# Foreword

The fleeting now, an instant of a moment, passes swiftly into the past, then revives itself in the ever-dying future. The future never comes; the past and we would live once more the best years of our lives further ahead at that October 1985.

On these pages are captives of a time that is now history. The editors invite you to reminisce and retrace with them your steps to a happy time. Herein are recorded the light of the ages that shall illumine the tomorrow,

in which we the Senior Class dedicate

first...

#### to Mrs. Althea Williams

Because we are grateful, to one who was the ballast in our caprice and furnished the light of experience that guided us across the shadows of indecision when all seemed unsurmountable, we plead our indebtedness. She smiled when statesmen would have cried, then taught us diplomacy. We learned argument and debate, to weigh and consider, and tact became a part of us.

Decades hence, when inventory is taken of our human wares, we shall count always among our choice possessions her omnipresent care, which helped to shape the destiny of the Senior Class.

Because graduation marks an epoch in our lives, we seek to compensate the one who has been the propelling force behind our voyage across the scholastic seas. But recompense is only partial, for we only give that which she herself has helped to produce. Nevertheless, because it is our all, and she is all deserving of it, we the Senior Class humbly and proudly dedicate this, our 1953 TUSKEANA to her—

Mrs. Althea Williams

who once were as we, and are what we hope to be.

We feel we know you well, for you were Tuskegee, and we know Tuskegee. Because of your diligence we may aspire, even as you dared not. Yours was faith and hope, ours the light you gave.

for what would a school be without them. Just see what it is with them: There's love and laughter, fun and folly, trial and trouble, and a song and a smile. This makes Tuskegee—the students. May they always come and ever grow, reaching for the stars, toward which our school is aimed.

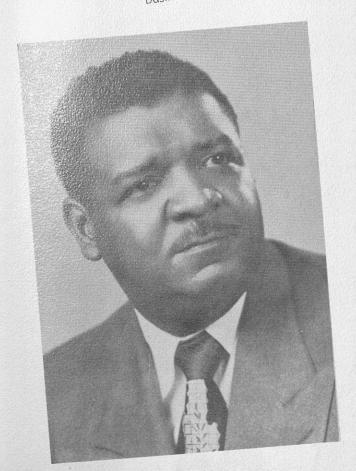

### OUR PRESIDENT

DR. FREDRICK DOUGLAS PATTERSON we claim him as our own, but we know that a man of such dimensions belongs to the world.

DR. IRVING A. DERBIGNY Vice-President

### POLICY MAKERS . . .

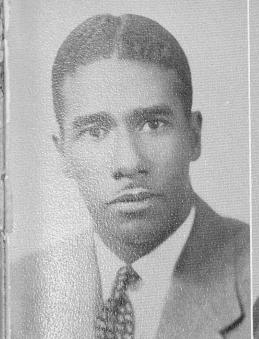

Progress in a rapidly changing world demands at times a change of pace. A less experienced and incapable administration would lose the step when the tempo increased. But able leaders assure us that the rhythm will be maintained. Here also, is provided the indispensable link between our school and other worlds through wholesome relationships.

ROBERT R. MOTON, JR. Assistant to the President

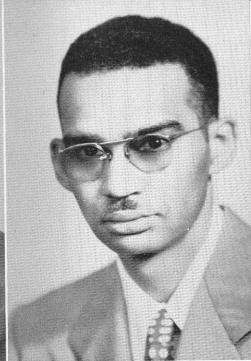

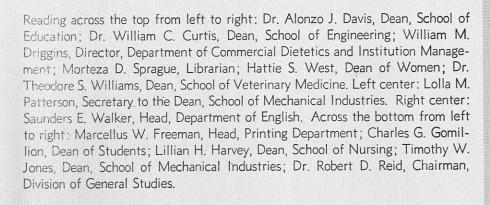

### Faculty and Staff

From a widely-experienced and competent faculty come the final touches on the men and women of tomorrow. With masterful strokes and perseverance another citizen is given the world. But like other great artists, the far-reaching results and value of the teacher's work is obscured in the shadows of the future, and the teacher remains the unsung hero of the past.

### Where all your friends will find you. . . .

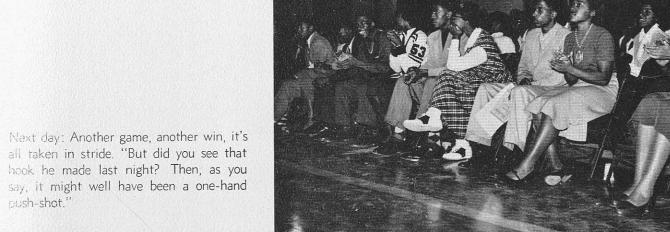

There's dancing in the Rec' tonight. How about it? We'll follow the path of the happy feet 'til we can swing along by the melody of the Rhythmaires.

'Tis only a momentary gain for the enemy. There, hope is revived as another Tiger hits the hoops.

In the Course of a Year

Just a few of the many national and international personalities who grace our campus annually.

The Euzkadi singers dance to their harmony. Millions of dollars await the special "Line of March," and the rich, soothing voice of soprano Camilla Williams resounds in the hearts of all Tuskegeeans.

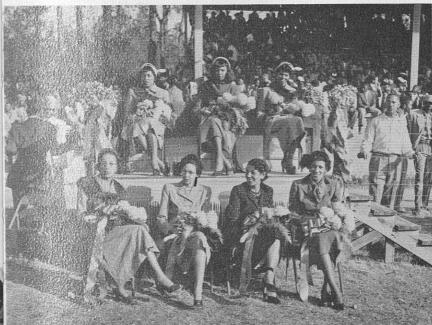

### Homecoming Nineteen Hundred Fifty-Two

Royalty on the March Long live the Queen.

It's coronation day and their majesties have come to receive their crowns. Each, a queen in her own right, reigns proudly and royally—and rightly so.

The peace dove flew away with first prize Homecoming Day, and everybody's satisfied. Our first Lady of the Campus watches her loyal heroes battle toward victory for returning alumni.

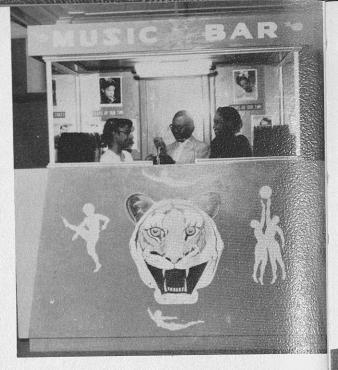

### NIGHT LIFE

SECTION AND PROPERTY OF THE PR

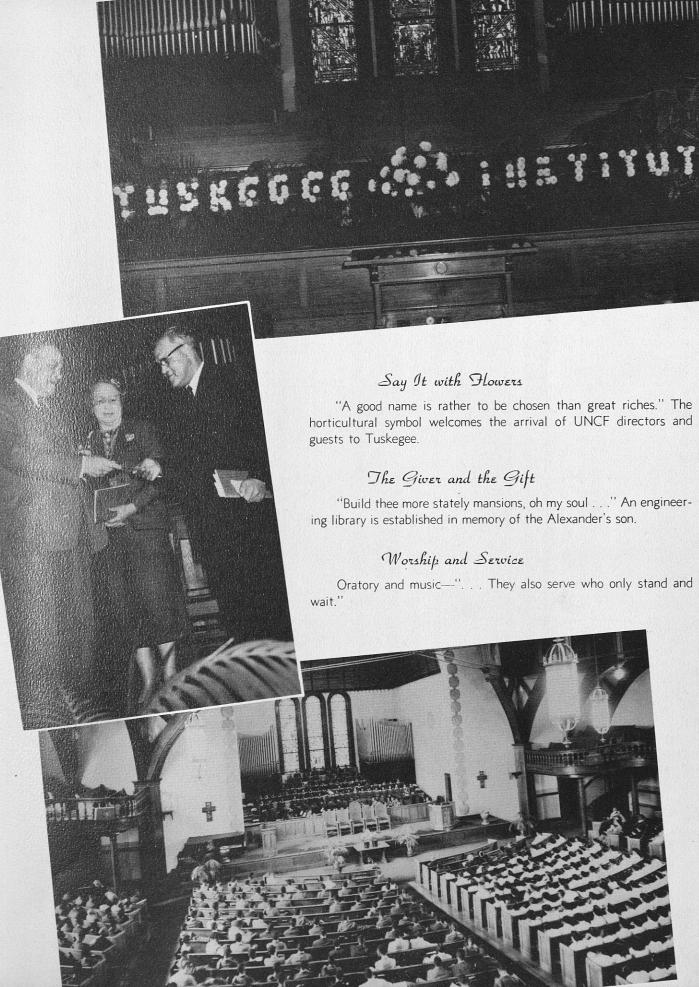

Some poor, unfortunate souls have night classes.

What's happening tonight, Steve? Between spinning platters and lolly gagging, Steve puts everyone hep to the latest kick.

When day is done, it's "Good night ladies."

## TUSKEGEE'S CREED

### • WE BELIEVE IN THE DIGNITY OF LABOR

MALLEN WALLER

"We shall prosper in proportion as we learn to dignify and glorify labor and put brains and skill into the common occupations of life."

#### • WE BELIEVE IN DOING WHAT WE DO WELL

"The man who has learned to do something better than anyone else, has learned to do a common thing in an uncommon manner, is the man who has a power and influence that no adverse circumstances can take from him."

#### • WE BELIEVE IN THE POWER OF EDUCATION

"Ignorance is not a cure for anything." "There is no defense or security for any of us except in the highest intelligence and development of all."

#### • WE BELIEVE IN THE LIFE OF SERVICE

"The only thing worth living for is the lifting up of our fellowmen"...
"The greatest thing you can learn is the lesson of brotherly love, of usefulness, and of charity."

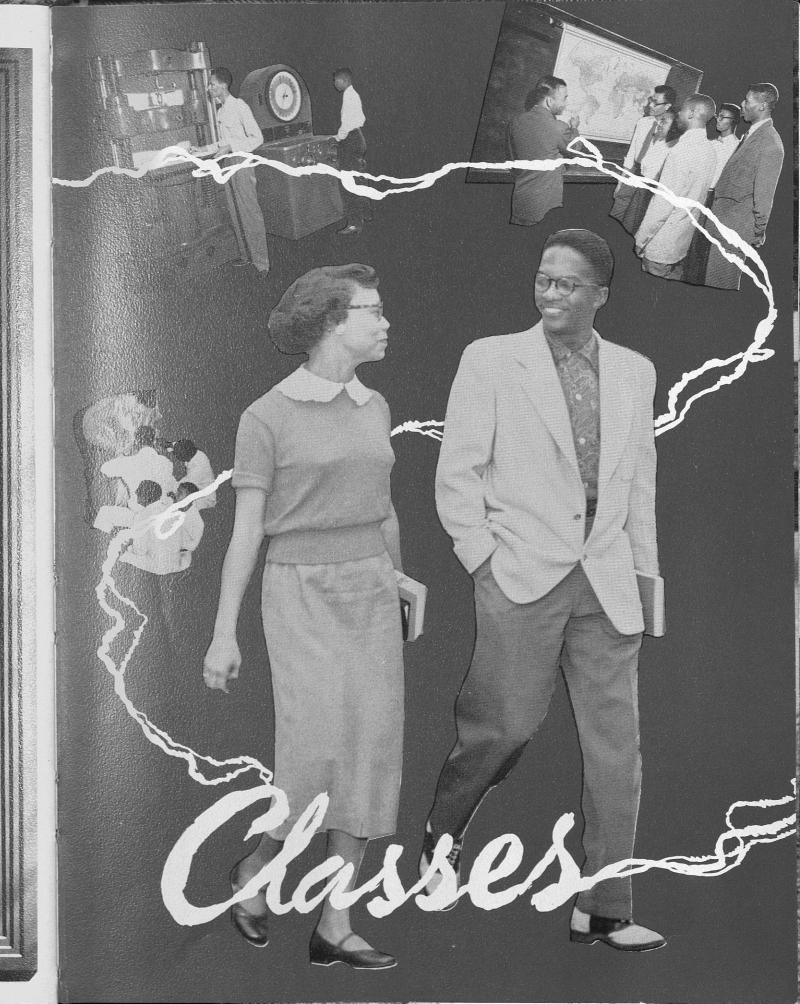

### • WE BELIEVE IN THE SPIRIT OF COOPERATION BETWEEN ALL INDIVIDUALS AND GROUPS

"Cast down your bucket where you are. Cast it down in making friends, in every honorable way, of the people of all races by whom you are surrounded."

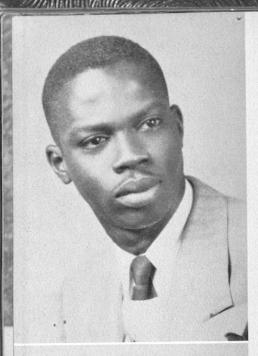

### • WE BELIEVE IN FITTING ALL MEN TO EXERCISE THE RESPONSIBILITIES OF AMERICAN CITIZENSHIP

"It is important and right that all privileges of the law be ours, but it is vastly more important that we be prepared for the exercise of these privileges"... "Let the very best educational opportunities be provided for both races, and add to this the enactment of an election law that shall be incapable of unjust discrimination, at the same time providing that in proportion as the ignorant secure education, property and character, they will be given the rights of citizenship."\*

# The Senior Class 1953

Graduation, congratulations, hopes and best wishes for the future, they all go hand-in-hand. But behind that smile of happiness lies a somberness known and understood only by a senior. How strange that such a memorable event should be accompanied by the bitter experience of parting. Friendships of loyalty and closeness, crystalized by years of work and play, are severed by an occasion of which we all dreamed and toiled for. Thus, a tale of man's Vice-President self-destruction repeats itself.

But that is life, and we are prepared for it. We know that all will not be rosy, and that the road to success is full of thorns. This realization strengthens and gives hope. For then do we perceive the infiniteness of knowledge and the imperfectness of man. In striving only do we find our solace.

After a long and tireless effort, this staff of workers finally presents its masterpiece . . . its only compensation being the joy of a job well done and the honor of being chosen by the class it serves.

With Harold Jenkins being on intern from December until May, the task of completing the TUSKEANA was left in the hands of Walter Corrin and Burnel Coulon. By their continuous burning of the "midnight oil" and coordinating the efforts of the staff, photographers, and the many organizations represented in the book, this annual was made possible.

HISTORY

Our founders, being aware of the increasing complexity of women's problems, especially those of Negro women, and realizing the necessity of forming an organization for the purpose of studying and solving such problems, organized on January 6, 1908, at Howard University, Alpha Kappa Alpha Scrority in order to cultivate and encourage high scholastic and ethical standards, improve the social status of the race, promote unity and friendship among college women, and keep alive within the alumnae an interest in college life and the progressive movements emanating therefrom.

Gamma Kappa Chapter of Alpha Kappa Alpha Sorority was organized April 17, 1948, at Tuskegee Institute. This chapter endeavors to uphold the ideals of the founders by selecting to its membership those young women of the highest intellectual, ethical, and moral calibre in order to improve continuously the performance and achievement which characterizes Alpha Kappa Alpha women everywhere.

We'll long for thee and toil until we reach the Golden Shore.

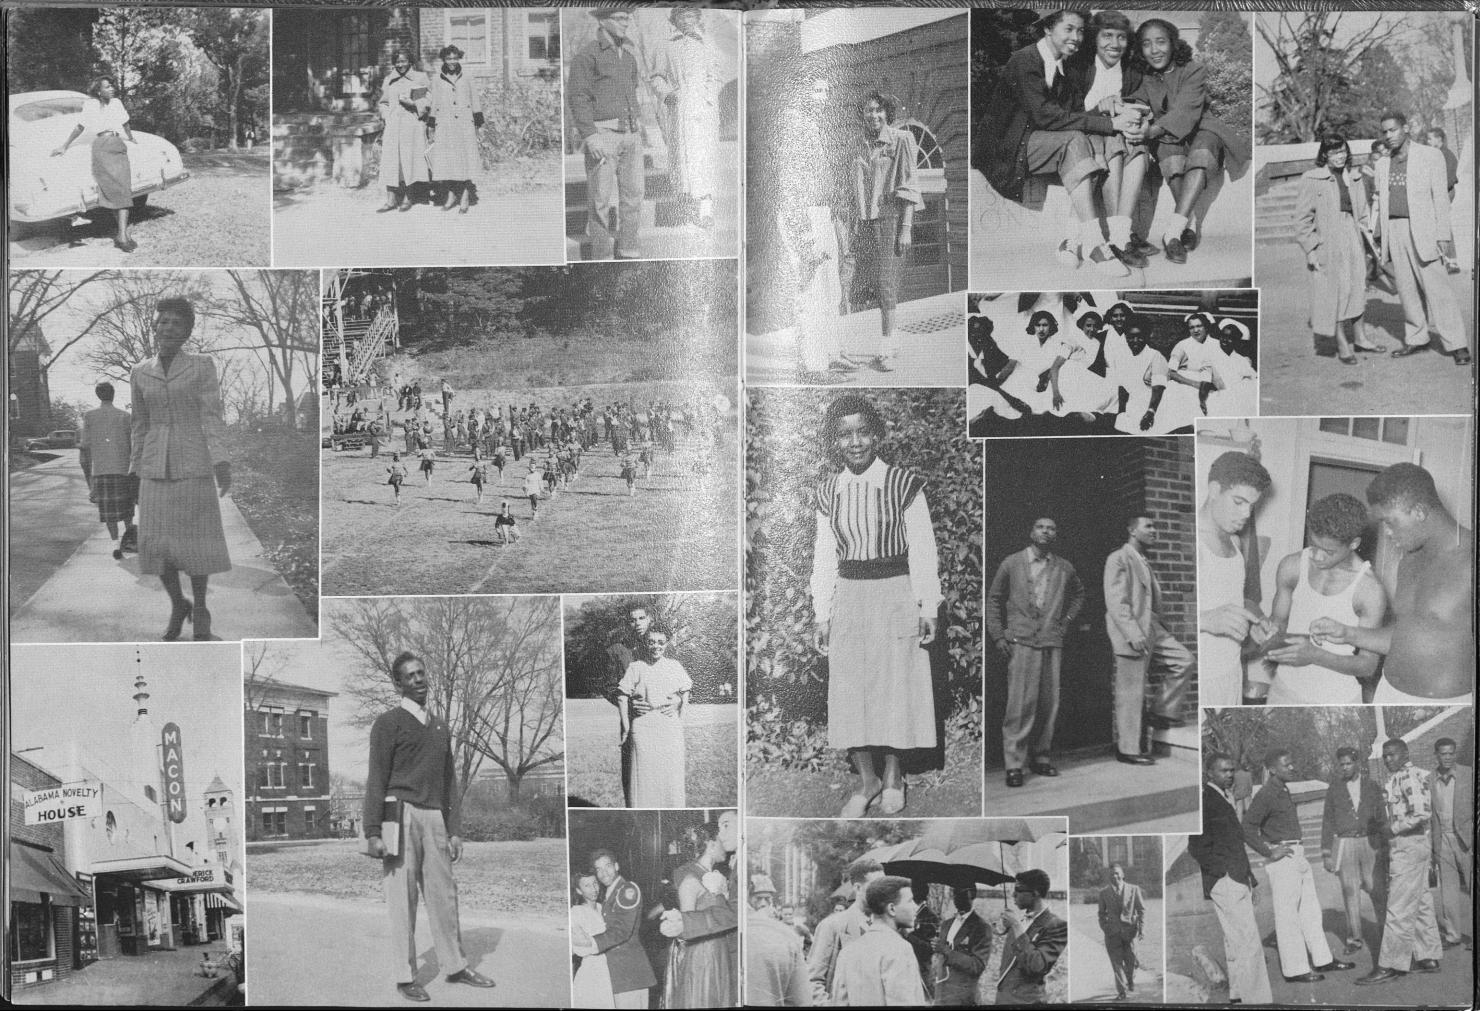

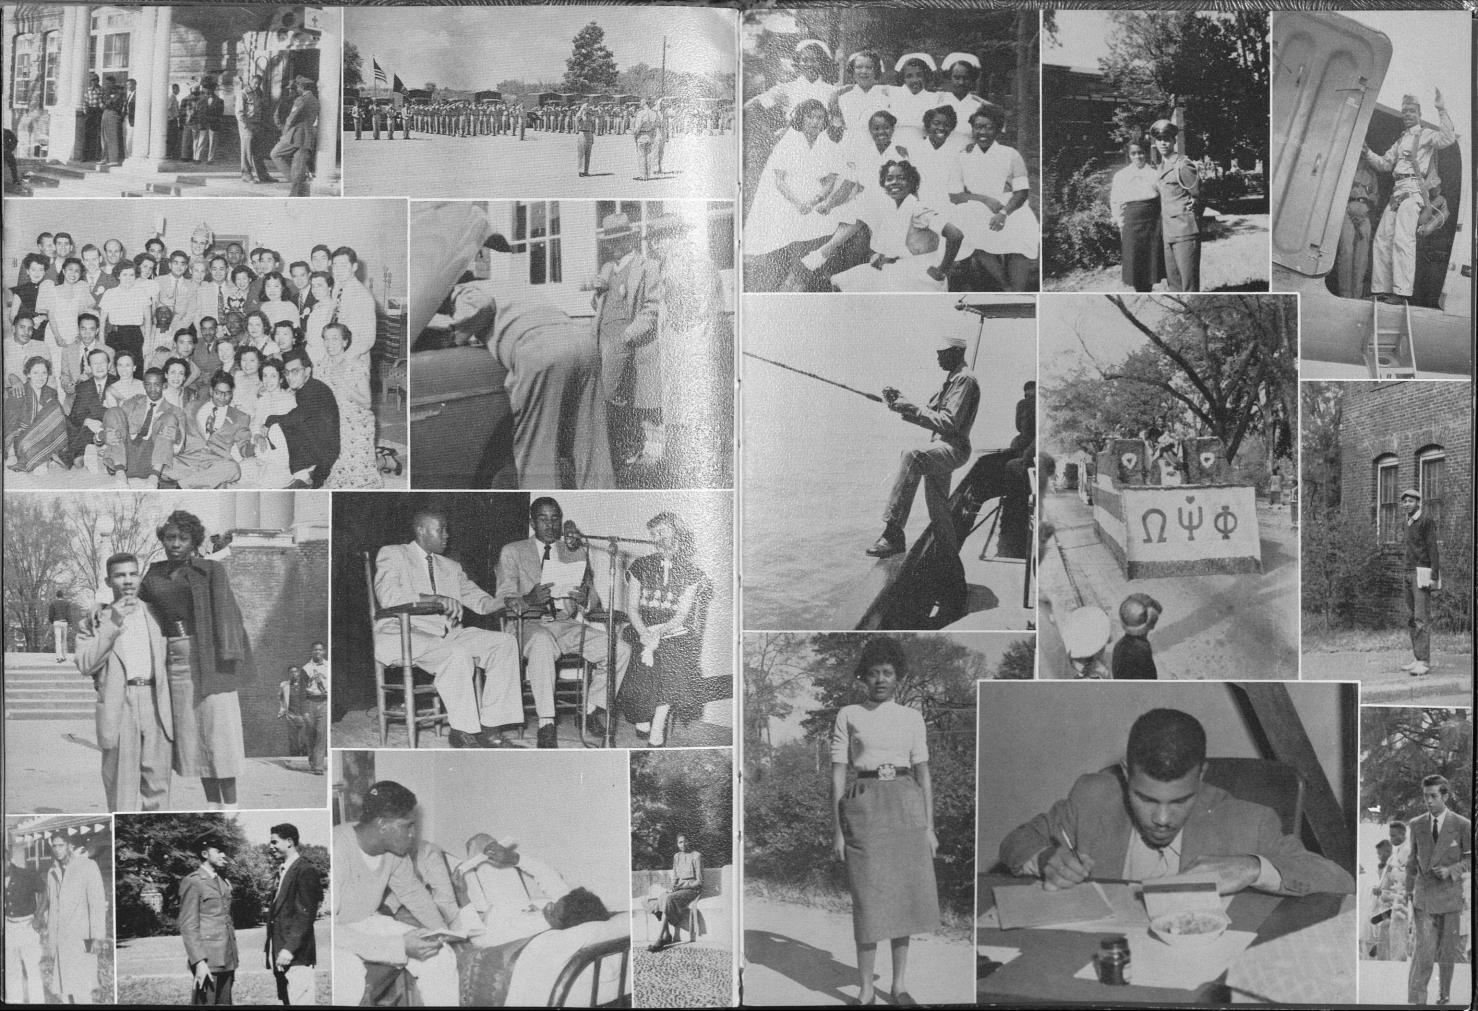

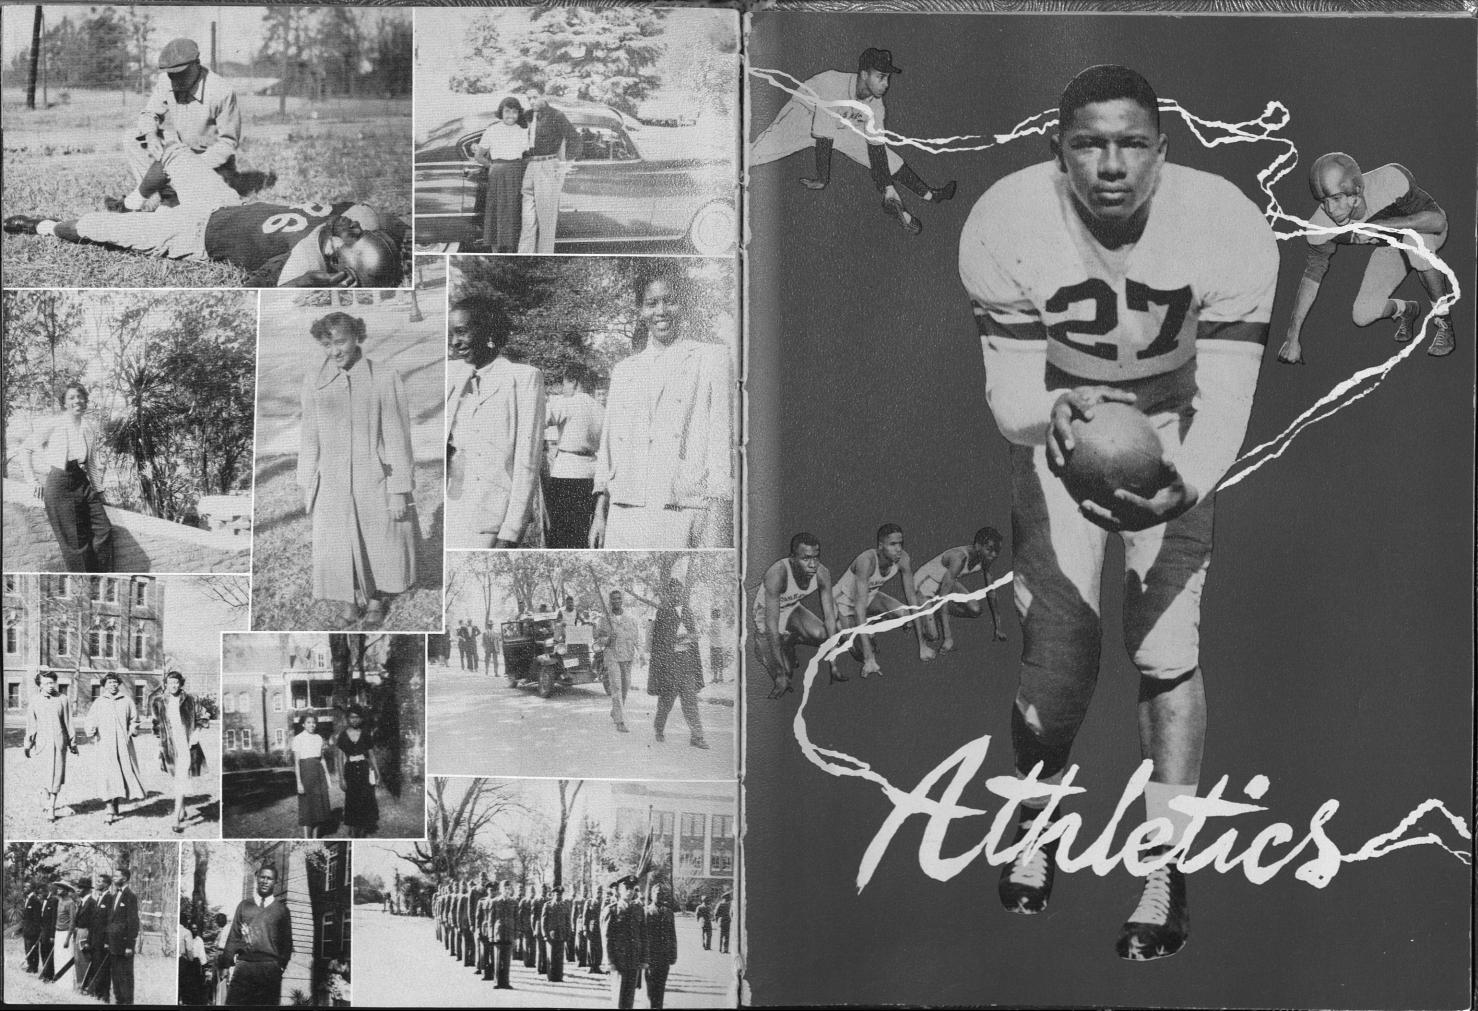

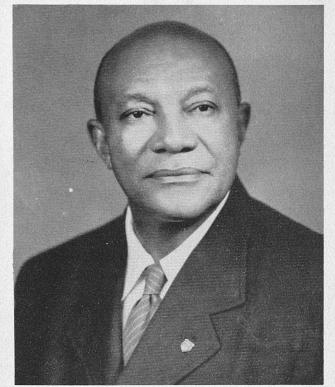

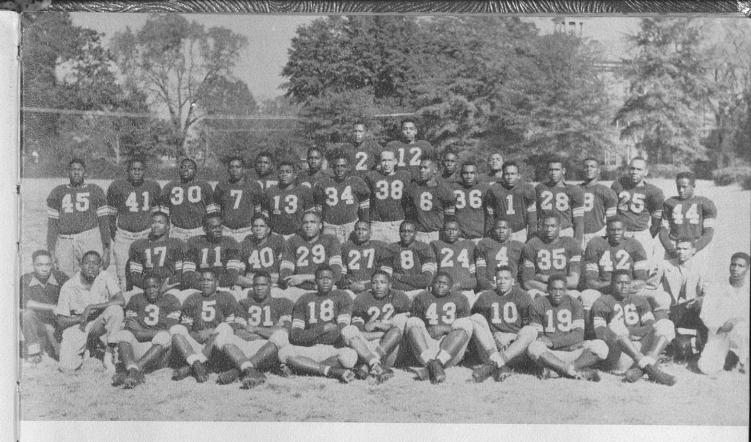

This is section number one, Number one, number one; This is section number one Where in the hell is two?

Coach Cleve L. Abbott again reigned as head of the Athletic department. The record of his football team does not at all express the hard and conscientious work that the "Duke of Dakota" put forth in developing the much inexperienced players who were the bulk of the team. The "Duke" remains as a member of the Olympic committee and played an important part in the selection of the representatives to the Helsinki games. Here's hoping that Coach Abbott continues to contribute to the world of sports "til the victory's won."

Victories over such favorite teams as Florida, Clark, and Fisk were ones that caused so much excitement that memories of last year's failure to bring home a championship were completely forgotten. Even Bonner Scores Against Florida A. & M.

Fans could not have wanted to witness any more exciting basketball games than those that were staged in Logan Hall during the '53 campaign. The blunt of the exciting contests was the performance of the Golden Tigers in their home gymnasium.

FRANK JOHNSON

though the Tigers entered most of the games as the underdogs, the smooth working combination of the Owens coached lads brought to mind the fact that these tigers are surely "golden."

Tea costs you so little per serving that the difference between an ordinary tea and a Sexton guest tea is infinitesimal. But the difference in guest pleasure is equalled by few if any other items on your menu. Cured to our special requirements in the tea gardens of the Orient, blended and packed with special care, the fragrant bouquet of Sherman Blend Luxury Tea wins approval at first sip from the steaming cup . . . or cooling glass.

- JOSEPH BELL leaves to Langston Bannister 1/4-inch of my precious height.
- I, RANDOLPH BREWSTER, will to Maurice "Tex" Colvin my radicalism. To Julia Glenn, I leave part of my spirit of independence to add to her own abundant supply. To Frank Fennell, I leave my best wishes (which he'll need) for a happy interneship.
- I, JOSEPH ALLISON CANTY, will to Joe F. Weems my secret of how to be successful with the ladies; especially with a certain one.
- I, MARY E. CARTER, will to Deloris Knox my "Booker T" Uniform. May she wear it well.
- I, WALTER C. CORRIN, do will and bequeath to the editor of Tuskeana '54 the challenge of producing an annual superior to Tuskeana '53. I further leave with him all the headaches contained therein with the hope that he will solve them as I did. To any worthy young man the honor of making Omega and being a "good Que" as I have.

To my beloved brothers in Lambda Epsilon Chapter of Omega Psi Phi Fraternity, the challenge of remaining the leading fraternity of the campus.

I, BURNEL "PAPA COU" COULON, will to my life long friend Irvin Fuller my ability to stay chilly and never lose my cool. Moreover, to my beloved chapter, Lambda Epsilon of the Illustrious Omega Psi Phi Fraternity, my love eternally.

To my successor as Business Manager of Tuskeana, faith and courage and my Bookkeeping Book. To the next Vice-President of the ROTC Club my efforts in aiding the President. And last to all students the joy and glee that I've enjoyed at dear ole "Skegee."

- I, EDGAR L. SMITH, JR., hereby lawfully will my ability to play ping pong to Willie McGee, who plays so diligently to win a game and is always disappointed when he loses.
- I, JOHN H. SMITH, JR., wish to make the following wills: To Irvin W. Fuller, my executive ability.

  To all five year plan students, such as myself, I wish to mention those attributes needed to complete the plan—a desire for an education, perseverance, vim, vigor, and vitality. My challenge to you is: "Keep going ahead, Don't look back."

To the President of the Senior Class of 1954, I would advise you to plan your program, beg everyday for class dues, plan a loose budget, and, finally, be prepared to do work yourself which should have been done by someone else.

- I, MARJORIE SMITH, will to Miss Jimmie Carrol my ability to sing, which may enable her to become a member of the choir.
- In an effort to foster, encourage and promote a spirit of goodwill and unselfishness among my fellow students who will be here for another three, two, or one year period, and who will make every endeavor to keep the flag of the Institute flying, I CEDRIC FITZ-OSWALD THOMPSON, do hereby bequeath.
