From the Editor...

This has been a year of adjustments at Tuskegee; many things have been changed, many problems solved.

To us, the greatest adjustment has been that of trying to produce an annual worthy of the time, money, and effort which must be given and at the same time acquaint an entirely new staff with this complex task. The 1952 TUSKEANA Staff attempted to produce a book which would be interesting to a wide audience, and not merely to the group covered by the publication. Producing the best yearbook in Tuskegee Institute history requires more than a little time or effort. But accomplishing the task furnishes us a compensating satisfaction.

Although this book was produced primarily for this year's seniors to help them recall now and later the events of 1952, it is our sincere hope that it will offer to everyone at Tuskegee a glimpse into one year of life at our school. The story of a year at Tuskegee is told with the basic elements in modern graphic arts—photographs, type and white space. Simplicity has been our keynote in this 1952 TUSKEANA. We have tried to produce a book which says, "This is Tuskegee"—one which you will be proud to show to your friends, share with your family, and compare with other college yearbooks. Whether we have succeeded in this, our goal, is for you to decide, as we present the 1952 TUSKEANA.

CHARLES GOODE GOMILLION

*This Annual is respectfully dedicated to*

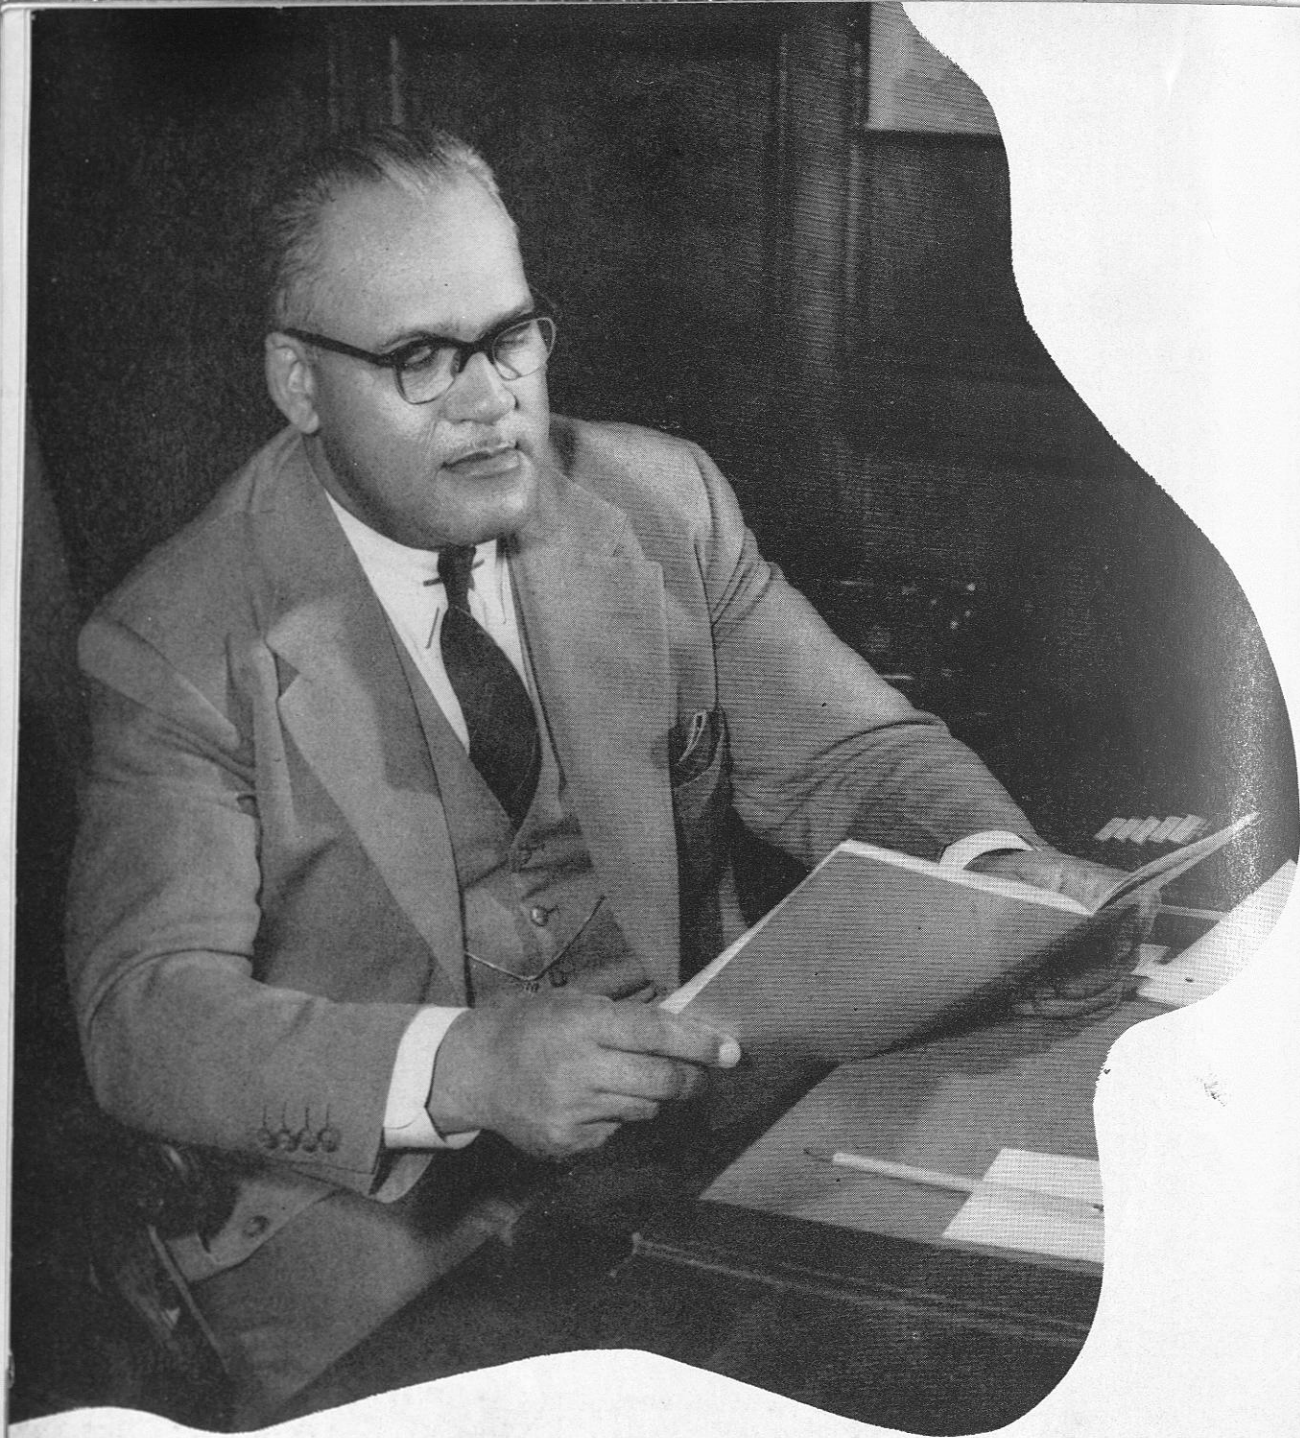

CHARLES GOODE GOMILLION

*Dean of Students and Assistant Professor of Sociology*

For more than a decade he has devoted his entire time to the improvement of civic welfare on the campus, in the community and throughout the state. He has worked untiringly for the welfare of students and the betterment of student life at Tuskegee Institute. He has given of his means and his energy for the good of humanity.

For his ceaseless efforts and his never-ending fight for the "Brotherhood of Man," the Class of 1952 is honored to pay him tribute.

DR. FREDERICK D. PATTERSON

Tuskegee Institute takes pride in giving to the world, as its graduates, members of the Class of 1952. It is confidently believed that these young women and young men are fully competent in their professional specialization, and that they are good citizens with the ability and the desire to render genuine service to their fellowman. They are simple, straightforward, uncomplicated young people with a sense of the beautiful and reverence for the divine. I confidently predict that each of them, in his or her own way, shall know the joy of significant achievement.

The Alpha Kappa Mu is the national honorary society on the campus. It is maintained for the purpose of encouraging scholarship and achievement among students. In order to become a member, one must be a junior in college, and must have an accumulative average of at least 2.3.

# WHO'S WHO

## AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

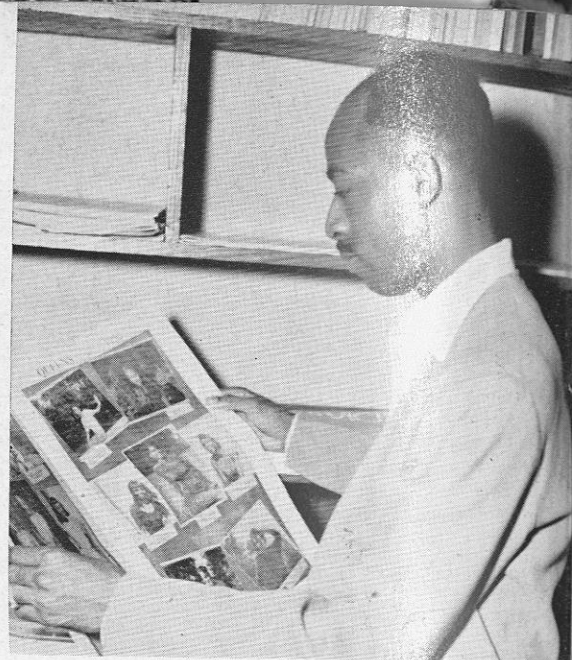

WHO'S WHO is a national organization that selects distinguished students throughout America for their scholarship, leadership, cooperation in educational and extra-curricular activities, general citizenship, and promise of future usefulness. Who's Who was organized in 1934-1935 to give recognition to those students who contributed most to school life.

Students nominated and accepted will be listed in the annual directory of distinguished students from colleges and universities throughout America. This annual will give a biographical sketch and write-up of each student selected.

The 1952 TUSKEANA began at the start of the fall quarter with the selection of the Editor-in-Chief, Editor and Business Manager by the Senior Class. The Editor, realizing the fact that all staff members were inexperienced, set forth with many ideas for a bigger and better book. As time moved along, the essential things began to fall in place. The designing of the cover and shaping up of the first few pages helped the staff to gain confidence. By the end of the fall quarter the book was well ahead of the publication date.

During these months, the 1952 TUSKEANA has been ours, in the making. Now, we give it to you with the hope that it will bring back many memories of a wonderful year at Tuskegee Institute. If it does this, then our task has been accomplished.

"Making the deadline."

Once again the *Campus Digest* ended a successful year, having given Tuskegee students five issues filled with a variety of copy ranging from top notch editorials to jokes. The same policy of trying to please as many students as possible with as many different kinds of literature as possible was carried out.

Edmondson Overton, having been elected Editor for the 1951-52 term, returned to school at the beginning of September, organized his staff and made preparations for the first edition. Upon completing the formation of the staff, the Editor found that the appropriation to the *Campus Digest* for 1951-52 had been cut to that of half from the preceding year. This presented a very perplexing problem for his Business Manager, Robert "Buzz" Thurman, as a limited budget made it difficult to satisfy the demands of the students.

With the help of an able staff—which included John Smith, Randolph Brewster, Laura Porch, Willie Bray, Harold Jenkins, Myrtle Poole, Burnel Coulon, Lorenzo Bell, Raymond Tilghman and others—two fine editions appeared before the 1952 year began. The annual Homecoming edition was the first to appear and upon seeing the tremendous demand for more copies came the promise of additional funds which would indicate more issues as the year would pass. Later these funds were given and helped round out a very successful year.

"Getting out feature news."

The Tuskegee Institute Student-Faculty Council has enjoyed one of its most productive years, despite the fact that all issues considered this year were of a highly controversial nature. Some issues considered were: Extending the library hours to accommodate Five Year Plan Students and extending dance hours.

The Council sponsored the three big dances of the year, namely, Freshman Acquaintance Dance, Christmas Dance and "Miss Tuskegee's" Coronation Ball. In addition, the Council sponsored a bonfire which preceded the homecoming activities and took full responsibility for arranging for Homecoming. The Council has supervised the publication of the *Campus Digest*, which is the school paper.

In the area of fostering better Student-Faculty relations the Council has met with President Patterson to advise him of the students' views on matters of common concern. At the request of the Chairman of the Council, J. H. Smith, Jr., the President of the Institute met informally with the student body, when it was deemed necessary by the Council.

The Council finished its program for the year by supervising the election of "Miss Tuskegee," appointing new members to the various committees of the Institute, sponsoring the "Leadership Institute," which meets once each quarter bringing together all officers of campus organizations, and preparing for a revision of the student handbook.

## INSTITUTE SCHOLARS — 1951-52

Front row, left to right: Irvin W. Fuller, New Orleans, Louisiana, sophomore in School of Mechanical Industries; Helen Lois Moore, Tuskegee, Alabama, sophomore in School of Education; Orlan P. Hayes, Florence, Alabama, freshman in School of Engineering. . . . Back row, left to right: David H. Drayton, Georgetown, South Carolina, senior in Department of Physical Education; Barbara D. Williams, Tuskegee, Alabama, junior in School of Home Economics; Wilma J. Harris, Tuskegee, Alabama, sophomore in Department of Commercial Dietetics and Institution Management; Ptolemy A. Reid, British Guiana, South America, sophomore in School Agriculture in 1950-51, but currently a freshman in School of Veterinary Medicine. Not shown are Mineva V. Atkins, West Palm Beach, Florida, sophomore in School of Nursing and Lanxter D. Webber, Washington, D. C., junior in School of Veterinary Medicine.

The Institute Scholars for 1952-52 are the nine students—one from each of the nine degree-granting schools—who were classified as Freshmen, Sophomores, or Juniors during 1950-51, and who made the highest academic or scholastic grade point average above "B" or 2.0 in the schools in which they were enrolled in 1950-51.

Some of the scholars are active in student organizations and extra-class activities. Orlan P. Hayes is president of the Sophomore Class and a member of the Student-Faculty Council; David

H. Drayton is President of the Physical Education Club; Barbara D. Williams is an Institute Cheer Leader, a member of the Scholarship and Prize Committee, and listed in *Who's Who Among Students in American Universities and Colleges*, 1951-52; Ptolemy A. Reid is president of the Canterbury Club and president of the Forensic Society.

Each scholar who is not registered on the G. I. Bill is given a financial grant by the Scholarship Committee.

Voluntary student Christian groups have been a part of the campus life of Tuskegee Institute since the founding of the Institution.

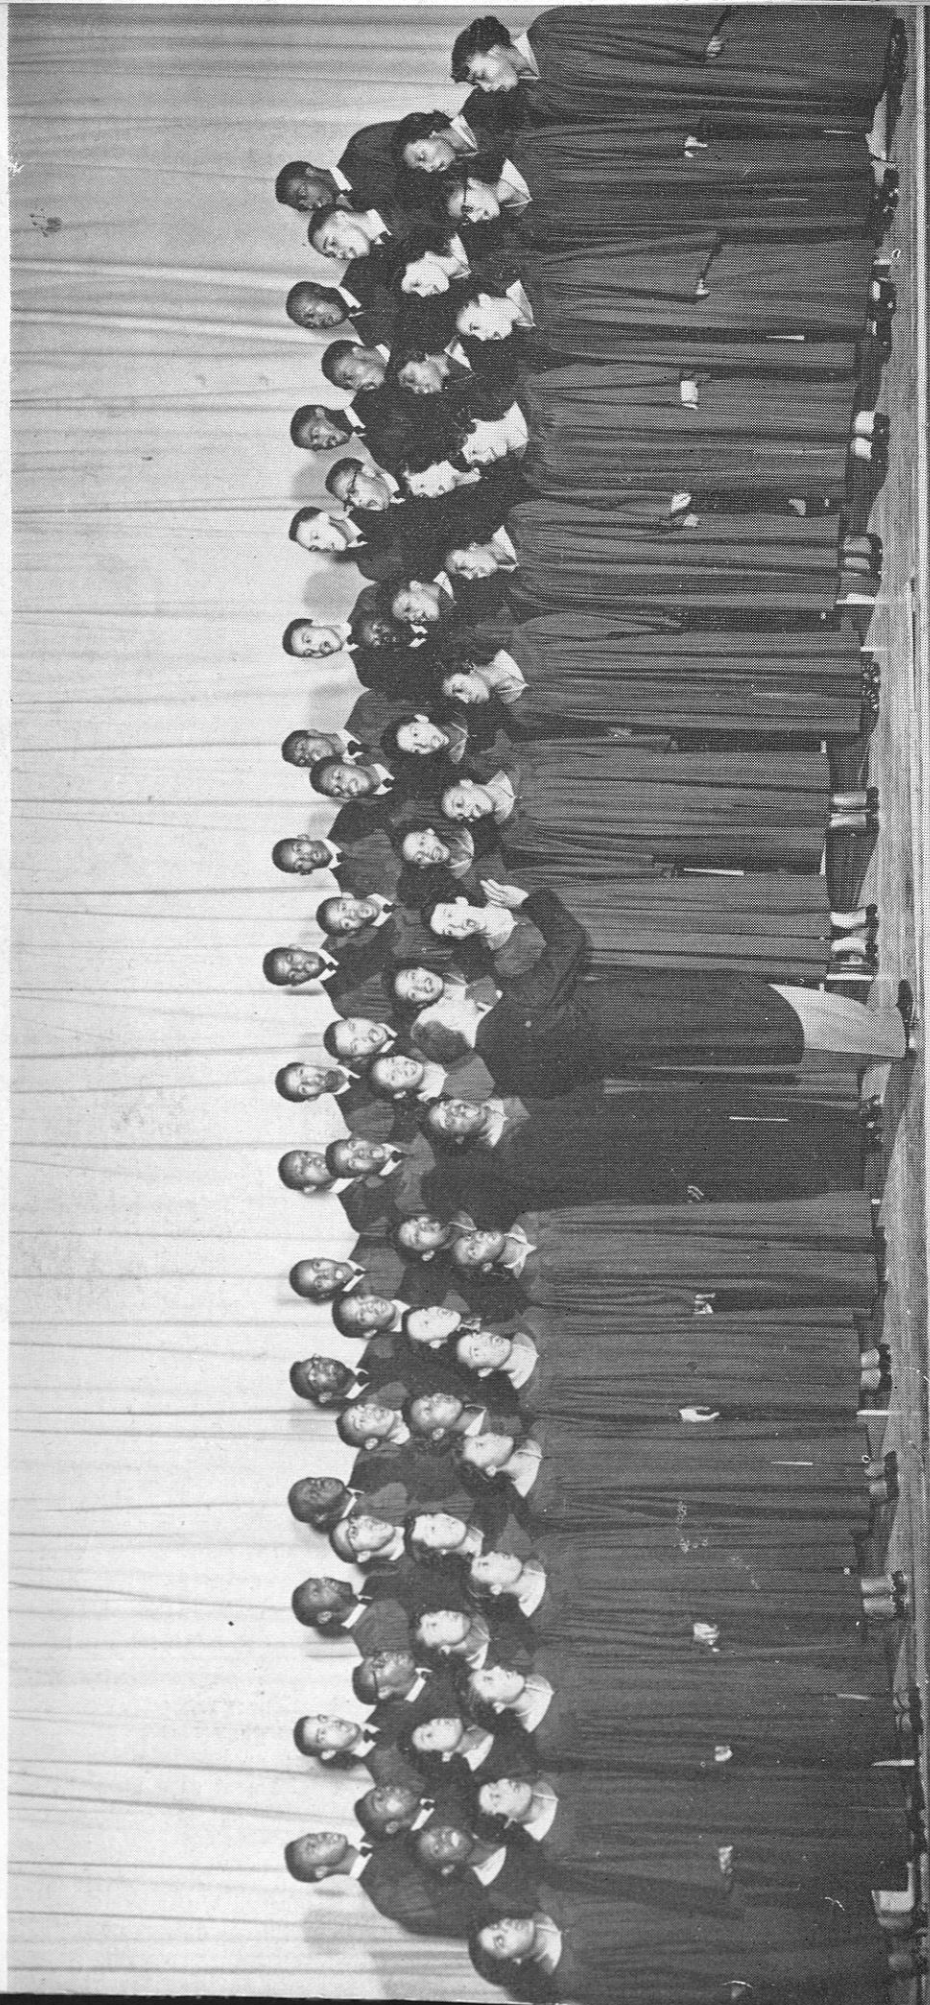

The YMCA originated in London in 1844 when George Williams, a young clerk in a dry-goods store, and eleven fellow clerks associated themselves together "for the spiritual and mental improvement of young men in the drapery and other trades." The idea of young men uniting to express their Christian convictions in their places of work spread rapidly throughout Britain and the continent. The first YMCA in the United States was formed in Boston in 1851.

The first students to adapt the YMCA to the needs of their place of work, were at the University of Virginia where a YMCA was formed in 1858.

By 1877 there were YMCAs in forty colleges but still there was no intercollegiate organization. A Princeton student urged campus YMCAs to send delegates to an International Convention of the YMCA where the Intercollegiate YMCA was formed in 1877. Three of the twenty-one chartered Associations were in Negro colleges. The new movement grew and in ten years enrolled 12,000 members in 258 colleges.

Since the establishment of the YMCA at Tuskegee Institute, it has become a member of the National Student YMCA. The YMCA of Tuskegee Institute is unequivocally striving to promote the standards of Christian fellowship and help students gain clearer concepts of the true meaning and values of wholesome Christian living.

## ASSOCIATED WOMEN STUDENTS

This organization is composed of the entire female student body. Its purpose is to create better human relations and to solidify the female student body. Such an organization as this tends to make the students feel the necessity of a strong force of leadership that belongs on a college campus. The regular meetings of the AWS are held in the Institute Chapel and they are supervised by the Dean of Women and the various dormitory matrons.

Each year near the end of the winter quarter the AWS Banquet is allied with the United Men's Congress to highlight the activities of both organizations. The president of this organization is selected by the students and from the student body represented.

## CHAPEL USHERS

These men are members of the R.O.T.C. and they serve as ushers in the Institute Chapel during services on Sunday and other special events. They render their services voluntarily and with the smoothness and effectiveness that is to be expected of them. There are sixteen ushers and they are selected on the basis of their morals and by those who see and respect these qualities in them. The main feature of the Chapel Ushers is that of taking the general offering during Sunday services on the campus. This is done in strict military manner and through rehearsed stages.

# ZETA PHI BETA

On June 16, 1920, at Howard University the first chapter of the Zeta Phi Beta Sorority was formed by Viola Tyler, Arizon Cleaver, Myrtle Tyler, Fannie Pettie and Pearl Neal, all of whom are nationally recognized as the founders. Since that time, however, chapters have been formed over the country in our leading colleges and universities.

The National Project of the Sorority is the observance of "Finer Womanhood Week," which takes place on February 3 through February 17 of each year. In addition, the Sorority endorses and contributes to the annual drives of the following benevolent organizations: Infantile Paralysis Drive, Crippled Children Seals, Community Chest, Tuberculosis Seals and the United Negro College Fund Drive.

# PHI BETA SIGMA

The Phi Beta Sigma Fraternity was founded on January 9, 1914, at Howard University by A. L. Taylor, C. I. Brown and L. F. Moss. The establishment of Beta Kappa Chapter occurred on Tuskegee Institute campus during the Spring Quarter of 1948. Since the existence of the chapter, we have set as our ultimate objectives, the development of character, the promotion of brotherhood and service to all mankind.

Through frequent association with the many students here at Tuskegee, we have found a large number who have been inspired by the progress of our chapter; therefore we feel reasonably sure that the work we are doing will help to carry out the plans of our program.

## KAPPA ALPHA PSI

Kappa Alpha Psi Fraternity was founded January 5, 1911 at Indiana University, Bloomington, Indiana, being incorporated by the State of Indiana on April 15, 1911. It was first known as the Kappa Alpha Nu Fraternity. In 1914 the name was changed to Kappa Alpha Psi Fraternity. The efforts of three men, Elder W. Diggs, Byron K. Armstrong and John M. Lee, were outstanding in the organization of the fraternity.

The Guide-Right movement, now the national service program of the fraternity and three other national programs, Housing, Scholarship and Grant-in-aid to worthy projects were established to assist in carrying out the program of the fraternity.

Gamma Epsilon Chapter of Kappa Alpha Psi was organized at Tuskegee Institute on April 15, 1948. Throughout the short years of its existence, it has grown and is continuing to grow in strength and brotherhood.

"Duke of Dakota" as he is sometimes called, was a great athlete from South Dakota State College. He has headed the Department of Physical Education and Athletics at Tuskegee since 1923. Through the superior ability of Major Abbott, Tuskegee has earned more athletic victories than any other college in the South. He has pioneered with spectacular results in track and field events for women, in both national and international contests; including the Olympic Games, England, 1948 and the Pan-American Games, South America, 1950. To Major, the maker of champions, with Tuskegee as the home of championships, we point with pride by saying "Great Leaders Never Die."

*Co-Captain*

WILLIAM M. LEWIS . 6' 165 lbs.

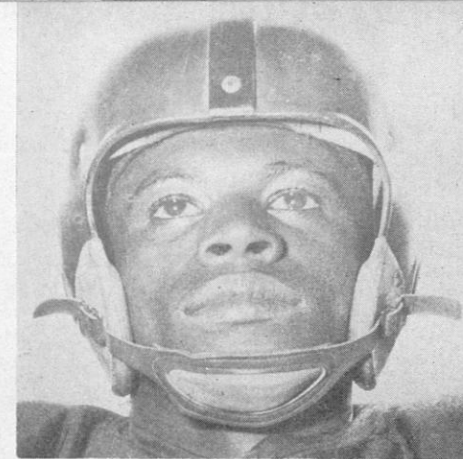

"Cap" played some good ball this year from his left end post. He was an excellent pass receiver. He displayed lots of devastating blocking and running with the Tigers.

*Co-Captain*

LEROY PORTER . . 6'2" 180 lbs.

"Radio" was a tall rangy flankman for the Tigers. He can really cover his territory speedily, and he showed well as a pass receiver during the season. Porter was also mentioned on the all SIAC Team.

*Co-Captain*

CARL ALLEN . . . 5'11" 160 lbs.

Carl was a brilliant quarterback who finished last season. In his last year he made all SIAC. He was a good blocker and general field player. Also he won a trophy for the best showing in the Dixie Classics.

WILLIAM H. BROWN . . . . 5'10" 170 lbs.

B'Ham Brown came through like an experienced regular when he was thrust into the halfback slot. His wide end sweeps brought the stands to their feet many times. He will be missed next year, without a doubt.

RONALD BRAYNON . . . . 5'11" 160 lbs.

"Nip" is a splendid team man and with more experience he should become a very valuable player. Braynon has a keen mind and calls plays very well. He will see plenty action next year.

LEON STEWART . . . . 5'10" 160 lbs.

"Muscles" was made a guard because of the lack of linemen, and made the varsity team as a good man on leading his teammates around end and down the field.

LESTER JOHNSON . . . . 5'10" 160 lbs.

Lester is entering his last year and is the best defensive end on the Tiger squad. He is small but shows his size in his ability to get his man. Watch him next year.

NORMAN JACKSON . . . . 6' 205 lbs.

"Shot" showed ability last year at the tackle slot, and was an excellent blocker. He is a great defensive man who plays heads up ball.

WILLIAM L. BROWN . . . . 6' 175 lbs.

"Bee Bee" played some good ball this year, he played both tackle and center. He showed up best in tackle as a hard charger and an excellent man on defense.

ROBERT HUNTER . . . . 5'11" 170 lbs.

"Bob" is another man who plays two positions, end and tackle. Playing defensive end, he is a hard man to get around, and offensive tackle, a hard charger.

JAMES REDDICK . . . . 5'9" 155 lbs.

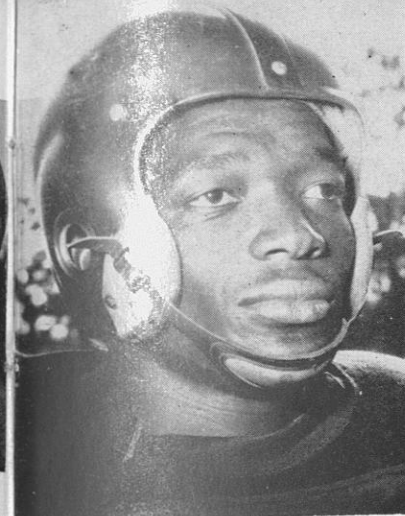

"Whahoo" has really improved in this year's season with the Tigers. He has played good ball and is expected to be on the starting eleven next year. Watch him, he is one of the fastest halfbacks on the squad.

MILES MacAFEE . . . . 5'10" 150 lbs.

"Mac" is a freshman on the squad and was a little off his first year, but has good football ability in the halfback position. Mac is a good punt returner.

LEONARD COBBS . . . . 6'1" 225 lbs.

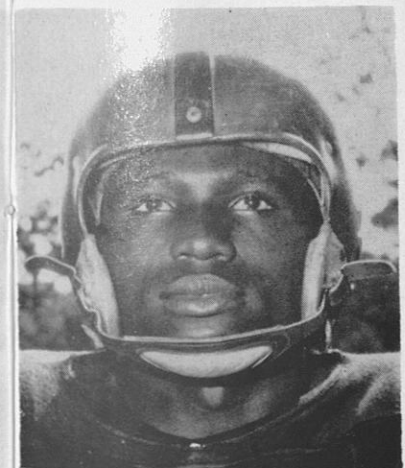

"Captain Hornblower" has great possibilities with two years experience behind him. He should be a valuable man to his team as a fast and vicious tackle next year. Watch him.

FRED GASTON

5'11" 180 lbs.

Freddy played some good ball this year until he broke his foot in the Morehouse game. He was one of the fastest men on the Tiger squad; he played both end and halfback. His major is Physical Education.

SAM COOPER

5'10" 150 lbs.

Sam came to Tuskegee from Liberia, Africa, and he is one of the best kickers we have. He made the change from soccer, which he mastered in his own country, to football. Watch him also.

ALLEN WILLIAMS

5'11" 150 lbs.

Allen played his first year with the Tigers and he is a good man. With a little more experience he will be able to do a lot next year. His major is Physical Education.

AMOS BOZEMAN

5'10" 155 lbs.

"Poopie Dat" is a great runner in the halfback slot, and since some of the seniors have finished, he should take over the halfback position in '52. Watch him.

Mary McNabb should be the most talked about person in track this year. Last summer Mary won the 50-100 and 200 meter races in the National Track Meet in Waterbury, Conn. in the Junior Division; then came back the next day to win the 100 and 50 meters in the Senior Division. Mary is majoring in Physical Education. She is also slated to set some new records in the Olympic Games to be held in Finland this summer.

## Acknowledgement

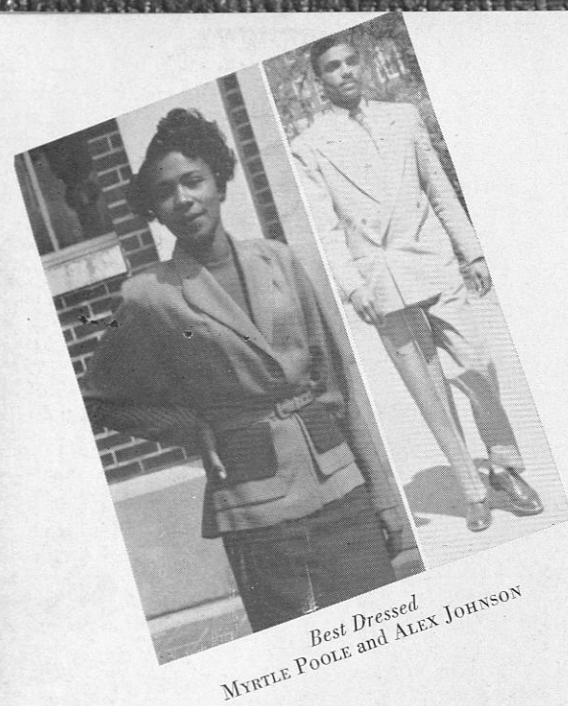

The staff of your 1952 TUSKEANA hopes that it has recorded for you the highlights of the 1951-1952 school year. We recognize that it is impossible to include all of the events of significance during this time.

The patience, understanding, energy and time given by each member of the staff, plus the invaluable assistance of those who were not official members of this group is gratefully acknowledged. To this team which has made this publication possible I give my sincere thanks and appreciation.

# CLASS HISTORY

Lest we forget, we will always remember the endearing years that have gone to make up this class history. Even now, it all seems like a dream which just began a short while ago. As we pause now, we find the curtains of time slowly going up to allow the "Parade In Review" of our past.

In September of 1948, hundreds of new students arrived on the campus of Tuskegee Institute eager to join others in the search for education. None knew exactly what would face them, but all were anxious to find out. These new members of the campus community, the freshmen, assumed the familiar roles of "Crabs" and "Crabettes." With these roles went all the glory that belongs to the freshmen.

The first year was filled with many exciting and profitable experiences. Carl Hill was elected president. He, with the help of Mrs. Elizabeth Payton Wright, served efficiently. Under his leadership the Freshman Class began making the campus community aware of its potentialities. Myrtle Poole was elected "Miss Freshman" and reigned with all the pomp and dignity befitting true royalty. The Freshman Float won third prize in the Homecoming Parade and it was selected on the basis of its merits and uniqueness. Through the year the class showed promise and contributed heavily with its many talents. The class as a whole made outstanding contributions in out-of-class activities, and held many key positions in campus organizations and activities which previously barred Freshmen.

Alas! the former Freshmen were together again as Sophomores. Seemingly the students became more active this time. The Sophomore year found Robert Ferris at the helm, and Myrtle Poole as its Secretary. Ethel Huntley was elected "Miss Sophomore," and no more gracious and lovely lady could have been chosen. The Sophomore women had the honor of being selected as the most refined and the most womanly students on the campus, and were recipients of many awards. This was the year that sororities and fraternities were to accept a few members of the class for membership. How proud we were of them as we knew they represented the finer qualities of the student body at large. Many members of the class excelled in various forms of activities. The basketball and football teams, the *Campus Digest* newspaper, the *TUSKEANA* yearbook, Student Council and many other important committees were dominated by our class. The boys' basketball team had such outstanding players as LeRoy "Radio Red" Porter, Norman "Shot" Jackson, Jesse Davis, and a few others. The football team gained many of its outstanding players from our class—Carl Allen, William M. Lewis, LeRoy Porter, and William Campfield.

The Junior year arrived and the class had dwindled considerably. Many of the students felt unequal to the task and did not return. Despite its decreased numbers the class continued to contribute to the non-academic life of the Institute. Lafayette Alexander was elected president; Myrtle Poole was elected "Miss Junior"; Robert "Buzz" Thurman was elected president of the Student Council of Mechanical Industries; and various other members served on the Student Council and acted as representatives to conferences and conventions. The Junior-Senior Prom was a thing of beauty. Those who attended said it was an evening well spent, one that they would not soon forget.

Perhaps the greatest single achievement of our Junior year was that of the selection of "Miss Tuskegee." The candidates, being all Seniors, were hard to choose from. However, this noble position became that of Miss Clemmie Morrison. She was considered to be the fairest of them all and certainly the most beautiful "Miss Tuskegee" ever to set enthroned. She reigned with all the color and splendor and dignity that was to be hers. She selected as her attendants, Miss Omega McKinney and Miss Selvey Westley. The three of them quickly won the respect and admiration of all the students and the campus community.

After three years of hard labor, we the Seniors of 1952 are beginning to plan our places in life. Very little effort need be spent on making a name for our class as we have given to this, our school, the best that we have. As we prepare to leave you it will prove interesting for those not of this class to note the many fine achievements that we have gained. At present we are primarily interested in what we as a group will face in the coming years. These coming years will be, perhaps, the hardest and most bitter ones for us to face, but with the same spirit that we have here it will prove that we are able to take our place along with all others. These years for many will mean continued study for higher degrees, and for many others they will mean competition with those who are now striving to convert this "Iron Age" into what is soon to be an "Atomic Age."

Each year that we have spent here has held something different for each of us. To some of us these four years have meant successful striving, to others they have meant sadness, grief and failure. This, too, is a part of our class and must be remembered as those who came but failed to conquer.

As the curtain comes down on the "Parade In Review" of the Senior Class of 1952, let it be said of us that we are leaving here with the thought of making new and greater gains in all walks of life. From this institution we will journey afar on different roads into a future that shall in turn be histories of us as individuals.

# LAST WILL AND TESTAMENT of THE SENIOR CLASS '52

We, the members of the Senior Class '52, of Tuskegee Institute, county of Macon, and state of Alabama, being of all ages and of partially sound and disposing memories, do make, publish, and declare this to be our last will and testament, hereby revoking all previous wills made by us heretofore.

I, Eunice W. Jones, hereby lawfully will to Gelene Welch, a little flesh to fill out her much too lean face.

I, LeRoy Porter, will my ability to recognize friends to Frank Johnson and my ability to receive football passes to William Allen.

I, Elizabeth D. Livins, will my ability to make and adjust to friends to Mae Rena Pendleton and my ability to dance gracefully to Ann Elliott.

I, Joseph Ford, bequeath my position among the women, to Frank Fennell and James Wintersmith.

I, Omega McKinney, do hereby bequeath to Mollie Player, my charm and personality; and to Josie Hazel, my ability to keep a slenderized figure.

I, Della Mae Terrell, will to Lillie Purfory, my ability to graduate after being here seven years.

I, Elijah Reed, do hereby will and bequeath my voice to some worthy member of the Junior Class in hopes that he will use it to uphold the rights of the student body, holler and cheer our team on to victory and in general, be cheerful and happy at all times.

I, Clemmie Morrison, will to Roland Jefferies my ability to walk fast and to Ponders, my ability to argue with a stone wall.

I, Edmondson Overton, will my position as Editor-in-Chief of the *Campus Digest* to Burnel E. Coulon, with the hope that he will make every effort to keep it "The Voice of the Tuskegee Student." To Norris Farmer I will my ability to "check" and still run the 880.

I, Dwight Burgess, will and bequeath to Charles Stephens, my roommate, my ability to make all choir rehearsals and take blessings from Mr. Dawson with a smile.

I, Vivian Porter, will to Fannie Davis, my ability to carry out promises.

I, Samuel Melton Jr., will my quietness to any deserving boy in the Junior Class; my eye glasses and all my old examination papers to Elisha Belton.

I, Pearl Holmes, will my ability to stay out of the Army until after I graduate to Horace Parrish.

I, T. J. Hill, will my ability to make out a Trade Analysis to George ("Colt .45") Ester.

I, Albert Smith, will to some worthy Junior my ability to make the Honor Roll.

I, Matthew Rivers, will my ability to make a good-looking snapshot to Count Hill.

I, William Henri Andrews, do hereby will and bequeath to Francis X. Littlejohn, my ability to wake up at seven o'clock in the morning for R.O.T.C. classes.

I, Mozelle Foreman, hereby will to Earnestine Byrd, my one and only gray suit and I hope that she will do more with it than I did.

I, Mildred J. Hall, do hereby bequeath to Thelma Neal my position as Basileus of the Zeta Phi Beta Sorority and

to some worthy Junior in Home Economics, my position as president of the Home Economics Club.

I, Alex Johnson, do hereby will to Richard Moton my ability to capture the most beautiful girls on the campus and still maintain a high scholastical standard; and to some qualified Junior my position on the Student-Faculty Council, and may he work hard.

I, William M. Lewis, will Cassedy Hall, Room 20, to Willis Hockett, and with the hope that he will keep it clean and learn how to keep Mrs. Long out of it.

I, Arthur Knowles, will my ability to play Table Tennis to Freddie Hill.

I, Willie R. Bray, will and bequeath to Harold E. Jenkins, my position as the Business Manager of the *TUSKEANA*, and may all your headaches be little ones.

I, Leon A. Wilson, will and bequeath to the individual that becomes Editor of the *TUSKEANA*, all the headaches, sweat, and blood that will go with it; and my position on the Student-Faculty Council to someone who will speak his convictions at the meetings and be able to take criticisms from other people; and to the Treasurer of any organization in hopes that he will be persistent in collecting funds for his organization.

I Robert "Buzz" Thurman, do hereby will and bequeath to Clarence Johnson, my ability to get along with all students and to be the ladies' choice at all times; may he fill my big shoes with all the charm and poise that I exhibit. I further will to Miss Minnie Bumpers my good-naturedness and patience and may she exhibit these with excellence; and to Katherine Turner, I will my love of people and ability to take anything.

I, Walter Russ, do hereby will my ability of manipulative skills on my motorcycle to Sylvester Booker, who with fascinating courage has attained much too much.

I, Prince Williams, will to any Freshman my ability to "Play the Rec" for four years and graduate on time.

I, Estelle Joseph, will to Marrior Tucker my chapel shoes; to Betty Burden my chapel skirt with the hopes that they will have no difficulties in attending chapel.

I, James Leavell, will to Odie Huffman my electrical ability to screw in light bulbs and hope that he doesn't break as many as I did. To James Wintersmith I will my ability to argue a point, no matter whether wrong or right, hoping he will be as successful in winning his point as I was.

I, Lillian L. Sherrod, will to any lost persons my ability to find myself.

I, George Kelley, will my tremendous height to Odie Huffman with the hopes that he will not have to carry ladders from one end of the campus to the other when replacing light bulbs.

I, Joseph L. German, will my position in the English Department to any student who is capable of holding the same.

I, Norman W. Jones, will my ability to make love to Burnel Coulon, and to Charles Hill, my rank as Cadet Colonel.

I, Otto Sampson, will to Foy Petit my studious ability.

I, Hattie T. Waters, will my Presidency of the Senior Class to John H. Smith with the hope that he will continue the good work that he has begun.

BEST WISHES TO ALL

For steak or chop . . . cold cuts or salads . . . soups  
or gravies . . . from the Sexton ensemble you can  
select just the right sauce to give that special savor  
which spells true guest pleasure. Each Sexton sauce  
is blended by experts, from rich aromatic spices and  
other carefully selected ingredients, in our Sunshine  
Kitchens. Recipes that have earned acceptance and  
are backed by three generations of serving your  
special needs. You can be proud to display the  
Sexton label on your table. It means fine foods,  
tastefully prepared.
