EXCERPTS FROM THE CIVIL AIR REGULATIONS REGARDING PILOT LOG RECORDS

- CAR-20.67 LOG BOOKS: The following rules shall govern pilot log books:
- CAR-20.670 GENERAL: Every certificated pilot and every person receiving flying instruction shall keep an accurate record of his flying time in a log book in which the entries with respect to solo flying time have been certified to by him and the entries with respect to dual instruction have been certified to by his certificated instructor. Log books shall be bound records and the entries shall be accurate, legible, in ink or indelible pencil, and so arranged as to facilitate easy reference thereto.
- CAR-20.671 CONTENTS: The log book shall contain the date of flight, the make and model of aircraft flown, its type, class, and horsepower rating, the aircraft identification mark, a statement of solo, dual instruction, instrument and night flying time, the duration of the flight, the points between which such flight was made, and, in addition, when any flight results in serious damage to the aircraft, a notation to this effect. Flying instruction time shall be logged in the same manner and, in addition, the instructor shall make complete entries in the log book of his student showing the nature of each maneuver in which instruction was given and the time spent thereon. The instructor shall attest each such entry with his initials, pilot certificate number and pertinent rating. A log book shall be presented for inspection, upon request and reasonable notice, to any authorized representative of the Administrator or State or municipal officer enforcing local regulations or laws involving Federal compliance.
- CAR-20.672 From and after the effective date of these regulations no flying time shall be taken into account in connection with the issuance, renewal or reinstatement of a pilot certificate unless the aircraft flown was a public or a certificated aircraft.
- CAR-20.673 LOGGING INSTRUMENT FLIGHT TIME: Instrument flight time may be logged as such only when the aircraft is flown solely by reference to instruments either under actual or properly simulated flight conditions. (Over-the-top flying shall not be logged as instrument flight time.)
- CAR-21.440 AIR LINE PILOT LOG BOOKS shall contain an accurate record as described in CAR-20.670 above.
- CAR-21.441 CONTENTS: Air Line Pilot Logs shall contain the same data outlined in CAR-20.671 above.
- CAR-21.442 LOGGING OF INSTRUMENT TIME BY AIR LINE PILOTS is governed by the regulations set forth in CAR-20.673 above.

Make all entries in ink. Make no alterations or erasures in entries. When a mistake is made, draw a line thru it. Leave no lines unfilled.

REPLY CONCERNING MILITARY RECORDS.

RE: GOLDEN, George C 02075326

The reply to the inquiry will be found in checked item(s). If you write to us again on this subject, please return your original request, this form, and any other form you complete.

Copies of requested military personnel medical records are attached. We suggest you make an extra copy and guard against loss or damage. We regret if any photocopies may be of poor quality, but they are the best copies obtainable.

The attached separation document may include the following information: authority for separation, reason for separation, Reenlistment Eligibility Code, and Separation (SPN/SPD) Code. If you require a copy of the separation document that does not contain the above information, you may request a deleted copy from this Center. A seal has been affixed to the enclosed copy to attest to its authenticity.

Title 32, Part 45 of the Code of Federal Regulations prohibits this Center from providing to third parties copies of separation documents which contain the type and character of discharge, authority and narrative reason for separation, reenlistment eligibility code, and separation program designator/number. If you require a copy of the separation document containing the above information, the veteran must specifically authorize the release to you of an UNDELETED copy of the separation document.

The Privacy Act of 1974 does not permit the release of a social security number or other personal information to the public without the authorization of the veteran concerned; therefore, we have deleted personal identifying data relating to other persons.

Since September 1979 the military service departments have not issued individual separation documents for each enlistment period if the person was discharged for immediate reenlistment. Block 18 of the DD Form 214 issued at final separation reflects the full period of continuous active military service.

The Reenlistment Eligibility (RE) Code issued upon release from active duty on _____ is _____.

The reason and authority for separation from active duty/discharge on _____ is _____.

The record of service in the _____ indicates being in a POW status from _____ to _____.

A discharge certificate is issued only as an original document; thus, there is no file copy from which to make a copy for you. We will obtain an appropriate substitute certificate for a veteran or surviving spouse if you will tell us whether the original was: 1) never received; or (2) lost or destroyed.

The document you have requested, DD Form 214, Report of Separation, was not used until Jan. 1, 1950. However, a similar form was used at the time the person named above was separated. A copy of it is attached. A seal has been affixed to the enclosed copy to attest to its authenticity.

When the person named above was separated, it was not the practice to issue a document which served as a report of separation.

The original report of separation was issued at the time of separation. Another original cannot be issued. The attached copy, however, will serve the same purpose as the original.

No report of separation was issued, since the person named above had no active service, or less than 90 days of active duty for training.

The service record of the person named above does not contain a copy of a report of separation, or its equivalent. Therefore, we are instead providing the attached NA Form 13038, Certification of Military Service. This will serve as verification of military service and may be used for any official purpose.

That portion of your request seeking medals/awards has been referred to the office checked below, which has jurisdiction over the issuance of medals/awards. Any further correspondence on this subject should be addressed to that office. Both offices are at 9700 Page Ave., St. Louis, MO 63132.

ARPERCEN, Attn: DARP-VSE-A Navy Liaison Office, Room 5409

That portion of your request regarding Air Force or Army Air Corps medals will be answered under separate cover.

The medical records requested The documents requested pertaining to discharge have been lent to the Department of Veterans Affairs (VA). Please phone the VA at 1-800-827-1000 for help in obtaining these records, and provide your VA Claim Number, _____.

The Department of Defense Privacy Program, 32 CFR 310.30(f), allows for the disclosure of medical records to the individual to whom they pertain. A portion of the requested medical records, however, contains information which can be interpreted and explained properly only by a physician. If you wish us to send copies to a designated physician, please provide us with the name and address of that physician. The request MUST INCLUDE the written consent (signature) of the person whose records are involved, authorizing the release of the records to the designated physician.

OFFICE OF
THE ADMINISTRATOR OF
VETERANS AFFAIRS

VETERANS ADMINISTRATION

WASHINGTON 25, D. C.

DEAR FELLOW VETERAN:

I congratulate you upon completion of your service in the armed forces and for your part in bringing to a conclusion a two-front war which resulted in the unconditional surrender of the Axis Powers.

Having been appointed by the President as Administrator of Veterans Affairs, I want to state generally the provisions made by our Government for you and other veterans.

Among the benefits that you may be entitled to are compensation for disabilities, hospitalization, home, farm and business loan guarantee, readjustment allowances, insurance, rehabilitation and vocational training, educational courses, assistance in obtaining employment and provision for your dependents.

Eligibility for each one is dependent upon the facts in the individual case.

If you are interested in any of these provisions, you should write or contact the Veterans Administration office nearest your home. For your convenience, there is, on the reverse of this letter, a list of the Regional Offices with the address of each office.

I feel I should warn you the last deduction for your Government insurance premiums has been made from your service pay. This means from now on you must make these premium payments directly to the Collections division, Veterans Administration, Washington 25, D. C.

DON'T LET YOUR INSURANCE LAPSE! YOU
OWE THIS TO YOURSELF AND YOUR FAMILY.

I assure you that the Veterans Administration stands ready to serve you.

Sincerely yours,

Omar N. Bradley

OMAR N. BRADLEY,
