INTRODUCTION

“This royal throne of Kings, this scepter’s isle
This earth of majesty, this seat of Mars
This other Eden, demi-Paradise,
This fortress built by Nature for herself
Against infection and the hand of war,
This happy breed of men, this little world,
This precious stone set in the silver sea,
Which serves it in the office of a wall,
Or as a moat defensive to a house,
Against the envy of less happier lands,
This blessed plot, this earth, this realm, this

TO THE CLASS OF 1957:

Congratulations and best wishes to members of the Class of 1957.

You are custodians of our great American heritage. In your hands are placed the most powerful tools for equality, justice, and the common good. Whether you go forth in the professions, the military, or some other activity, I urge you to remember that your rights and privileges are found in this great American heritage, and your duty is to exert leadership and wisdom. Out of this combination, you can help the nation and the world find the remedy for their fears and anxieties.

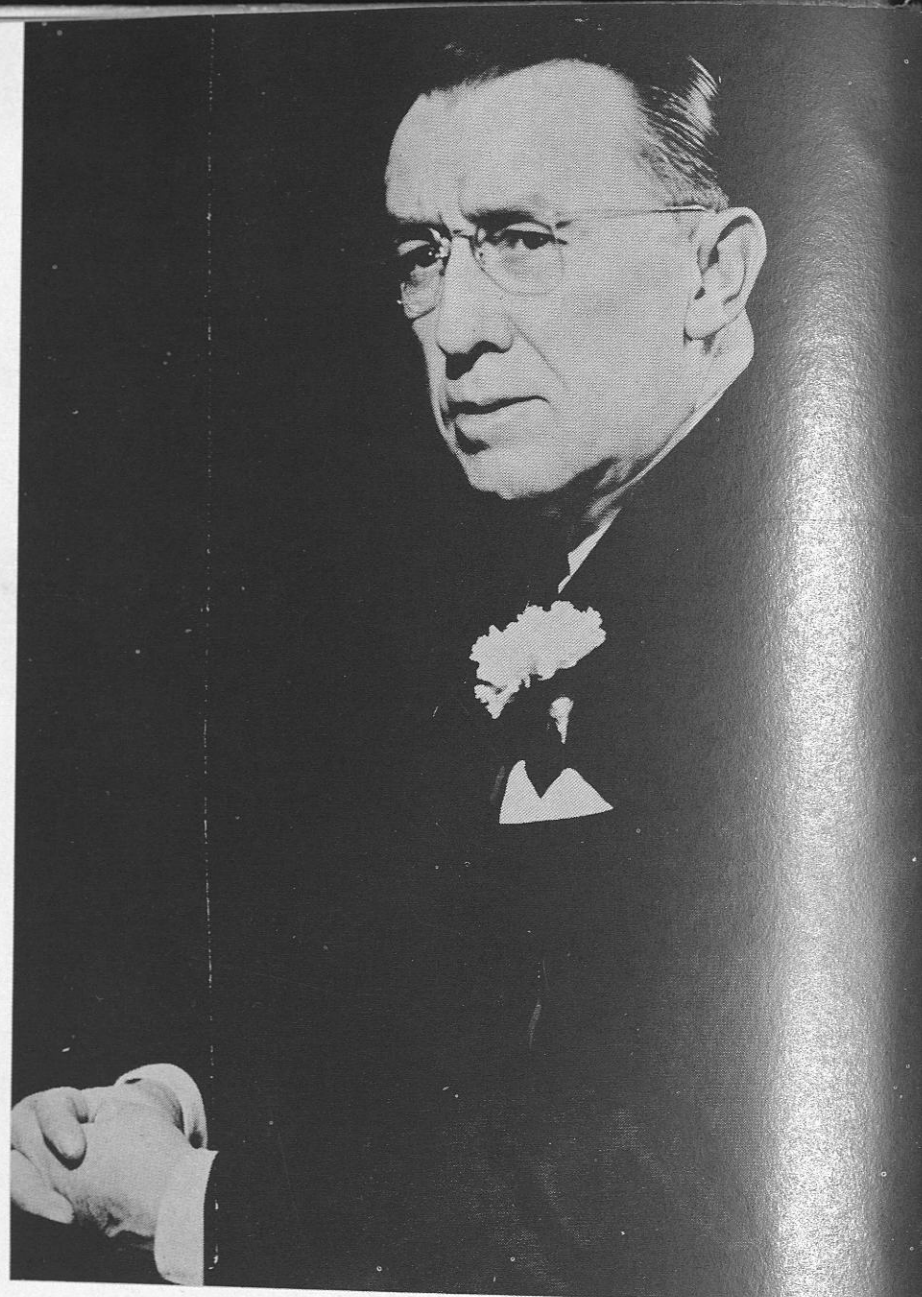

Tuskegee trains for leadership. The alumni of the Institute--leaders all over America--attest to this. As a Tuskegee graduate who has been trained to think ahead, trained to resist the immediate pressures which impel one to grapple with problems on a day-to-day basis, you will know how to interpret the future and solve problems with confidence, dispatch and firmness. We hope that your status and accomplishments in the communities where you will live and work will give us at Tuskegee the knowledge that our efforts continue to pay rich dividends in the formation of a better America.

I wish for each of you much success in all of your endeavors.

Sincerely yours,

L. H. Foster
 President

Three years ago President Foster introduced the idea of presenting athletic awards in a formal manner at a banquet for all intercollegiate athletes at Tuskegee Institute. These were awarded to those students who had earned recognition through their display of good sportsmanship and athletic ability and prowess among their fellow students.

Out of this has grown the annual ALL-SPORTS BANQUET. It is the purpose of this event to recognize some and inspire others in the pursuit of good character development through intercollegiate athletic competition.

YEARBOOK OF TUSKEGEE INSTITUTE

P. O. Box 635

TUSKEGEE INSTITUTE, ALABAMA

EDITOR'S NOTE

It's all over now. The anxiety, the fears, the frustrations, that tired feeling--they have all disappeared into the timeless void of the past. And what have they been replaced with? The hundreds of layouts, the hundreds of pictures, have all been transformed into what is known as the 1957 Tuskeana.

There are people who are responsible for making the dream that was the 1957 Tuskeana come true. I must not forget Benjamin Oglesby who gave up many of his evenings to help with copy and layouts.

Heartfelt thanks must go to the advisors, faculty, students, alumni and advertisers for all their participation. Last but not least, I will be forever grateful to the entire 1957 Tuskeana Staff.

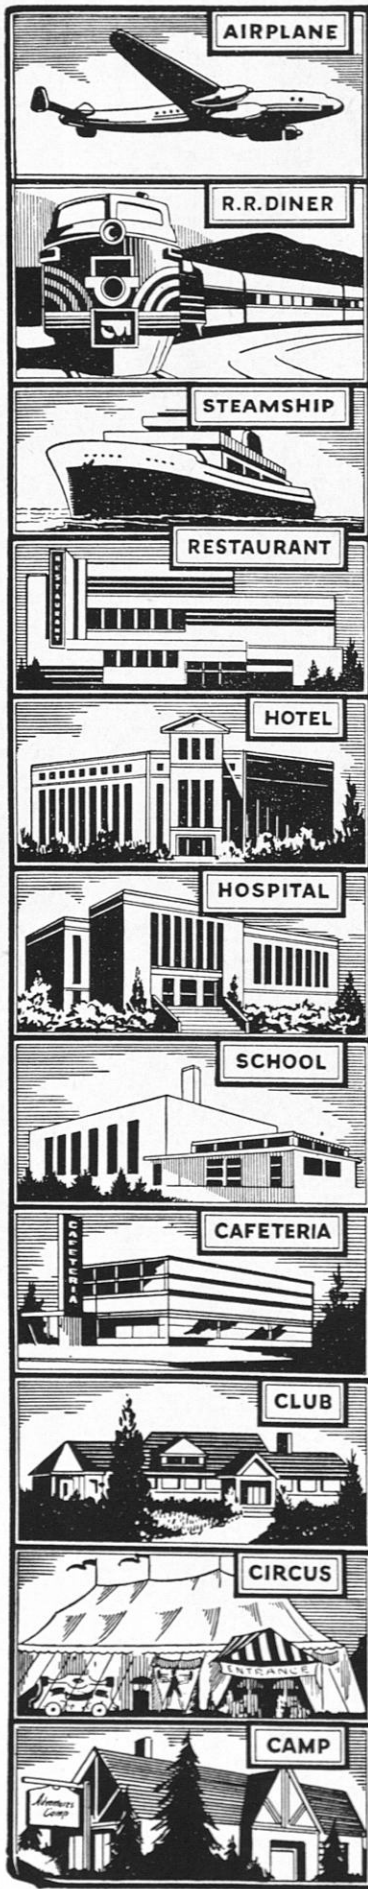

May this annual be long remembered for years to come.
