

Let me tell you about "The Soul of Skegee" - It is going to a packed Caf on fried chicken Wednesdays and fried fish Fridays and watching the line dances that break out to the music. It is walking to class and waving to a friend going in the opposite direction, realizing this is the same ground that Dr. Booker T. Washington walked on.

The Soul of Skegee is going to a work-study job helping faculty and staff researchers who are carrying on and advancing the works of that great scientist Dr. George Washington Carver.

The Soul of Skegee is going to choir rehearsal everyday at 5pm, realizing you are in the very choir and singing the actual songs written by the great William L. Dawson. That same inspiration helped to create amazing entertainers like Lionel Richie and Tom Jovner.

The Soul of Skegee is catching the Greeks 'stepping' on the yard. realizing that same spirit produced hearts of champions like Gen. Daniel "Chappie" James Jr., Alice Coachman & Amelia Boynton Robinson,

The Soul of Skegee is feeling that family atmosphere and that compelling force that created great minds such as Ralph Ellison, Albert Murray, Lonnie Johnson and other greats.

The Soul of Skegee is being a Sophomore, Animal Science Pre-Vet Med Scholar from Detroit, MI, and serving as Editor in Chief of the student yearbook. which is helping to preserve the history of this great university. It has not been a piece of cake, but it has been a pleasure.

- Sha'Kiya Madison

The Staff of the Tuskegee University Student Yearbook has worked very hard to capture many of the events of this academic year, and some very memorable moments experienced by our students.

Members of the dynamic 2018-2019 Yearbook Staff included: Sha'Kiya Madison, Nia Anyike, Robin Mardis, Ashanti Coffey, Arseilus Brown, Essence Epperson, Xaria Romero, Rodney Hicks, Bryshawn Whigham, Desiree Bailey, Nia Foy, Paris Gray, Joelle Hardaway, Nina Hylton, Naomi Ivy, Sydney Johnson, Christopher Jones, Dajah Lasenberry, Heather Molden, Tasha Rhodes, Tierra Rhodes, Sydney Sims, Darian Walker, Dominique Williams, Vivian Wright, and Melody Wilson, who also served as the Editor in Chief of the Campus Digest.

I want to thank the Office of Student Affairs, Student Life and especially Mr. Joe Brown and the SGA for helping us get this book printed so that our Graduating Seniors can receive their own personal copy before they leave campus.

Memories of your time spent here on this campus are priceless!! That is why it is my hope that you will give back to your Alma Mater to help keep it viable and keep memories flowing for future students. The Student Yearbook must never cease to exist. Please encourage students to keep "The Tuskeana" going strong EVERY year!!

For these are memories of lives lived on this wonderful campus. These are memories of new friends made in the classroom, who became study buddies; of roommates that we have lived with and laughed with for three, four or more years-friends that should never be forgotten.

These are some of the best years of our lives!! So, we captured some of those memories between the pages of this yearbook. We hope that you will treasure it for years to come.

A change of command is a military tradition that represents a transfer of authority and responsibility for a unit from one commanding officer to another. The passing of the unit's colors from outgoing commander to incoming commander ensures that the unit and its soldiers is never without official leadership, a continuation of trust, and signifies allegiance of soldiers to their unit's commander.
