FOREWARD

Our thoughts, as we leave these sacred halls and hallowed grounds where Tuskegee Institute has given us another birth and has been a haven for our hungry souls, are rich and varied, provocative and stimulating. The joy of life coupled with the well rounded experiences gained here are an integrate part of us. We will cherish these school days.

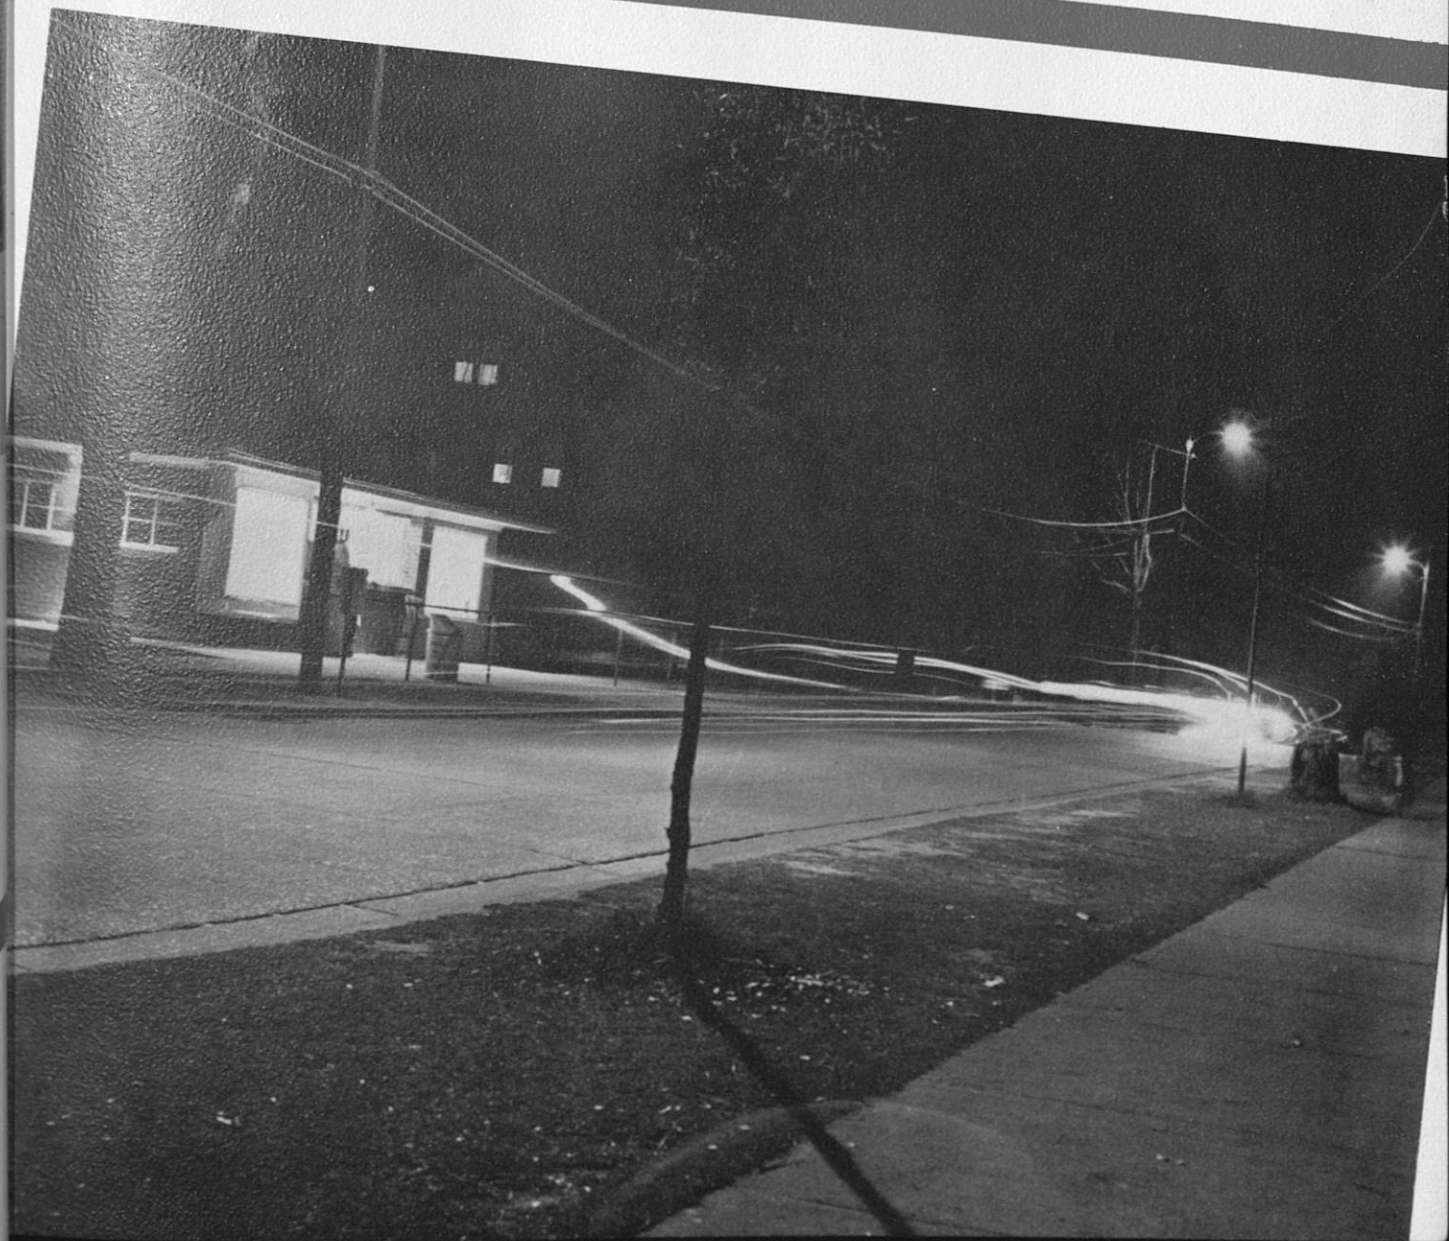

This edition of the Tuskeana, then, must serve to recapture these experiences, remind us of our acquaintances, and preserve much of those things which are so dear to us. No doubt, as we turn each page, memories of those cherished moments will fill our hearts and enrich our lives.

For you, dear Alma Mater, our ardent prayers we raise. May the training and intellectual atmosphere you have provided for us reflect glory and honor on your already renowned name and result in wisdom for us as we break ranks to further the progress of mankind and to develop ourselves to our fullest potential.

Dedication

THE SENIOR CLASS proudly dedicates the 1954 edition of
"TUSKEANA" to

LUTHER HILTON FOSTER

Fourth President of Tuskegee Institute

We are indeed proud of the manner in which you have served us your first year as president of Tuskegee Institute. We realize that you are faced with many new responsibilities and that your job is a difficult one. Because of your unusual capabilities, your strong sense of reality, your sympathetic understanding of student problems, your patience and leniency, and from our past experience with you, we feel that you are doing, and will continue to do, an excellent job.

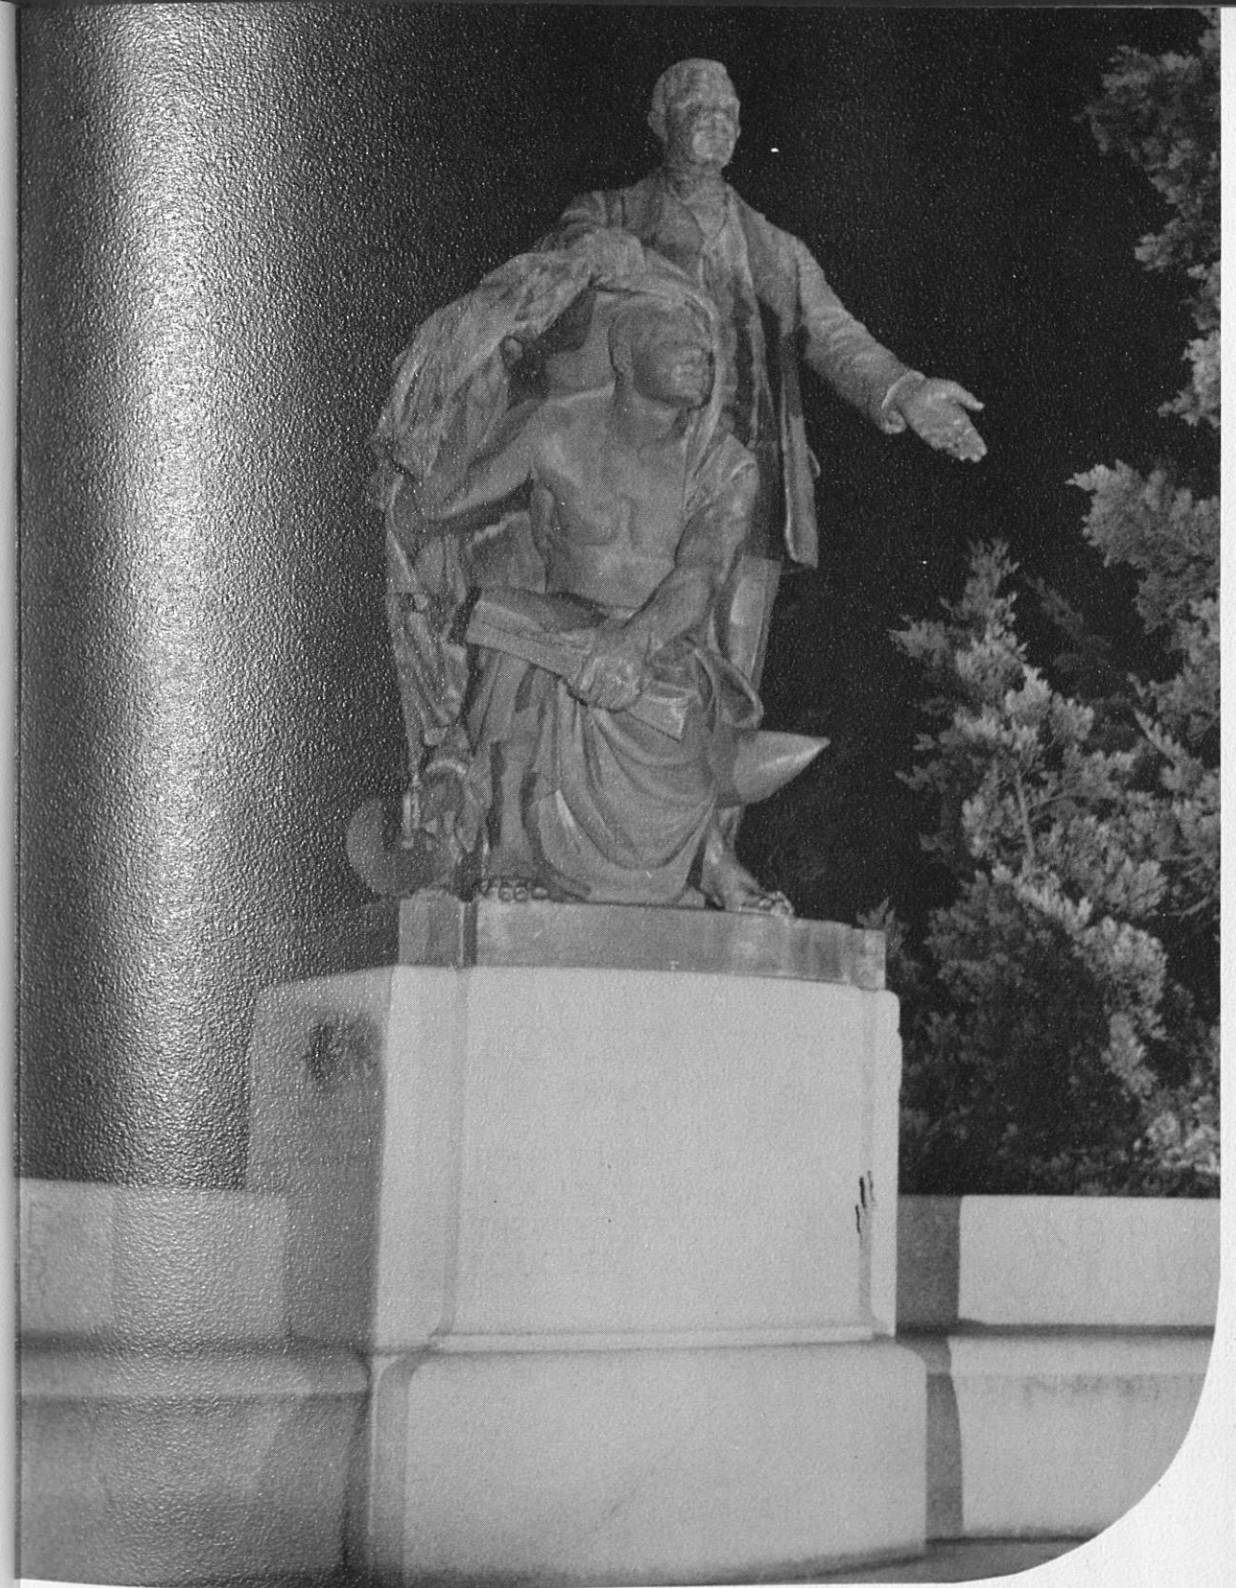

For the courage to accept these responsibilities and for the manner in which you are challenging them, we, the Senior Class of 1954, have chosen to pay you tribute.

TUSKEGEE'S CREED

● WE BELIEVE IN THE DIGNITY OF LABOR

"We shall prosper in proportion as we learn to dignify and glorify labor and put brains and skill into the common occupations of life."

● WE BELIEVE IN DOING WHAT WE DO WELL

"The man who has learned to do something better than anyone else, has learned to do a common thing in an uncommon manner, is the man who has a power and influence that no adverse circumstances can take from him."

● WE BELIEVE IN THE POWER OF EDUCATION

"Ignorance is not a cure for anything." "There is no defense or security for any of us except in the highest intelligence and development of all."

● WE BELIEVE IN THE LIFE OF SERVICE

"The only thing worth living for is the lifting up of our fellowmen" . . . "The greatest thing you can learn is the lesson of brotherly love, of usefulness, and of charity."

● WE BELIEVE IN THE SPIRIT OF COOPERATION BETWEEN ALL INDIVIDUALS AND GROUPS

"Cast down your bucket where you are. Cast it down in making friends in every honorable way, of the people of all races by whom you are surrounded."

● WE BELIEVE IN FITTING ALL MEN TO EXERCISE THE RESPONSIBILITIES OF AMERICAN CITIZENSHIP

"It is important and right that all privileges of the law be ours, but it is vastly more important that we be prepared for the exercise of these privileges" . . . "Let the very best educational opportunities be provided for both races, and add to this the enactment of an election law that shall be incapable of unjust discrimination, at the same time providing that in proportion as the ignorant secure education, property and character, they will be given the rights of citizenship."*

*Quotation from *Up From Slavery*; Julia P. Skinner, *One Hundred Selected Sayings of Booker T. Washington*, and Scott and Stowe, *Booker T. Washington, Builder of a Civilization*.

I, Janet Wilson, do hereby will to Levelma McKinney my room in Tantum Hall, to BeAlva Walker my position in the personnel office, and to my sister, Jean, the ability to "battle-out" four years of college.

I, Joe Weems, hereby, upon my departure from Tuskegee, leave my ability to make the infielders look good, with spectacular catches on 1st base, to Joe Trawick.

I, Jimmy Clark, bequeath that ferocious baseball swing of mine, to Robert Cooper, and my "dove", Oscar Coleman.

I, Johnnie F. Carter will my battalion executive position to Ross Harrison, and my love to Sarah McDuffie.

I, Eunice Clark, will to any junior who lives in the community the ability to meet a 9 o'clock on time.
