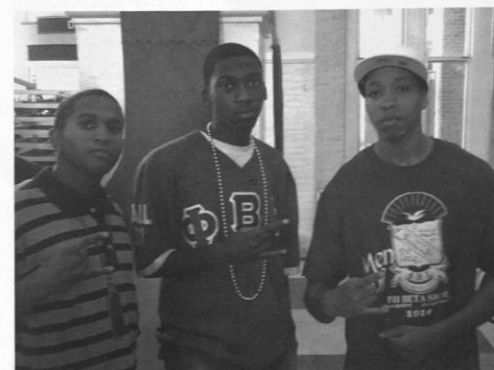

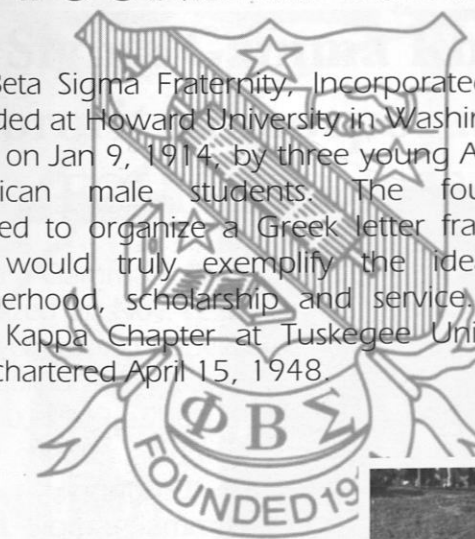

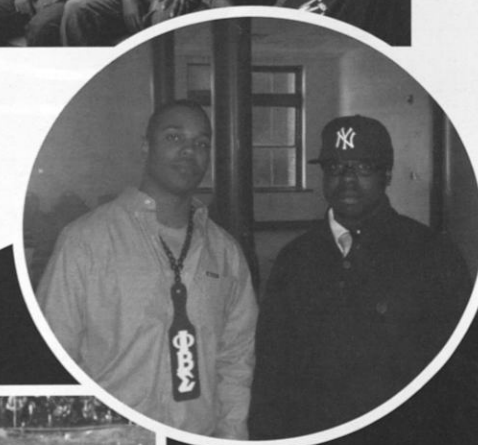

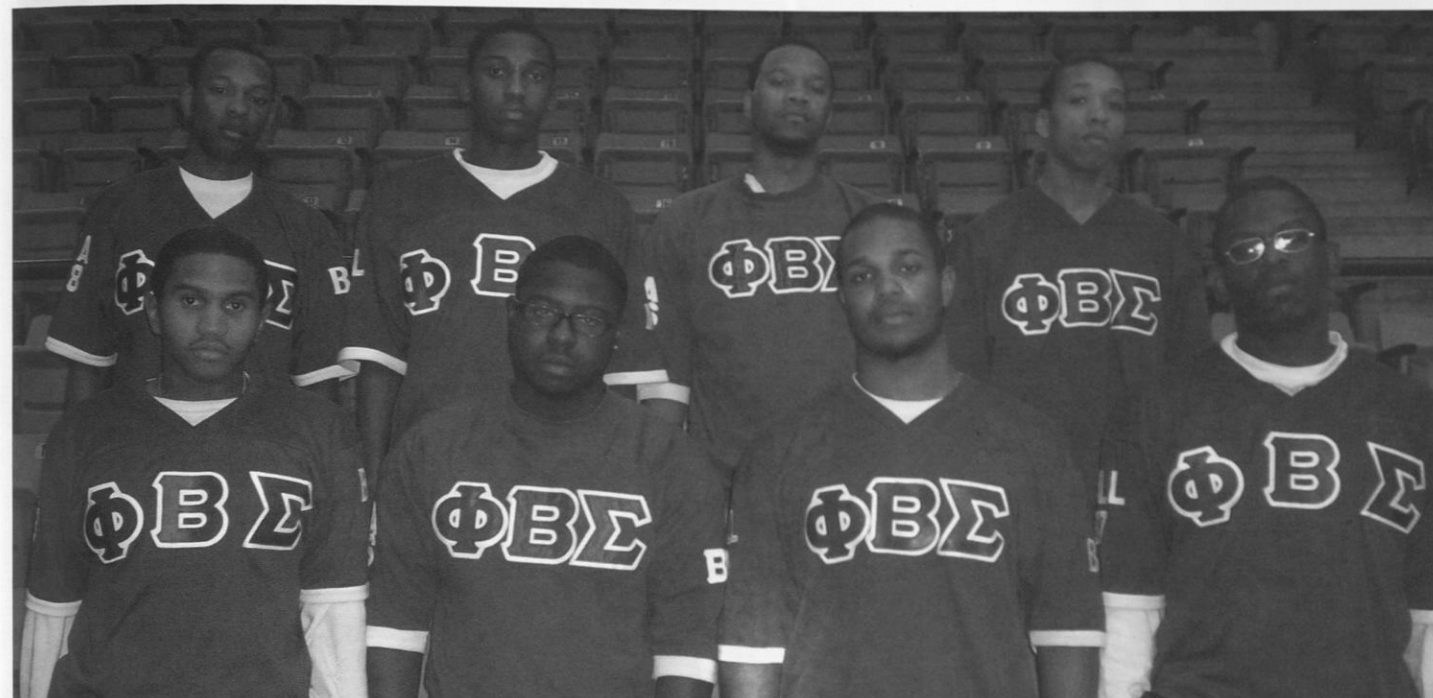

Delta Sigma Theta Sorority was founded Jan 13, 1913, on the campus of Howard University by 22 strong Black women. Inspired by the need for change, these women combined their strengths under the principles of scholarship, sisterhood and service. The first public act performed by the Delta Founders involved their participation in the Women's Suffrage March in Washington, D.C., March 1913. The Gamma Tau Chapter of Delta Sigma Theta was chartered April 17, 1948 by 15 strong and independent women. Today, Gamma Tau continues to strive for excellence and follows the motto, 'Intelligence is the Torch of Wisdom'.

Phi Beta Sigma Fraternity Incorporated

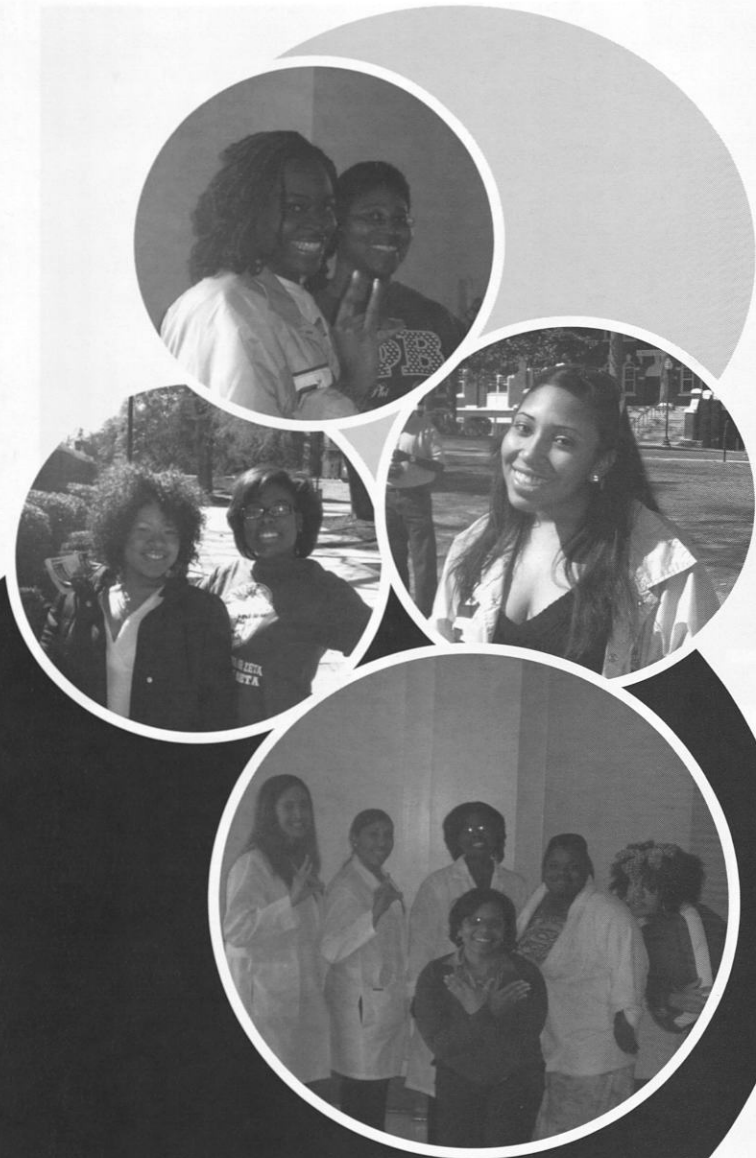

FOUNDED 1914

Phi Beta Sigma Fraternity, Incorporated was founded at Howard University in Washington, D.C., on Jan 9, 1914, by three young African-American male students. The founders wanted to organize a Greek letter fraternity that would truly exemplify the ideals of brotherhood, scholarship and service. The Beta Kappa Chapter at Tuskegee University was chartered April 15, 1948.

Zeta Phi Beta Sorority Incorporated FOUNDED 1920

Founded Jan 16, 1920, Zeta Phi Beta Sorority began as an idea conceived by five coeds at Howard University in Washington, D.C.: Arizona Cleaver, Myrtle Tyler, Viola Tyler, Fannie Pettie and Pearl Neal. These five women, also known as the Five Pearls, dared to depart from the traditional coalitions for Black women and sought to establish a new organization predicated on the precepts of Scholarship, Service, Sisterly Love and Finer Womanhood. The Thundering Theta Beta Chapter at Tuskegee University was chartered April 15, 1948, by seven elegant and independent young women.

Sigma Gamma Rho Sorority Incorporated FOUNDED 1922

Sigma Gamma Rho Sorority, Inc. was organized on Nov 12, 1922, in Indianapolis, IN by seven young educators. The group became an incorporated national collegiate sorority on Dec 30, 1929, when a charter was granted to Alpha chapter at Butler University. Soaring To Greater Heights Of Attainment Around The World, Sigma Gamma Rho Sorority, Inc., as a leading national service organization, has met the challenges of the day and continues to grow through Sisterhood, Scholarship and Service. The Epsilon Theta Chapter at Tuskegee was chartered Mar 3, 1973.

Invictus

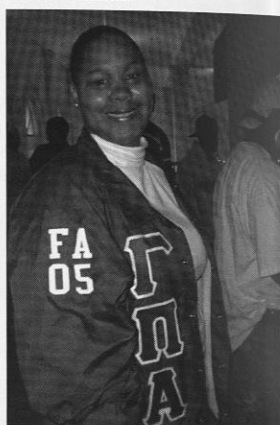

By: William Ernest Henly

Out of the night that covers me,
Black as the Pit from pole to pole,
I thank whatever gods may be
For my unconquerable soul.

In the fell clutch of circumstance
I have not winced nor cried aloud.
Under the bludgeonings of chance
My head is bloody, but unbowed.

Beyond this place of wrath and tears
Looms but the Horror of the shade,
And yet the menace of the years
Finds, and shall find, me unafraid.

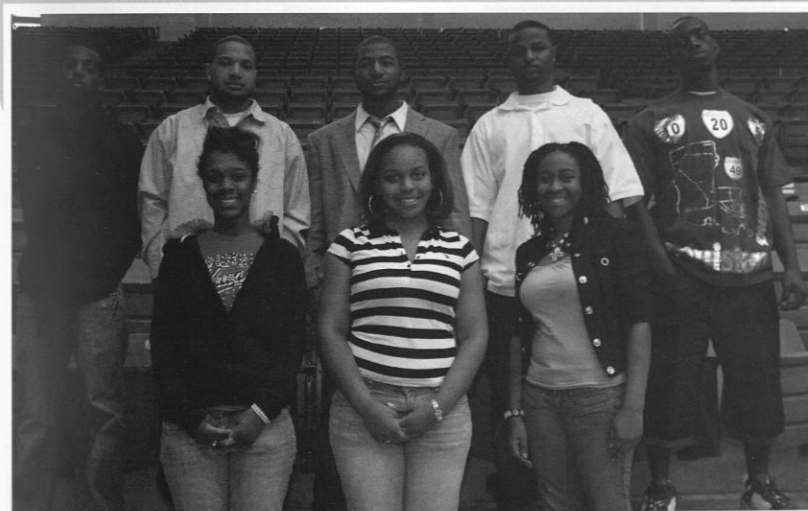

It matters not how strait the gate,
How charged with punishments the scroll.
I am the master of my fate:
I am the captain of my soul.

Tuskegee University Golden Voices Concert Choir

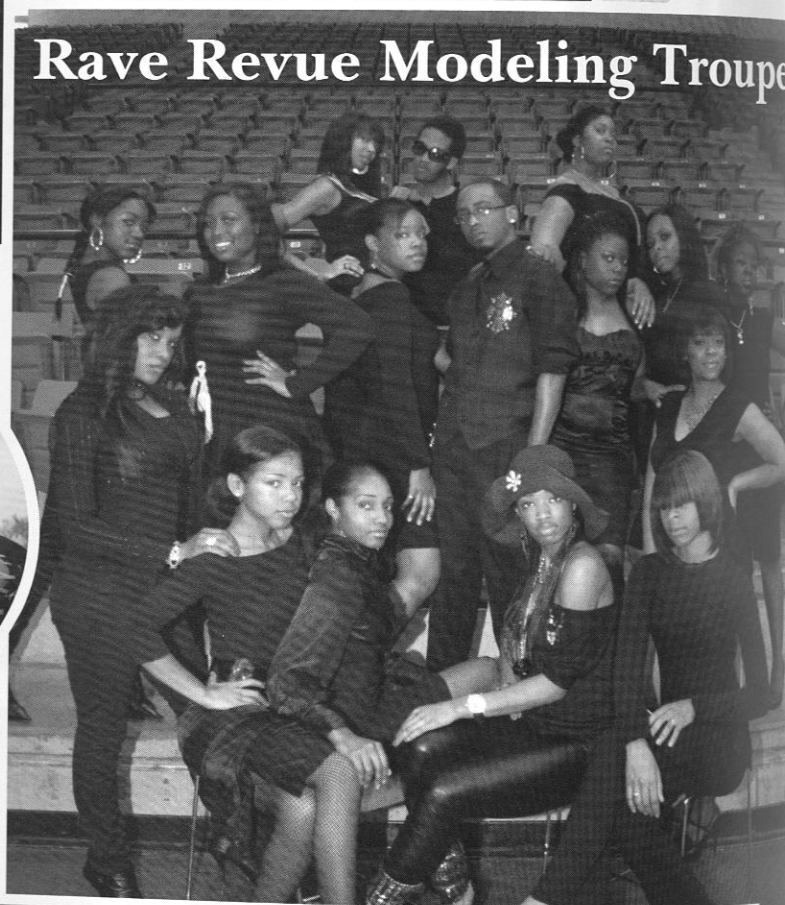

The famous Tuskegee Choir is an organization steeped in more than a century of pride and the richest of choral traditions. Since its inception, the Tuskegee Choir has served as an artistic model while carving its place in American history. The school choir was developed in 1886 because the institution's founder, Dr. Booker T. Washington, had determined that there was a need for a group of singers who could lead vesper services and sing for special campus occasions. Huston Johns was chosen as the first director. The school choir would expand its role to providing vocal music for all cultural and religious campus activities. In 2001, Dr. Wayne Anthony Barr became director of the Choir. The ensemble continues to sing at campus events and tour the country as harmonious Tuskegee ambassadors.

Athletics

Golden Tigers

Football 10-1, 9-0

The Golden Tiger football team is one of the best in the land. Their rich history and tradition of winning is known by all. Knowing this, our opponents give their best but fall short everytime. Our Golden Tigers are the defending SIAC Champions, and have won 27 SIAC championships in all. Other achievements include eight national championships and recognition as America's winningest HBCU football team with 611 victories and counting.

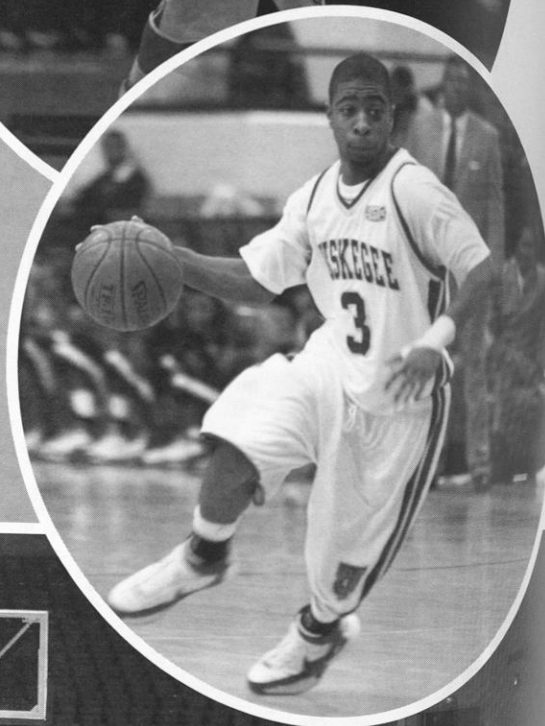

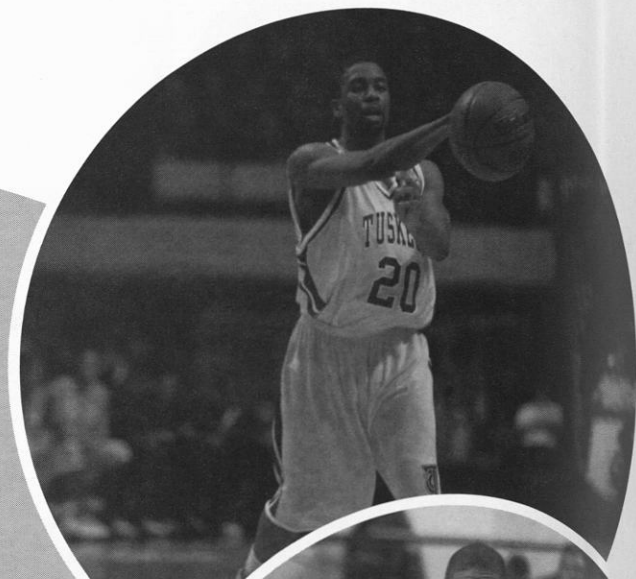

The Golden Tigers in ACTION

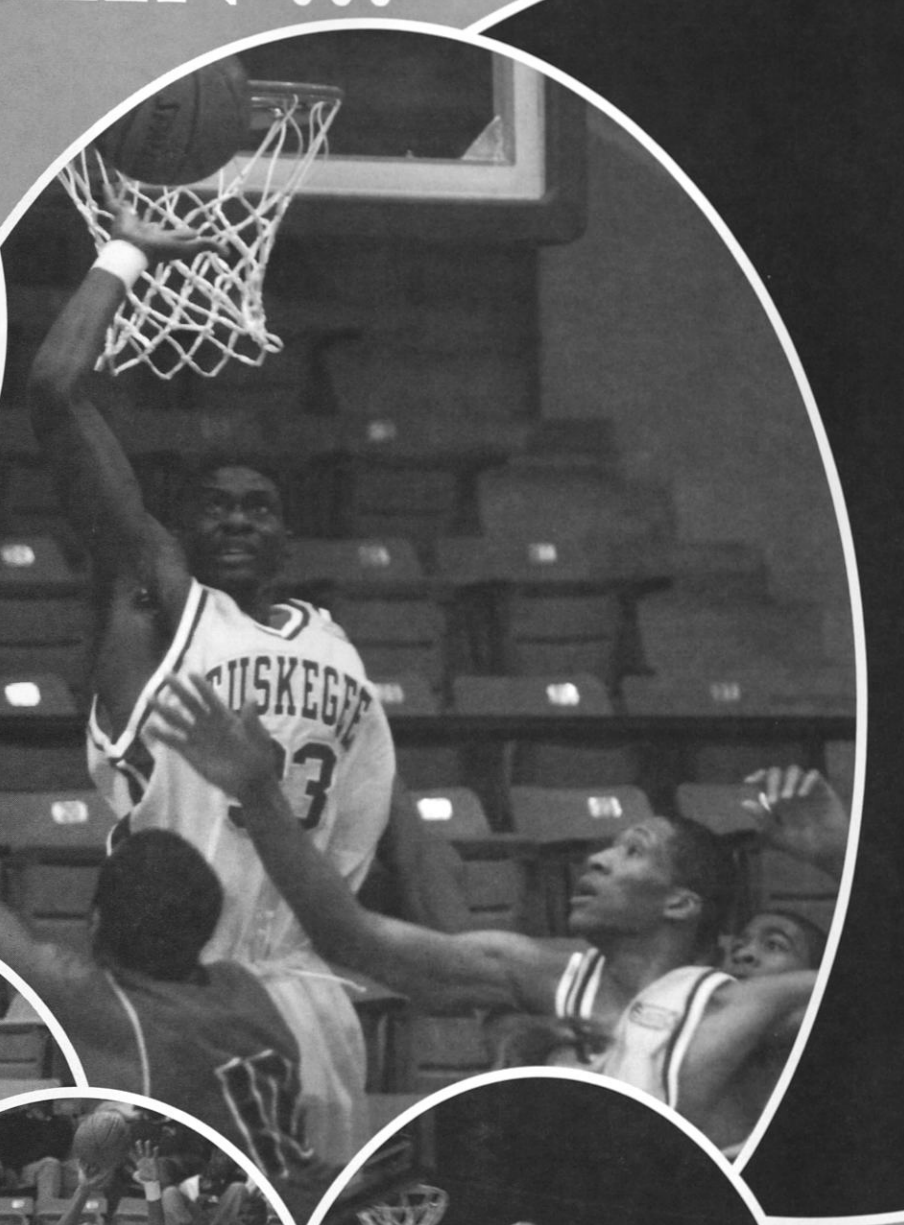

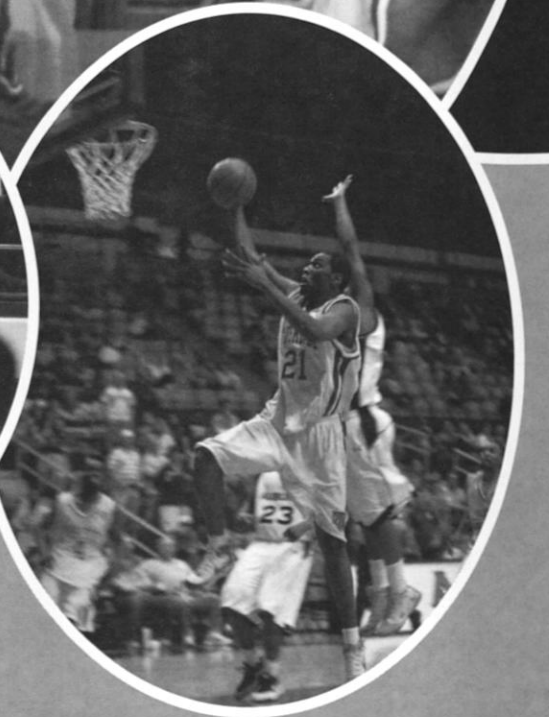

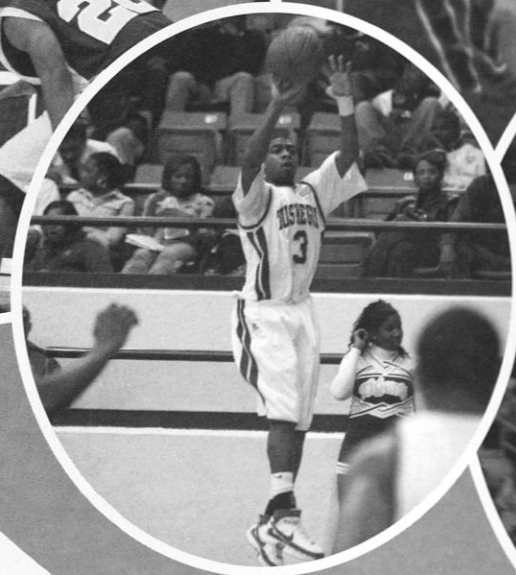

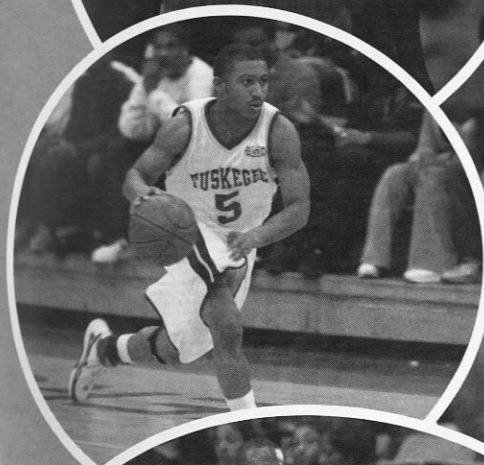

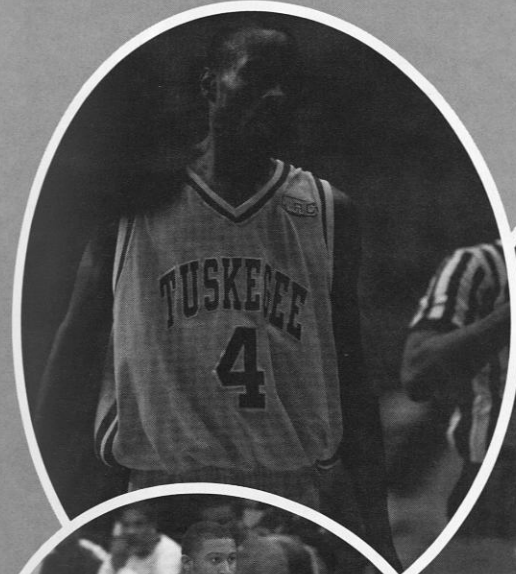

Men's Basketball

These young gentlemen here are the Kings of the court!!! The Golden Tigers' speed and ability is unrivaled on the court. They are energetic and fearless, always ready to defend the honor of their home court. Many teams take them for granted, but soon realize they are experiencing the calm before the storm. Then, finally our Tigers shows them who's boss. GO TIGERS!

Kings of the Court

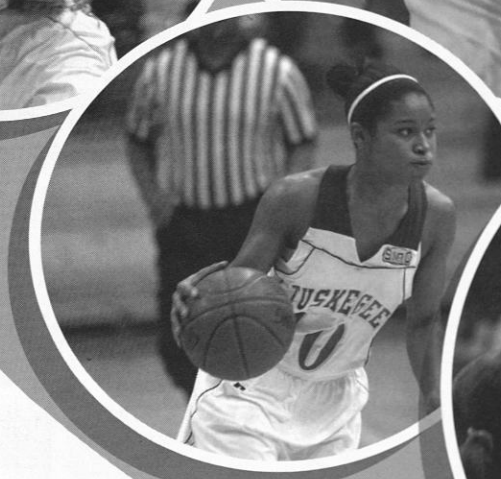

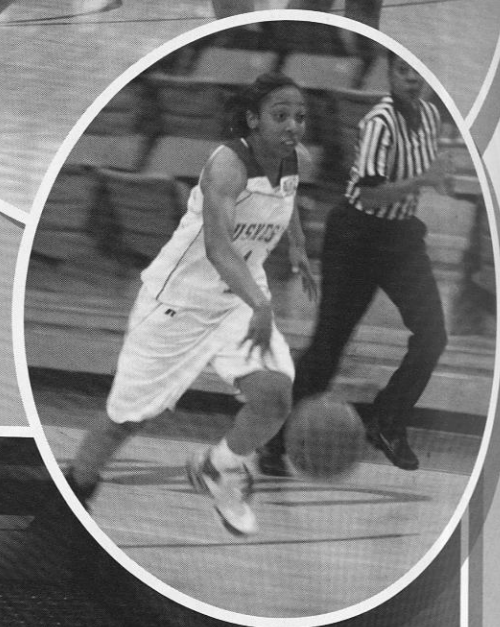

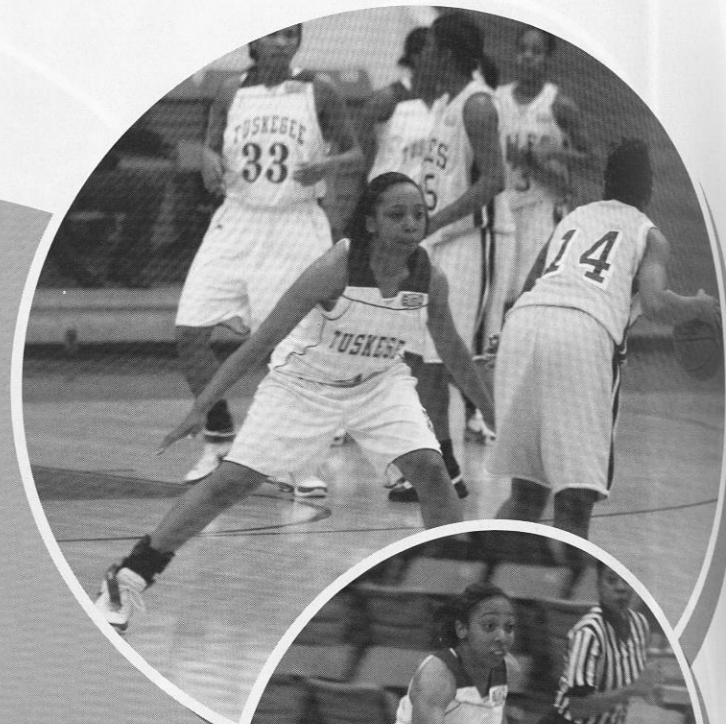

BALLIN'!!!

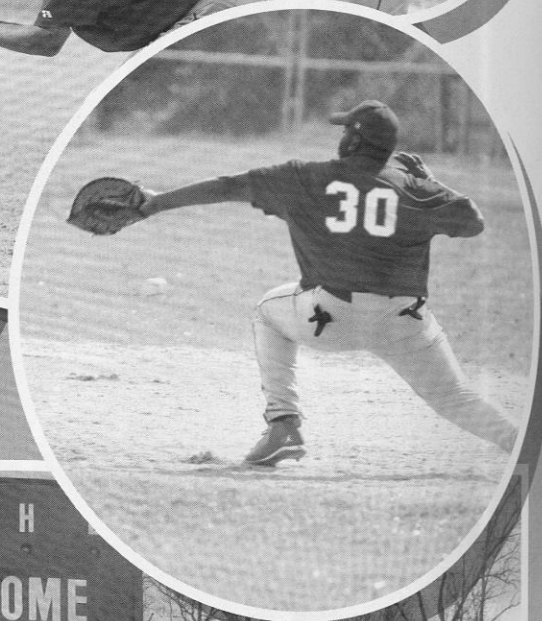

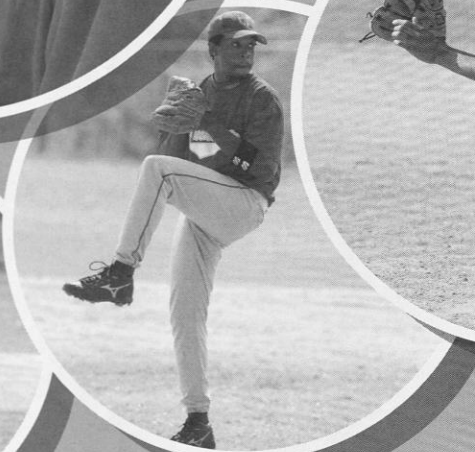

Women's Basketball

Our Lady Tigers are a force to be reckoned with. They play the game with great skill and display high class while doing so. The Lady Tigers understand the importance of balance and teamwork, which are necessary to obtain any victory. These select women are highly respected for what they do, that's why they have the title of THE QUEENS OF THE COURT.

The Queens
of the Court

Baseball

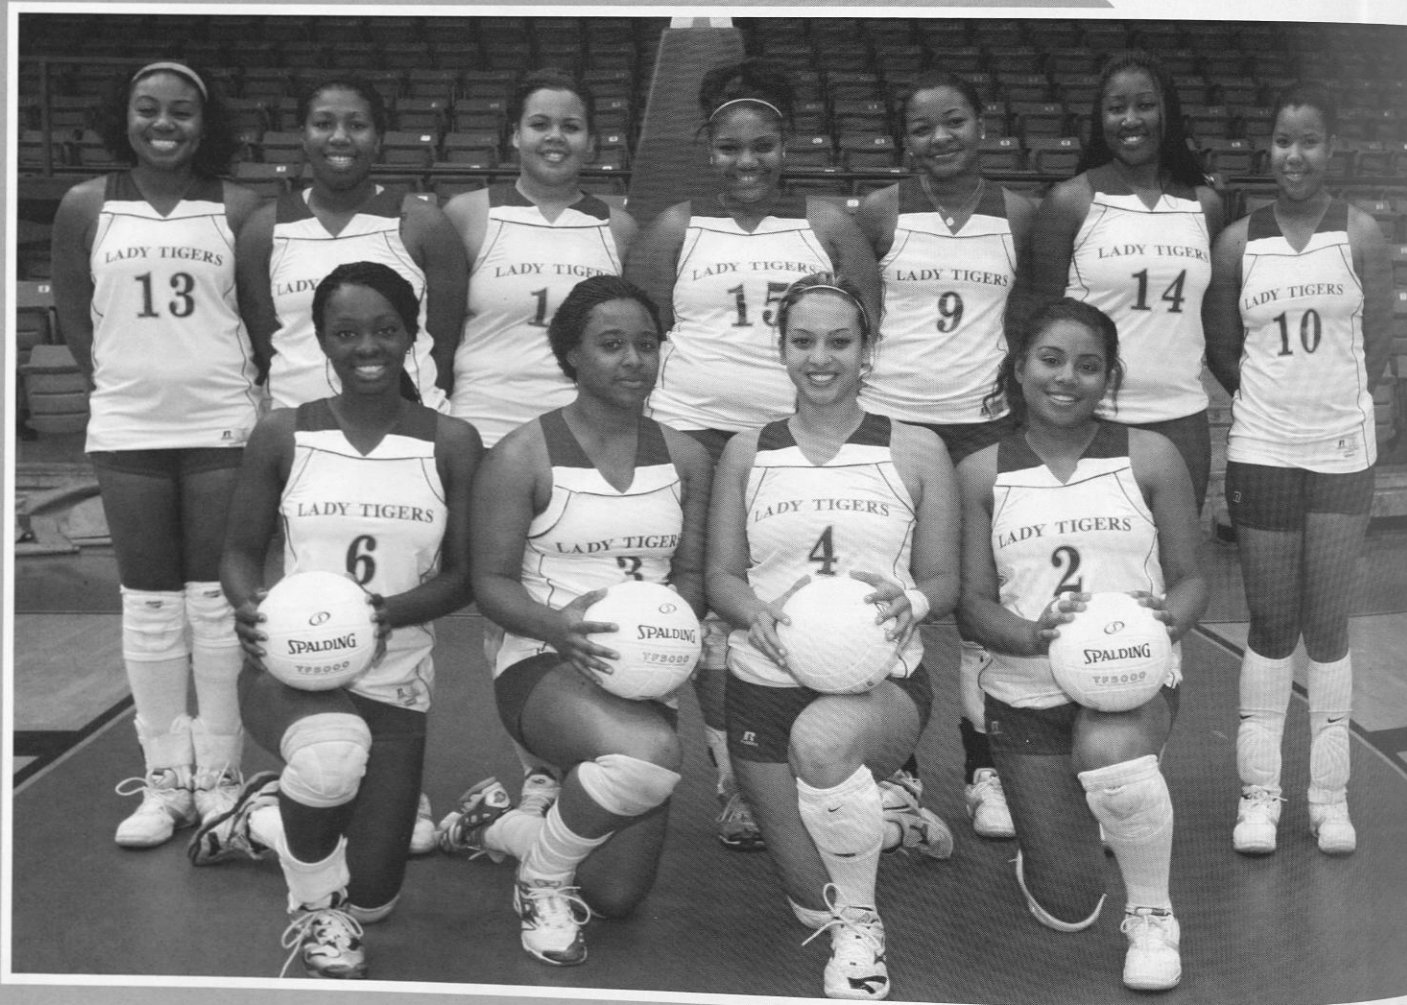

Softball

Women's Volleyball

DIG, SET, SPIKE!!

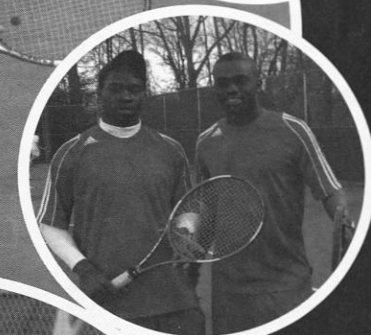

Tuskegee University cheerleaders are highly motivated, dedicated, and very talented young men and women. They have continued that legacy for this school year by raising the standards of our athletes. Tuskegee cheerleaders are required to cheer at all football games and at all women and men home basketball games. This year's squad worked hard, had fun and were the best performers on the floor!

Great minds don't always think alike ...

Tuskegee University has a legacy of producing great minds from Booker T. Washington, to George Washington Carver, to the Tuskegee Airmen and others. At Alabama Power, we value diversity – not only in race and gender, but also in ideas and opinions. Running our business requires a number of different skill sets. Serving our customers requires perceptions, perspectives and experiences that mirror those we serve. We're committed to building a workforce in which different skills, backgrounds and thinking come together to create the best electric utility company in the world. Alabama Power values the great minds of the past, present, and future from Tuskegee University.

Always on.™

LAUNCH YOUR CAREER WITH AEROFLEX!

Colorado Springs, Colorado

**Opportunities you're looking for,
to provide the care they expect.**

If you chose healthcare as your profession, your opportunities are wide open. What you want is the opportunity to share what you've learned in an environment that appreciates what you have to offer and the care you can provide.

Community Health Systems, Inc. is the largest publicly-traded hospital company in the U.S., and a leading operator of general acute care hospitals in non-urban and mid-size markets throughout the country. Through its subsidiaries, the company currently owns, leases or operates approximately 120 hospitals in 29 states. Its hospitals offer a broad range of inpatient medical and surgical services, outpatient treatment and skilled nursing care. In addition, through its QHR subsidiary, the company provides management and consulting services to independent general acute care hospitals located throughout the U.S.

We are working to create great places for employees to work, patients to receive care and physicians to practice medicine. If this sounds like your kind of organization, come see which opportunities might be right for you.

Be A Reason

I could give you a million reasons why nursing is different at Children's Mercy.

- Every employee has one common goal – working together to serve children.
- Our nurse to patient ratios allow nurses to provide exceptional individualized care.
- You have numerous opportunities to further your professional growth and development.
- Every day I have the opportunity to make a difference in a child's life. I'm more than a nurse, I'm a reason why parent's choose Children's Mercy.

“If you love children or have the desire to work with them, then this is the place for you. The greatest impact of change will be on your own life.”

Be a Reason. Visit www.childrensmercy.org/nursing.

Leaders in Nursing

As a world-renowned, Magnet recognized facility and the nation's highest-ranked health care organization on FORTUNE magazine's "100 Best Companies To Work For" list, **The Methodist Hospital** offers unparalleled opportunities for the professional growth and development of student, graduate and experienced nurses. Working in a shared governance environment, our nurses take pride in practicing the true art of nursing, utilizing evidence-based practice, innovative protocols and cutting-edge technology to ensure excellence in patient care.

At Methodist, we are deeply dedicated to investing in the future of our nursing organization and fostering a culture where our nurses are not only valued, but also nurtured every step of the way. For example, each graduate nurse that joins our team participates in **The Methodist Hospital Nurse Residency Program**, a collaborative venture with University HealthSystem Consortium designed to help transition baccalaureate nursing graduates from the student role to leaders at the bedside.

Come Join Our Winning Team!

PATRICK MAKES IT POSSIBLE

"There was a six-year-old girl on our unit who had sustained extensive burns to over 70% of her body in a tragic house fire. We weren't sure she would make it. Over the four months that she stayed with us, I became close to her family. They kept her room full of princess stuff, and she even wore a little tiara. I used to sit with her just to talk or to read her stories. She was such an amazing kid. Someone so small, with so much courage, became an inspiration to us all. Now that she's returned to school, she comes back to visit the unit all dressed in pink. She's living proof there's a light at the end of the tunnel."

Patrick Bourke, RN, BSN, Clinical Nurse

New Graduate Nursing Opportunities

As a new graduate nurse of New York-Presbyterian, you will be starting a career with one of the world's most renowned medical centers. Here you'll work alongside the finest minds in nursing, using the latest treatments and technologies. You will also be part of a residency program that provides support and development with regular didactic sessions and mentoring.

Quality Compassion

After a life-changing event, Keith found his heart belonged to Inova.

Scott Rex Ely

"My wife, Theresa, underwent a successful heart transplant at Inova. Two years later, she ultimately succumbed to kidney failure. For two years after that, I was still receiving regular phone calls of support and well being from the nurses and staff who cared for my wife. When I decided to change employers, I joined Inova. I owe more to Inova than my soul can imagine."

Colophon

The 2009 *Tuskeana*, Volume 72, is titled "The Unveiling." The publication was created by the student yearbook staff at Tuskegee University, under the advisement of Kawana McGough and Janene Tate of the Office of Marketing and Communications. It was printed by Walsworth Publishing Company. The Walsworth representative was Jenna Riffer and the plant customer service representative was Barb Tschannen.

Cover

The cover design is by *Tuskeana* editor, Tolu Onansanya. The cover is 4 color process printed on CIS Gloss Cover on 98 pt graphic FSC Recycle with a gloss laminate.

Photography

Photographs were taken by the student media photographers. The staff included: Dara Eskridge, Khiry Jones and Chris Ford. Photos were also contributed by Joe Oliveira of the Office of Marketing and Communications, alumnus Raymond Moore and current students. Thornton Studios of New York photographed all headshots for faculty, staff, seniors and underclassmen.

Printing

This book was printed on Legend Matte 70# stock. The book consist of 36 pages of color and 124 black and white pages for a total of 160 pages.

Production

The 2009 *Tuskeana* was produced using Walsworth Publishing Company's Online Design software.

Copyright

Tuskegee University has recorded its rich history in yearbooks since 1922, beginning with the *Carver*. The annual has been known as the *Tuskeana* since 1939. Previous names include the *Victorian* (1924); *Crimson and Gold* (1927, 1928, 1938); *Annuallette* (1935); and the *Loganete* (1936-1937).

Acknowledgements

The *Tuskeana* advisers and editors would like to thank all of those who help make this year's yearbook a success. Thanks to Thornton Studios of New York; Academic Publication Services of Sarasota, Fla., and all of our advertisers; Joe Brown and Curtis Lewis of Student Life; James Arrington of Auxillary Services; Tuskegee University Campus Technology; Clare Reed of the Office of Marketing and Communications; Edrice Leftwich and Costanza Hoffman of the Registrars Office; the Veterinary Medicine Media Center; Captain David Macon of Air Force ROTC; the Department of Athletics and Sports Information; and McQuick Printing Company of Montgomery, Ala.
